REPORT

DATE: February 18, 2015

TO: Bylaws and Resolutions Committee

FROM: Joann Africa, Chief Counsel; (213) 236-1928; africa@scag.ca.gov

SUBJECT: Proposed Resolutions for Consideration by the General Assembly

EXECUTIVE DIRECTOR'S APPROVAL: 

RECOMMENDED ACTION:

Review the following proposed resolutions to be considered be adopted by the General Assembly; provide direction to staff; and forward recommendations to the Regional Council.

EXECUTIVE SUMMARY:

Each year, in preparation for the annual General Assembly meeting, proposed resolutions and proposed amendments to the SCAG Bylaws are considered by both the Bylaws and Resolutions Committee (Committee) and the Regional Council, prior to submission to the General Assembly. SCAG staff received a proposed resolution from City of Irvine Mayor Steven Choi which supports a five-year moratorium on additional financial burdens to California businesses. SCAG staff also received a proposed resolution for Ventura County Supervisor Linda Parks in support of a plan to build a wildlife corridor across the Ventura Freeway (Highway 101) at Liberty Canyon. The Committee is requested to review these proposed resolutions; provide direction to staff; and formally provide its recommendation to the Regional Council on March 6, 2014.

STRATEGIC PLAN: This item supports SCAG's Strategic Plan Goal 1 (Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; Objective C (Provide practical solutions for moving new ideas forward).

BACKGROUND:

The SCAG Bylaws provides the opportunity for any Official Representatives of SCAG to propose any policy matter for action by the General Assembly by way of submittal of a resolution. Irvine Mayor Choi has proposed that the General Assembly approve a resolution supporting a five-year moratorium on additional financial burdens to California businesses, and a draft of the resolution is attached with this report. As background, this proposal is similar to what former Governor Gray Davis discussed at SCAG's 5th Annual Economic Summit held in December 2014. Moreover, creating opportunities for economic development and business-friendly practices across state has been a priority of SCAG for several years.

In addition, Ventura County Supervisor Parks has proposed that the General Assembly approve a resolution in support of endorsing a plan to build a wildlife corridor across the Ventura Freeway (101 freeway) at Liberty Canyon. As background, last October, Paul Edelman, Chief of Natural Resources and Planning for the Santa Monica Mountains Conservancy (SMMC), gave a presentation before SCAG's Energy and Environment Committee describing the need for creating a wildlife bridge over the 101 freeway in Agoura Hills. The presentation covered the status and costs of the proposal and show examples of similar bridges in the United States and around the world. This resolution by Supervisor Park would be in support of the project, and addresses the 2012-2035 Regional Transportation Plan/Sustainable Community Strategy (2012 RTP/SCS) directive to "ensure access to open space and habitat preservation despite competing quality of

life demands driven by growth, housing and employment needs, and traditional development patterns.”

The Committee is asked to review the proposed resolutions, provide direction to staff and formally provide a recommendation to the Regional Council.
