I am writing to urge SCAG to:

- Support your original RHNA of 430,000 units by 2029 and reject the State's HCD's hugely-inflated 1.3 million determination
- With a realistic RHNA figure in place, adopt the proposed Methodology 1 to determine housing needs allocations
- Support increased targets for low and moderate-income housing, reduce luxury housing targets.

Thank you,  
Wansun Song
