www.scag.ca.gov
Cycle 4 Funding Overview

- Total Program Funding: $440M
  - Statewide: $219M (50%)
  - Small Urban and Rural: $44M (10%)
  - MPO: $175M (40%)

- SCAG Regional Program Funding: $92.5M (53% of MPO Component)
  - $88M for Implementation
  - $4.5M for Plans/Programs

- SCAG Region Portion of Statewide Bucket: $137M (62% of Statewide)
  - 23 projects
ATP Cycle 5 Overview

- Statewide Program
  - Call for Projects in Spring 2020
  - $440M in funding anticipated (consistent with Cycle 4)
  - Statewide guidelines development to follow ATP Symposium (October 29–30) with workshops late Fall 2019–early Winter 2020

- Regional Program
  - Regional allocation to be determined
  - Regional guidelines development process will occur in parallel with statewide
  - Cycle 4 Guidelines can be found here
ATP Resources

• New Caltrans Resources:
  • Mode Share Action Plan 2.0
  • Interim Count Methodology Guidance
  • New Active Transportation Resource Center (ATRC) website
  • ATRC Automated Counter Loan Pilot Program
Connect SoCal Update

Recap

Purpose of the Plan

- 2020–45 Regional Transportation Plan/Sustainable Communities Strategy
- Long-range visioning plan that balances future mobility and housing needs with economic, environmental and public health goals
- The components are required by federal and state legislation and is an important planning document for the region, allowing project sponsors to qualify for federal funding. SCAG is required to update this long-range planning document every four years.

ATWG Input

- ATWG has helped guide Plan development since early 2018
- Significant input on the Strategies and Actions
Next Steps

• Public Review Draft
  • Main Book and all Technical Reports
  • To be released November 7th
  • Public Comment Period to follow

• Opportunity to comment formally, as well as discussion time at November ATWG meeting

Building an Active Transportation Plan Template

Active Transportation Working Group
September 19, 2019
OVERVIEW: DACPI

• 18-month project
• AT Plan template
  o Standardized elements
  o Outreach & Equity Frameworks
  o Demonstration events
• Pilot process in 7 communities
• National Scan of Best Practices
• Outreach + Equity Frameworks
• Expert Focus Group
EXPERT FOCUS GROUP

• 17 participants representing:
  o California + LA Departments of Public Health
  o Caltrans, Metro
  o Cities of Long Beach, Santa Ana, Santa Monica
  o OCTA, RCTC, SBCTA, WRCOG
  o Safe Routes to School National Partnership
**Recommendation** | **Application**
--- | ---
**Emphasize the data and sources** required by likely funding outlets | Template
Include an overview of **public health issues and the relation to transportation** | Template
Include language to **manage expectations of public health outcomes** | Template
**Acknowledge all forms of active transportation** and include a section on skateboards and push scooters | Template
**Consider “low speed lanes”** rather than “bike lanes” and **consider a different nomenclature so that the traditional bike-centric names be broader.** | Template
**Go to where people are and used a trusted community partner** to assist with outreach, and host meeting in most common language | Outreach Framework
Include **engineering-level details** such as renderings and accurate cost estimates | Template
Create a folder of photos of local examples of facilities that communities can access. | Template
**Include draft policies that aim to reduce adverse impacts of transportation improvements**, such as housing policies, to ensure current residents can still afford to live in their community once improvements have been made. | Equity Framework

OUTREACH PLAN

Community Advisory Committees

Go Human Demonstrations

- Training 1: Active Transportation & Tactical Urbanism Primer
- Interactive Art Installation
- Training 2: Share Living Preview Plans; Train Volunteers
- Living Preview
- Curbside Open House

Additional Outreach

- Website and Public Input Tool
- Walking / Biking Tour
- Targeted Outreach
THANK YOU!

www.scag.ca.gov
Safety Resources: Go Human Kit of Parts

• “Library” of pop-up demonstration materials
• Free resource available to jurisdictions starting in October 2019
• SCAG manages storage in LA County. Transport options currently being explored.
• Toolkit available for easy installation/set up
• Kit includes 5 design treatments to borrow and showcase
• Pair with an existing event to conduct community outreach
• Materials also include survey tool and educational signage
Temporary Demonstration Resources – Kit of Parts
Temporary Demonstration Resources – Kit of Parts
Temporary Demonstration Resources – Kit of Parts
Safety Resources: Go Human Kit of Parts
Go Human Challenge materials enhance community engagement and educational impact

• Modules expand active transportation messaging and highlight sustainability topics
• 5 modules, different themes and interactive activities
• Free to borrow across the region to pair with existing events
CLIMATE RESILIENCY
Activity: Tic-Tac-Toe Ringtoss

TRANSPORTATION SAFETY
Activity: Rolling Dice

ENVIRONMENTAL RESPONSIBILITY
Activity: Fill in-Puzzle

NEW MOBILITY
Activity: Transportation Trivia!

PUBLIC SPACES
Activity: Street Mix
Educational Programming Materials ~ Go Human Challenge

Stakeholder Needs Discussion
Grant-Funded Regional Tools/Initiatives

• Go Human
  • Advertising Campaign
  • Kit-of-Parts
  • Challenge Modules
  • Webinars

• Active Transportation Database
  • Pedestrian and Bicycle Count Repository
  • Count Best-Practice Guidance for Regional Data Consistency

• Disadvantaged Communities Active Transportation Planning Tool
  • Active Transportation Plan Template
  • Review of National Best Practices
  • Outreach and Equity Frameworks
What’s Next?

• What other tools/initiatives could help cities, agencies, and CBOs in the SCAG region to:
  • Develop innovative solutions that improve quality of life for Southern Californians
  • Advance policy interests and planning priorities
  • Have better access to robust data
  • Enhance regional collaboration
ATWG Outlook
Next Meeting and Announcements

Joint Environmental Justice/Public Health Working Group
• October 17, 2019
• The focus of this meeting will be on information sharing and how we, organizations, agencies and individuals, can work together to achieve regional shared goals of environmental justice and public health.

Active Transportation Working Group
• November 21, 2019
Thanks
