3. **Peer Review of Internal Audit Function**

Basil Panas, CFO, provided a brief update and status of the request previously made by the Committee to proceed with a Peer Review of the Internal Audit function. He reported that to date, the Association of Local Government Auditors (ALGA) the agreed-upon organization to conduct the review, has not yielded any results, and therefore is presenting options for the path forward.

After discussion by the Committee, a recommendation was made to award a sole source contract to Vasquez and Co., LLP, to perform the Peer Review of the Internal Audit function. In addition, that staff include the peer reviews of the Internal Audit function as part of the scope of service in future procurements and contracts for SCAG’s external independent auditors and be conducted generally every three years. 5. Internal Control Review

Richard Howard, Internal Auditor, provided an overview of SCAG’s systems of internal control. He noted that the internal audit of SCAG’s controls and procedures were done to determine if SCAG was vulnerable to any weaknesses cited in the KPMG report which recently highlighted the alleged misappropriation of City funds in the City of Pasadena’s Underground Utility Program.

Mr. Howard noted that the objective of the review was to determine if current SCAG controls were adequate to deter and detect any fraud activities by SCAG employees and consultants. The disbursement, purchasing, contracts, custody and transmittal of checks processes were reviewed.

Mr. Howard stated that the audit resulted in seven (7) recommendations. Most of the recommendations have already been implemented and the remaining are in process of being implemented.

The full Internal Control Review presentation was included in the agenda packet.

There were no additional discussions or comments made on this item. The Committee thanked Mr. Howard and staff for a thorough and comprehensive report.

6. Project Management Audit

Richard Howard, Internal Auditor, provided an overview of the Project Management Audit. Mr. Howard explained that he sampled eight out of the 55 projects that were both opened and closed during July 1, 2012 through June 20, 2014. He noted that the projects were adequately managed and complied with federal, state and SCAG regulations and policies. However, Mr. Howard recommended that a Project Management Policies and Procedures Manual and Project Management Checklist be adopted to ensure that there are uniform procedures in place to manage SCAG projects. He noted that such a manual is being prepared and is currently in the review process.

There were no additional discussions or comments made on this item. The Committee expressed their appreciation for the comprehensive report.

7. Risk Management Evaluation Update

Staff responded on the comments and questions expressed by the Committee, including comments pertaining to a formal ADA Transition Plan and ADA Self-Assessment of all public facilities.

SUBJECT: PEER REVIEW OF INTERNAL AUDIT FUNCTION

RECOMMENDED ACTION:
Provide direction concerning a Peer Review of SCAG’s Internal Audit function.

EXECUTIVE SUMMARY:
The Committee previously authorized the Executive Director to award a sole-source contract to Vasquez & Co., LLP, to conduct a review of the Internal Audit function. SCAG has since been informed that the Association of Local Government Auditors can commence a Peer Review of the Internal Audit function in six months. The Committee will review the implications of this new information.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan Goal 3: Enhance the Agency’s Long Term Financial Stability and Fiscal Management.

BACKGROUND:
At the meeting of March 17, 2015, staff reported that they had been unable to obtain a start date from the Association of Local Government Auditors (ALGA) concerning the Peer Review of SCAG’s Internal Audit function. The Committee was presented with three options:

OPTION 1: Wait for ALGA to schedule SCAG’s Peer Review.

OPTION 2: Conduct a procurement to select a consultant to perform the Peer Review procedures.
Since the cost of this work is likely under $25,000, the elapsed time for this option would be four to seven weeks.

OPTION 3: Award a sole source contract to Vasquez and Co., LLP, to perform the Peer Review procedures. Vasquez is SCAG’s current outside independent auditing firm and has indicated that it does not have any professional conflicts that would prevent it from performing this work. This would be the most expedient option and would require the Executive Director to make a finding that selecting Vasquez as the sole source vendor for these services is in the best interests of SCAG.

The Committee selected Option 3. Since that time, ALGA has informed SCAG’s CFO that they can commence such a review in six months. This new information is being presented to the Committee for their consideration.

FISCAL IMPACT:
Selecting Option 1 would likely save SCAG up to $25,000, depending on the home bases of the audit members that ALGA selects.
