SUBJECT: City of Bellflower Support For Request to Convene a Special Closed Meeting of the SCAG Regional Council to Discuss the Recommendations of the SCAG RHNA Litigation Committee

Dear President Richardson:

The City of Bellflower has been following the discussions raised by jurisdictions on whether the State Department of Housing and Community Development (HCD) followed housing law in issuing a housing need of 1.34 million units to the SCAG region. The housing need identified for the region directly impacts the housing need allocated to the City of Bellflower.

We understand that at the November 5, 2020 Regional Council Meeting, members requested that a special closed session of the SCAG Regional Council be scheduled to further discuss recommendations from the RHNA Litigation Committee.

The City of Bellflower supports the request that the SCAG Regional Council conduct a special closed meeting to discuss the RHNA Litigation Committee's recommendations. This discussion is merited and has direct relevance to our City and our RHNA allocation. We hope the special closed meeting can be convened immediately.

Sincerely,
