

# ACTIVE TRANSPORTATION AND SAFETY

SCAG's 2024 Sustainable Communities Program (SCP) - Active Transportation and Safety is a technical assistance grant that provides funding to develop plans and implement quick-build projects that improve mobility and encourage more people to walk and bike across the region, advancing the mobility goals of Connect SoCal 2024.

The SCP – Active Transportation and Safety grant funding supports projects that advance Connect SoCal 2024 mobility policies for complete streets, traffic safety, and transit and multimodal integration. Selected projects will improve mobility across the region, increase rates of walking and biking, advance traffic safety, expand opportunities for multimodal transportation options and competitively position local jurisdictions for implementation grant funds. SCAG anticipates awarding \$10.4 million in SCP – Active Transportation and Safety grants, with up to \$2.4 million available for planning projects benefiting disadvantaged communities and a minimum of \$7.5 million set aside for quick-build projects.

## PROJECT TYPES

2024 SCP – Active Transportation and Safety grants will fund two project types:

**Community/Areawide Plans** and **Quick-Build Projects**.

Examples of eligible community/areawide plans include:

- > Active Transportation Plan
- > Bicycle and/or Pedestrian Master Plan
- > First/Last Mile Plan
- > Safe Routes Plan
- > Transportation Safety-Focused Plan

Examples of quick-build elements and materials include, but are not limited to:

- > **Curb extensions:** paint and plastic posts, plastic bollards or planters
- > **Pedestrian safety enhancements:** rectangular rapid flashing beacons, leading pedestrian intervals at signalized intersections, raised crosswalks or high-visibility crosswalks
- > **Modular transit stops:** temporary transit platforms to safely include bike lanes in transit areas
- > **Pedestrian plazas and corridors:** concrete barriers, barricades, planters or signage
- > **Protected bike lanes:** striping and plastic posts, plastic bollards, planters or parking
- > **Traffic calming treatments:** temporary speed cushions, curb extensions or chicanes (e.g., curb extensions in a parking lane)
- > **Traffic circles:** striping, rubber curbs, plastic posts or signage

## PREPARE AN APPLICATION

The call for applications opens July 8, 2024. Applicants will be required to complete the following elements:

- ✔ **Online Application**
- ✔ **Map of Project Area**
- ✔ **Scope of Work & Project Schedule**
- ✔ **Budget**
- ✔ **Three Letters of Support**
