**Subject:** City's Formal Appeal of RHNA January 15th 2021

To Whom it May Concern,

As a resident of Yorba Linda, I would like to appeal against the SCAG's RHNA proposal to build 2400 housing units in the city of Yorba Linda. RHNA failed to take into account numerous constraints that exist in the City, including wildfires, protected open space and transportation constraints.

Regards,

Arvinder Mann
