SUBJECT: SCAG's Regional Council Meeting

To Whom it May Concern:

In your considerations on a draft allocation methodology slated for November 7, 2019, will you take into account the 7000 acres of undeveloped land located on the south end of the city of Ontario. This is prime land south of the 60 freeway and west of the 15 freeway that needs to be developed. It is well located and is suitable for affordable housing development.

Sincerely,

Warren Hogg
