Subject: RHNA comment letters sent to HCD website

Dear Mr. McCauley,

I and many community members have submitted comment letters in support of SCAG's letter of opposition to the state determined regional housing needs assessment (RHNA) goal. We understood that Ben Metcalf was no longer the Director of HCD and did not have your email address. We therefore submitted comments to the HCD website-- searching for the appropriate category under which to place our comments ("housing policy"). (Some letters were sent to metcalf@hcd.ca.gov.)

I am writing to request that those at HCD responsible for determining the final housing goal and adopted methodology review the comments submitted to the HCD website and include them as part of your decision-making process. We want to make certain that those comments are not lost to /on the website.

Thank you,

Barbara Broide
