INTER-GOVERNMENTAL REVIEW

CLEARINGHOUSE REPORT

January 1 – February 28, 2018
INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

This Intergovernmental Review Clearinghouse Report summarizes the federal grant applications, environmental documents and other information received by SCAG’s Intergovernmental Review (IGR) Section during the period 2018-01-01 through 2018-02-28. The Clearinghouse Report consists of two sections, Federal Grant Listing and Environmental Documentation Listing.

The Federal Grant Listing is provided to inform your organization of all grant applications for federal assistance from our region in accordance with Executive Order 12372. The listing includes state sponsored plans and project types such as Housing and Community Development, Urban Mass Transit, and Human Services. The Environmental Documentation Listing describes regionally significant and non-regionally significant facilities (e.g., transportation, wastewater treatment), residential, commercial and industrial projects which have been voluntarily submitted for review by local governments. Environmental documents received include Notices of Preparation, Environmental Impact Reports, Environmental Impact Statements, Negative Declarations and Mitigated Negative Declarations.

A SCAG Project Identification Number organizes project descriptions for both the Federal Grant and Environmental Documentation listings.

IGR CONTACT

To include the interest of your jurisdiction or comment on proposed comprehensive planning, areawide coordination or environmental impacts please contact the IGR Section prior to 2018-03-28. Please send one (1) copy of all environmental documentation. Also, please provide the name and telephone number of the contact person on your transmittal. We may be reached at:

Mailing Address: Southern California Association of Governments
Intergovernmental Review Section
900 Wilshire Boulevard, Suite 1700
Los Angeles, CA 90017-3435

Telephone: (213) 236-1800
Fax: (213) 236-1963

Questions regarding the Clearinghouse Report should be directed to Anita Au, (213) 236-1874.

MORE INFORMATION

The IGR web page includes staff prepared publications describing items and projects received by the IGR Section, and other web sites that may be useful to persons seeking information about how to comply with CEQA and the CEQA Guidelines. For more information, please visit SCAG’s IGR web page at www.scag.ca.gov/igr/.

Located in the City of Long Beach, County of Los Angeles, California, the proposed project includes amendments to the Long Beach Municipal Code to expand the procedural and operating requirements for massage establishments. Changes include mandatory California Massage Therapy Council (CAMTC) certification for all massage practitioners, removing primary use massage establishments from the "Adult Entertainment Business" definition to "Massage Establishments," prohibition on use, possession, or sale of adult-oriented merchandise, alcohol, or controlled substances, and requirement of an Administrative Use Permit for primary Massage Establishments in commercial zoning districts.
Located in the City of Long Beach, County of Los Angeles, California, the proposed project includes a Zoning Code Amendment and Local Coastal Program Amendment to revise the definition of tattoo parlor, allow tattoo parlors as a permitted use by-right in all commercial zoning districts, establish new special development standards for tattoo parlors, remove the tattoo parlor land use specific conditions and establish a new zoning clearance process for land uses that are permitted by-right.

Located in the City of Redondo Beach, County of Los Angeles, California, the proposed project consists of six separate additions totaling 150,000 square feet for the purpose of creating new manufacturing and test bays with new offices, labs, and control rooms.

A public hearing is scheduled for January 18, 2017 at 7:00 p.m. in the City Council Chambers, located at 415 Diamond Street, Redondo Beach, California 90277.
Located in the City of Los Angeles, County of Los Angeles, California, the proposed project includes the construction of a mixed-use development with 270 residential units, approximately 12,120 square feet (sf) of neighborhood-serving commercial retail and restaurant uses, and a minimum of 361 vehicle parking spaces on a 1.24 acre site. The new building would comprise approximately 243,315 square feet (sf) of floor area. The proposed uses would be located within a seven-story building with ground level and subterranean parking below.

Located in unincorporated San Bernardino County, California, the proposed project includes the development of a new warehouse facility, the realignment of Lytle Creek Road, and the annexation of these and additional areas into the City of Fontana. The proposed warehouse will total 1,175,720 square feet, including two office spaces and other associated amenities on a 76 acre site.

A public scoping meeting will be held on January 31, 2018 at 5:00 p.m. at the Development Services Office Building, located at 8353 Sierra Avenue, Fontana, CA, 92335.
Located in the San Juan Creek Watershed, in the cities of San Juan Capistrano and Dana Point, County of Orange, California the proposed project includes implementation of an integrated water resources management plan intended to maximize beneficial uses of the San Juan Groundwater Basin. The primary goals include: (1) continued implementation of the on-going Adaptive Production Management (APM) for monitoring and reporting purposes; (2) construction of rubber dams within San Juan Creek and the Arroyo Trabuco to increase stormwater recharge and provide future recharge sites from instream recharge of recycled water; and (3) construction of recycled water recharge and recovery facilities and conversion of private groundwater pumpers to alternative sources of water. The San Juan Watershed Project would be conducted in multiple phases.

A public meeting will be held on January 30, 2018 at 6:00 p.m. at the San Juan Capistrano Community Center, located at 25925 Camino Del Avion, San Juan Capistrano, CA 92675.
Project Description: Notice of Availability of a Draft Environmental Impact Report/Environmental Assessment

Located in the City of Oxnard, County of Ventura, California, the proposed project includes the construction of a grade separation of Rice Avenue where it crosses over State Route 34 and the Union Pacific Railroad tracks. The project improvements are proposed along SR-34 (Fifth Street) from Post Mile (PM) 6.27 to PM 6.77, and along Rice Avenue for approximately 0.4 miles to the north and south of the Rice Avenue/SR-34 (Fifth Street) intersection.

A public hearing will be held on January 31, 2018, at 6:00 p.m. at the City of Oxnard Council Chambers, located at 305 West 3rd Street, Oxnard, California 93030.

Project Title: Calabasas Municipal Code Section 17.60.055 - Community Development Forums
Reg. Significance: No
Lead Agency: City of Calabasas
City / Jurisdiction / Subregion: Calabasas / LOS ANGELES COUNTY / Las Virgenes
Contact: Tom Bartlett - (818) 878-4225
Comment Due Date: Notice of Public Hearing
Project Description: Notice of Public Hearing

Located in the City of Calabasas, County of Los Angeles, California, the proposed project includes consideration of adoption of a Planning Commission resolution recommending that the City Council adopt an ordinance amending Chapter 17.6 of the Calabasas Municipal Code, adding a new section, Section 17.60.055, requiring applicants/developers of certain larger development projects to conduct Community Development Forums before formal consideration of the project by the City's official decision making bodies.

A public hearing will be held on January 18, 2018, at 7:00 p.m. at the City Council Chambers, located at 100 Civic Center Way, Calabasas, California.
Notice of Availability of a Final Environmental Assessment and Finding of No Significant Impact

Located in the City of Coachella, County of Riverside, California, the proposed project includes the construction of a road crossing (bridge), utility extensions, drainage infrastructure, and a segment of roadway across the Canal.

Notice of Availability of a Draft Environmental Impact Report and Notice of Public Hearing

The project proposes to construct a new two-lane roadway from the intersection of Westward Avenue and Hathaway Street in the City of Banning to the intersection of Apache Trail and Bonita Avenue in the City of Cabazon (unincorporated Riverside County). The project is located within the unincorporated areas of the County of Riverside, City of Banning, and (in some alternatives) the Morongo Indian Reservation.

A public hearing will be held on January 25, 2018 at 5:00 p.m. at Banning High School, located at 100 W. Westward Way, Banning, CA 92220.
Located on tribal land in the City of Cathedral City, County of Riverside, California, the proposed project consists of development and operation of a gaming facility and ancillary amenities on 13 acres of previously-developed land. The proposed project would be designed and constructed in multiple phases and would ultimately include a casino, parking, bars, restaurants, retail, and mixed-use space.

A public hearing is scheduled for January 18, 2018 at 6:00 p.m. at the DoubleTree by Hilton, located at 67967 Vista Chino, Cathedral City, California 92234.

Located in the City of Desert Hot Springs, County of Riverside, California, the proposed project consists of development and operation of a gaming facility and ancillary amenities on 13 acres of previously-developed land. The proposed project would be designed and constructed in multiple phases and would ultimately include a casino, parking, bars, restaurants, retail, and mixed-use space.

A public hearing is scheduled for January 18, 2018 at 6:00 p.m. at the DoubleTree by Hilton, located at 67967 Vista Chino, Cathedral City, California 92234.

Located in the City of Desert Hot Springs, County of Riverside, California, the proposed project consists of development and operation of a gaming facility and ancillary amenities on 13 acres of previously-developed land. A public hearing is scheduled for January 18, 2018 at 6:00 p.m. at the DoubleTree by Hilton, located at 67967 Vista Chino, Cathedral City, California 92234.
Located in the western portion of Shavers Valley, in unincorporated Riverside County, the proposed project is a Specific Plan that includes approximately 5,000 acres, where 1,850 acres are proposed for development and over 3,100 acres are to be natural open space. The new town will be under the Eastern Coachella Valley Area Plan and will provide for an estimated 8,500 residential units, about 1.38 million square feet (sf) of non-residential land uses (including commercial office, retail, hotels, light industrial and public facilities) and approximately 110 acres of recreational trails and parks.
Project Description: Notice of Preparation of a Draft Environmental Impact Report and Notice of Public Scoping Meeting

Located in the City of Santa Monica, County of Los Angeles, California, the proposed project includes the partial demolition and adaptive reuse of an existing funeral home and chapel facility and the construction of a 3-story, 45-foot building of approximately 59,548 sqft. Two vacant residential structures on the site will also be demolished. When completed, the proposed project would include a total of 67,513 sqft, including 53,091 sqft of research and development space, 17,702 sqft of clinic/office space, and 8,239 sqft of meeting and conference space.

A public scoping meeting will be held on January 18, 2018 at 6:00 p.m. in the auditorium at McKinley Elementary School, located at 2401 Santa Monica Boulevard, Santa Monica, CA 90404.

Comment Due Date: Notice of Availability of a Final Environmental Impact Report
Project Description: Sunset & Everett Mixed-Use Development Project and Everett Small Lot Subdivision

Located in the City of Los Angeles, County of Los Angeles, California, the proposed project includes construction of 1) a mixed use residential/retail development consisting of two buildings and 2) a Small Lot Subdivision located along Everett Street. All existing buildings, including a warehouse, a 2-unit apartment building, a commercial building, a two stall car wash, and three single family homes, will be demolished. Buildings A and B of the mixed use development consists of a total of 204 residential units, 11,334 square feet of retail, a total of 294 parking spaces and 232 bicycle parking spaces. The subdivision fronting Everett Street will construct six single family residences.
Located in the City of Glendale, County of Los Angeles, California, the proposed project includes the South Glendale Community Plan (SGCP) which is one of four community plans planned for or already adopted by the City and encompasses 2,173 acres. The proposed project also includes modifying the City Zoning Ordinance and Zoning Map. Changes include an addition of five new zones and corresponding development regulations; the new zones would accommodate medium to high density and mixed use TOD at key centers and corridors within the community.

A public scoping meeting will be held on March 7, 2018 at 5:00 p.m. at the Municipal Services Building, Room 105, located at 633 East Broadway, Glendale, California.
Project Description: Notice of Intent to Adopt a Mitigated Negative Declaration

Located in the City of Lakewood, County of Los Angeles, California, the proposed project includes the development of a car wash and car services building on a 1.06 acre project site. The existing building on site will be converted to a 2,723-square foot (sf) car wash building with a main car wash tunnel, equipment and storage rooms, bathroom, an office, and other improvements. The proposed project will also construct a new 2,740-sf car service building with five service bays. The entire development will provide 27 parking spaces and 16 self-service vacuum stations covered with canopies.

This notice relates to a project that was initially proposed in 2017. Due to minor changes in the project's development footprint, the lead agency has elected to release a new notice with updated square footage estimates.

A public hearing is scheduled for February 1, 2018 at 7:00 p.m. in the Lakewood City Council Chambers at the Centre at Sycamore Plaza, located at 5000 Clark Avenue, Lakewood, California.

Project Description: Notice of Public Hearing

Located in the City of West Hollywood, County of Los Angeles, California, the proposed project consists of the construction of a multi-use hotel of approximately 262,315 square feet that would vary from 3 to 9 stories in height. The hotel would have 141 guestrooms as well as retail space, restaurant space, outdoor dining, hotel meeting spaces, a nightclub, a gym and spa, back-of-house areas, a lobby, circulation space, and design showroom space. Construction would involve retention and rehabilitation of a portion of one of the existing on-site structures, demolition of two existing on-site structures, and incorporation of two existing on-site structures into the project.

A meeting of the Historic Preservation Commission is scheduled for January 22, 2017 at 7:00 p.m. at Plummer Park Community Center, Rooms 5 and 6, located at 7377 Santa Monica Boulevard, West Hollywood, California 90046.
Project Description:
Located in unincorporated Riverside County, California, the proposed project consists of a specific plan for an off road motorsports facility consisting of several off-road motocross tracks and short course off road track for race trucks and UTVs on a 163-acre project site.

A public scoping meeting is scheduled for January 22, 2018 at 1:30 p.m. within Conference Room 2A, located at 4080 Lemon Street, 1st Floor, Riverside, California 92501.

Project Description:
Located in the City of Calabasas, County of Los Angeles, California, the proposed project includes consideration of adoption of a Planning Commission resolution recommending that the City Council adopt an ordinance amending Chapter 17.6 of the Calabasas Municipal Code, adding a new section, Section 17.60.055, requiring applicants/developers of certain larger development projects to conduct Community Development Forums before formal consideration of the project by the City’s official decision making bodies.

This is a revised notice. The January 18, 2018 public hearing has been rescheduled to February 1, 2018 at 7:00 p.m. at the City Council Chambers, located at 100 Civic Center Way, Calabasas, California.
Project Description:
Located in the City of Long Beach, County of Los Angeles, California, the proposed project includes the expansion of an existing rail facility located at Pier B. The proposed project would provide for additional railcar storage and staging capacity, including additional rail tracks for locomotive fueling and railcar repair to accommodate more efficient assembly of cargo trains up to 10,000 feet long. The proposed project would require realignment of Pier B Street, closure of the existing 9th Street grade crossing, and removal of existing ramps to and from the Shoemaker Bridge.

A public hearing is scheduled for January 22, 2018 at 6:00 p.m. at the Port of Long Beach Interim Administrative Offices, Harbor Commission Board Room, located at 4801 Airport Plaza Drive, Long Beach, California.

Project Description:
Located in the City of Hemet, County of San Bernardino, California, the proposed project consists of a residential subdivision that would divide 5.33 acres into 20 single-family residential lots and two lettered lots.
Beaumont Wastewater Treatment Plant Upgrade/Expansion and Brine Disposal Pipeline Project

Located in the City of Beaumont, County of Riverside, California, the proposed project includes upgrading the treatment system and expanding the capacity of the City's wastewater treatment plant, as well as the construction of a 12-inch diameter, 23-mile brine waste pipeline connecting to the Inland Empire Brine Line.

A public hearing will be held on March 6, 2018 at 6:00 p.m. in the Council Chambers at 550 E. 6th Street, Beaumont, CA 92223.

---

Banning Distribution Center

Located in the City of Banning, County of Riverside, California, the proposed project includes the construction and operation of approximately 1,000,000 sq. ft. of industrial warehouse and distribution center uses on a site of approximately 63.9 acres. The proposed project requires a General Plan amendment and zone change from Public Facilities - Airport (PF-A) to Airport Industrial (A-I).

A public scoping meeting will be held on February 6th, 2018 at 5:30 p.m. at the City Council Chambers, located at 99 E Ramsey Street, Banning, CA 92220.
Notice of Intent to Adopt a Mitigated Negative Declaration

Located in the City of Whittier, County of Los Angeles, California, the proposed project consists of intersection improvements to address existing traffic deficiencies and implement improvements consistent with the City’s General Plan Transportation Element. Improvements would include an additional eastbound and westbound through lane on Whittier Boulevard, increased eastbound and westbound left turn storage length, and an additional southbound right-turn lane on Painter Avenue.

A public hearing is scheduled for March 27, 2018 at 6:30 p.m. in the City Council Chambers, located at 13230 Penn Street, Whittier, California.

Power Plant 1 and Power Plant 2 Transmission Line Conversion Project

Located in Los Angeles, County of Los Angeles, California, the proposed project consists of improving existing transmission lines to meet current and future energy needs. Improvements would include upgrading existing poles and transmission lines.

A public hearing is scheduled for March 13, 2018 at 6:30 p.m. in the City Council Chambers, located at 13230 Penn Street, Whittier, California.
Project Description: Notice of Preparation of a Draft Environmental Impact Report

Located in the City of Los Angeles, County of Los Angeles, California, the proposed project consists of replacing a 12-mile segment of an existing 115 kilovolt double circuit transmission line with a new 230 kV double circuitry transmission line. The purpose of the proposed project is to increase the transmission capacity between Haskell Canyon Switching Station and Sylmar Switching Station so that additional renewable energy supplies can be transmitted to the Los Angeles basin.

A public scoping meeting is scheduled for February 7, 2018 at 6:00 p.m. at The Centre, Sycamore Rooms A/B, located at 20880 Centre Pointe Parkway, Santa Clarita, California 91351.

Project Title: South Pasadena General Plan and Downtown Specific Plan Update

Reg. Significance: Yes

City / Jurisdiction / Subregion: South Pasadena / LOS ANGELES COUNTY / San Gabriel Valley

Contact: David Watkins, AICP - (626) 403-7220

Comment Due Date: 2018-02-23

Project Description: Notice of Preparation of a Draft Program Environmental Impact Report

Located in the City of South Pasadena, County of Los Angeles, California, the proposed project includes a General Plan update for the 2040 horizon year addressing land use and future development capacity, as well as an update of the Downtown Specific Plan, formerly known as the Mission Street Specific Plan. The plan does not include an update to the Housing Element, as it was updated in 2014. The Plan's maximum growth projections include 500 residential dwelling units, 150,000 sq. ft. of retail space, and 300,000 sq. ft. of office space in five specified areas.

A public scoping meeting will be held on February 5th, 2018 at 7:00 p.m. in the South Pasadena Community Room, located at 1115 El Centro Street, South Pasadena, CA 91030.
Located in the City of La Quinta, County of Riverside, California, the proposed project includes the development of a master planned community of approximately 878 acres, containing a mix of uses including up to 1,200 dwelling units, a resort facility with up to 100 rooms, recreational uses such as a golf facility with clubhouse and 12-hole golf course, parks, a public trail system, and open space. 162.5 acres of the space would remain as natural/restricted open space.

A public scoping meeting will be held on January 17, 2018 at 6:00 p.m. at the Polo Club Clubhouse, located at 51750 Polo Club Drive, Indio, CA, 92201.

Located in the City of Glendora, County of Los Angeles, California, the proposed project consists of a new specific plan for a 2.73 mile portion of Arrow Highway in the southern portion of the City of Glendora. The specific plan identifies the long-term vision and objectives for land use development and public improvement along this stretch of road. It is estimated that the Specific Plan will support development of over 978,700 (projected) and 430,600 (expected) square feet of commercial and industrial development, 1,412 (projected) and 648 (expected) dwelling units, and 8.6 acres of open space.
Located in the City of Desert Hot Springs, County of Riverside, California, the proposed project consists of a new specific plan for an area encompassing 123.4 acres. The proposed project would feature 2 planning areas consisting of up to 1,538,757 square feet (sf) of mixed use-industrial, 359,042 sf of mixed-use commercial, and 19.8 acres of open space; it would also allow for the development of up 150 hotel rooms. The land uses permitted under the proposed project would allow for the development of a master-planned industrial and technology business park with freeway-oriented commercial and hospitality uses. The proposed project would also help address the growing demand for marijuana cultivation in the greater Coachella Valley.
**Project Description:** Notice of Public Hearing

Located in unincorporated County of Los Angeles, California, the proposed project is a Specific Plan that will involve implementation of the previously approved NorthLake Specific Plan. The NorthLake Specific Plan site comprises approximately 1,330 acres of undeveloped land in unincorporated Los Angeles County. The proposed project would involve development of up to 345 acres of residential uses (3,150 units), 4.4 acres of commercial uses (67,000 square feet), 17.5 acres of industrial uses (305,000 square feet), 880.3 acres of parks and open space (including manufactured slopes), and public facility uses if required including potential middle school, library, and fire department facilities that will support project residents.

A public hearing will be held on February 21, 2018 at 9:00 a.m. in Room 150 at the Hall of Records, located at 320 West Temple Street, Los Angeles, CA, 90012.

**Comment Due Date:** 2018-02-13

**Project Description:** Notice of Preparation of a Draft Environmental Impact Report

Located in the City of San Juan Capistrano, County of Orange, California, the proposed project includes the development of just under 65,000 total square feet (sf) of retail and office space on a 5.6 acre parcel, containing a 23,100 sf marketplace, an 18,800 sf mercantile, a 10,900 sf greenhouse, a 7,500 sf barn, and 4,600 sf farmstead. The five buildings would surround a common area with seating, a vegetable garden, and other amenities. The project also includes 292 surface parking spaces, including 7 ADA-compliant spaces, accessed via Paseo Adelanto and a smaller entrance on Los Rios Street. Vehicular traffic along River Street would be restricted only to emergency vehicles, and converted from existing asphalt to a decomposed granite path. The proposed project also includes an amendment to the Los Rios Specific Plan to accommodate the development.

A public scoping meeting will be held on January 24th, 2018 at 5:00 p.m. at the Community Center Community Hall, located at 25925 Camino Del Avion, San Juan Capistrano, CA 92675.
Located in the City of Santa Monica, County of Los Angeles, California, the proposed project includes the demolition of an existing automobile sales/service facility and parking lot and the construction of a 18,854 sq. ft., 2-story commercial building up to 32 ft. in height, including a mix of office space and ground floor retail or restaurant uses fronting Pico Boulevard. The project also includes a 2-level underground parking garage, including 61 vehicle spaces, 12 long-term bicycle spaces, and 8 short-term bicycle spaces, accessed by a ramp off of Dorchester Avenue.
Project Description: Notice of Availability of a Draft Environmental Impact Report

Located in the City of Norwalk, County of Los Angeles, California, the proposed project would consist of replacing the existing grass field with synthetic turf and developing new athletic fields for soccer, football, baseball, softball, and track and field. The project proposes a new 2,500-seat lighted football/soccer and track and field stadium that meets all CIF standards; various lighted practice fields; approximately 8,162 SF of support buildings including concession stands, team rooms, restrooms and storage facilities resulting in approximately 91,643 SF of unprogrammed recreational space within the athletic field footprint. The project will include the addition of 89 parking spaces to the existing surface parking lot, resulting in a total of 433 spaces.

A public scoping meeting will be held on March 1, 2018 at 6:00 p.m. in the Norwalk High School Library, located at 11356 Leffingwell Road, Norwalk, CA 90650.

Project Description: Notice of Comment Period Extension

Located in the City of Los Angeles, County of Los Angeles, California the proposed project consists of a mixed use development across two parcels on a 8.08-acre site. Existing structures on the site would be demolished. The proposed project would include 920 residential units, 17,941 square feet (sf) of neighborhood-serving retail uses, and approximately 5,465 sf of leasing offices. The project would also provide 1,783 parking spaces and 141,328 sf of open space.

The comment period has been extended to February 28, 2018.
Located across the South Coast Air Quality Management District in California, the proposed project consists of a proposed amended rule that proposes new requirements for hexavalent chromium-containing tanks that are not currently regulated. The proposal requires air pollution controls for hexavalent chromium-containing tanks that have the potential to emit hexavalent chromium.

A public workshop and scoping meeting is scheduled for February 8, 2018 at 2:00 p.m. at SCAQMD Headquarters Auditorium, located at 21865 Copley Drive, Diamond Bar, California 91765.

Located in the City of Los Angeles, County of Los Angeles, California, the proposed project consists of an amendment to the UCLA Long Range Development Plan (LRDP) to add 1.5 million gross square feet (sf) to the UCLA campus allocation for development. Amendment #6 of the UCLA LRDP will have a significant effect on the environment and a Subsequent Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
Located in the City of Los Angeles, County of Los Angeles, California, the proposed project consists of the demolition of two housing maintenance support facilities totaling 12,000 gross square feet (gsf) and construction of a new, approximately 343,000 gsf residence hall with approximately 1,780 beds. The Lot 15 Residence Hall project is part of Amendment #6 of the UCLA Long Range Development Plan (LRDP) to add 1.5 million gross square feet (sf) to the UCLA campus allocation for development.

Located in the City of Los Angeles, County of Los Angeles, California, the proposed project consists of the demolition of the University Extension Building, a 93,500 gross square foot (gsf) seismically deficient structure built in 1971 and construction of a new, approximately 302,000 gsf apartment building with 190 units. The 10995 Le Conte Apartments project is part of Amendment #6 of the UCLA Long Range Development Plan (LRDP) to add 1.5 million gross square feet (sf) to the UCLA campus allocation for development.

Project Description: Notice of Availability of a Final Environmental Impact Report

Located in the City of Redondo Beach, County of Los Angeles, California, the proposed project consists of modifications and additions to an existing 29.85-acre enclosed mall property. Retail square footage would increase by up to 224,464 square feet. The proposed project also includes a new hotel of up to 150 rooms and up to 650 new residential apartments. Overall density of the development on the site (including retail, office, hotel, and housing) will increase to a maximum of 1,950,565 sf of building floor area.

A public hearing will be held on February 15, 2018 at 7:00 p.m. at the City Council Chambers, located at 415 Diamond Street, Redondo Beach, California 90277.
Located in the western portion of Los Angeles County, in the City of Santa Monica, the proposed project would be an extension to the Pier Bridge structure west on Colorado Avenue from the intersection of Ocean Avenue and Colorado Avenue and connects to the Santa Monica Pier. Built in 1939 and near the end of its useful life, the Pier Bridge is with a sufficiency rating lower than 25 out of 100; thereby is considered to be structurally deficient and functionally obsolete.

Implementation of the proposed project would be primarily for seismic safety to improve the structural stability of the Pier Bridge. The project would also address vehicular and pedestrian congestion and safety concerns at the Bridge.

Three alternatives are being developed to address the reconstruction of the Pier Bridge. Under Alternative 1 and 2, the existing bridge would be demolished and a new wider bridge would be constructed in the same location. The replacement bridge would feature separate lanes for pedestrians, bicycles, and vehicles. The difference between these two alternatives is the location of the temporary bridge during construction of the replacement bridge. Under Alternative 3, two permanent bridges would be constructed. The new permanent bridge would be constructed for public vehicular access to the Pier parking and would be used during construction of the Pier Bridge replacement bridge, as well as permanently as the main vehicular access to the Pier. The existing Pier Bridge would be demolished and a new bridge would be built with the same current width but would be designed primarily for pedestrian and bicycle traffic.

The comment period due date has been extended to March 15, 2018.
Located in the City of Rancho Mirage, County of Riverside, California, the proposed project includes the expansion of the Agua Caliente Casino Resort Spa (ACCRS) gaming area by up to 58,000 square feet (sf), meeting space by up to 41,000 sf, food/beverage/retail space by up to 25,000 sf, and the development of up to 310 new hotel rooms in 364,000 sf of hotel space on 56 acres of Tribal Trust land.

Located in the City of Agoura Hills, County of Los Angeles, California, the proposed project includes the construction of a two-story, 71,020 square foot building for a senior assisted living and memory care facility on a 5.7 acre site. The building will have 75 units and an anticipated resident population of 86 persons. Resident amenities, such as cooking and dining facilities, activity rooms, beauty salon, library, fitness center, private theater, and outside courtyards, including an outdoor dining area, would be provided. The facility would also operate a 20+ passenger shuttle bus, as well as a smaller vehicle, for local trips.

A public hearing will be held on February 15, 2018 at 6:30 p.m. in the City of Agoura Hills Council Chambers, located at 30001 Ladyface Court, Agoura Hills, CA 91301.
Located in the City of Perris, County of Riverside, California, the proposed project includes the construction of a 1,189,860 square foot warehouse with 20,000 square feet (sf) for office space and 1,169,860 sf for warehouse distribution uses. There will be approximately 187 dock doors total and 510 parking spaces on a 55 acre project site. The proposed project also consists of a Specific Plan Amendment to the Perris Valley Commerce Center Specific Plan to change the land use designation for the project site from Business Professional Office to Light Industrial and amend the Circulation Plan to accommodate changes for the proposed project.

Located in the City of Tustin, County of Orange, California, the proposed program consists of a comprehensive plan for the specified area that will include a complementary mix of land uses, including residential, retail and commercial, that will capitalized on the area's current land use, transportation, and infrastructure opportunities. Within a footprint of approximately 40 acres, the Specific Plan would provide for an estimated threshold of potential new growth that includes the addition of approximately 500 residential units and 325,000 square feet of non-residential uses.

A community workshop will be held on February 20, 2018 at 4:30 p.m. in the City of Tustin Council Chamber, located at 300 Centennial Way, Tustin, CA 92780.
Located in unincorporated Riverside County, California, the proposed project consists of a General Plan Amendment, Zone Change, and Plot Plan. The General Plan Amendment will redesignate and rezone the project site as Industrial (I) to facilitate the construction of an approximately 709,083 square feet (sf) industrial warehouse building and 407 associated parking spaces.

A public hearing will be held on February 14, 2018 at 3:00 p.m. in the March Joint Powers Authority Boardroom, located at 14205 Meridian Parkway, Suite 110, Riverside, CA 92518.

Located in the City of Highland, County of San Bernardino, California, the proposed project is an update the city’s general plan land use designations and zoning change for approximately 192 acres of existing Agricultural/Equestrian and Public/Quasi-public to become Open Space, and for approximately 125 acres of existing Agricultural/Equestrian to Planned Development - Residential Overlay.
Greenspot Road/Pole Line Road General Plan Land Use Amendment and Zoning Amendment

City of Highland
Highland / SAN BERNARDINO COUNTY / San Bernardino
Ignacio Rincon - (909) 864-8732 x210

Notice of Intent to Adopt a Negative Declaration
Located in the City of Highland, County of San Bernardino, California, the proposed project is an update the city's general plan land use designations and zoning change for approximately 192 acres of existing Agricultural/Equestrian and Public/Quasi-public to become Open Space, and for approximately 125 acres of existing Agricultural/Equestrian to Planned Development - Residential Overlay.

West Valley Logistics Center Specific Plan (formerly West Valley Logistics Center)

City of Fontana
Fontana / SAN BERNARDINO COUNTY / San Bernardino
Orlando Hernandez - (909) 350-6602

Notice of Availability of a Second Recirculated Draft Environmental Impact Report
Located in the City of Fontana, County of San Bernardino, California, the proposed project includes a specific plan for the development of approximately 291 acres with warehouse and open space uses. The West Valley Logistics Center Specific Plan (WVL CSP) will replace the Valley Trails Specific Plan and allow up to 3,473,690 square feet of warehouse distribution uses.

Project Description: Notice of Public Hearing

Located in the City of Los Angeles, County of Los Angeles, California, the proposed project includes a 3,700 sq. ft. microbrewery with tasting room and retail gift shop, with indoor seating for 28 patrons. The proposed project requires a conditional use permit for the sale and on-site and off-site consumption of beer and wine.

A public hearing will be held on February 20, 2018 at 10:30 a.m. in the first floor conference room at the Marvin Braude Building, located at 6262 Van Nuys Boulevard, Van Nuys, CA 91401.
Located in the City of Hidden Hills, County of Los Angeles, California, the proposed project consists of the subdivision of an approximately 16.9 acre site into seven lots for custom single-family residence, as well as an additional lot for an internal road. The proposed lots would range in size from 1.2 to 4.3 acres with an average lot size of 2.3 acres. Project development would also involve extension of Bridle Trail Road, creation of internal streets to access the lots, extension of existing association-maintained bridle trails (horse riding trails), and additional improvements necessary to serve each parcel with public utilities. The project would include annexation of an approximately eight-acre parcel that is currently part of unincorporated Los Angeles County and is within the City's Sphere of Influence.

A public community workshop will be held on February 8, 2018 at 6:30 p.m. at the Hidden Hills City Council Chambers, located at 6165 Spring Valley Road, Hidden Hills, CA 91302.
Project Description: Notice of Availability of a Corrective Measures Study

Located in the City of Vernon, County of Los Angeles, California, the proposed project consists of corrective action for a 15.889-acre site. The site has been investigated and some areas have been identified as potentially requiring corrective action, further sampling, and/or monitoring. These areas and a plan to clean up contamination in these areas will be proposed and carried out in order to protect human health and the environment. The corrective action for this Property includes issuance of a Land Use Covenant that prohibits the use of the property for sensitive uses, prohibits the use of groundwater requires the implementation of a cap over any contaminated areas, and requires a building vapor protection system.

Project Description: Los Angeles International Airport (LAX) Landside Access Modernization Program

Located in Los Angeles International Airport (LAX), in the City of Los Angeles, California, the proposed project would create an Automated People Mover (APM) system with 6 stations, which would provide access to the Central Terminal Area (CTA) for passengers, employers and other users of LAX 24 hours/day. Other components would include Consolidated Rental Car Facility (CONRAC), two inter-modal transportation facilities (ITF) providing airport parking and pick-up and drop-off areas for private vehicles and commercial shuttles. In addition the APM system would include a station at the multi-modal/transit facility at 96th street/Aviation Boulevard planned by Metro as a separate and independent project to provide the opportunity for passengers to access the Metro regional rail system.
Local Agency Formation Commission for San Bernardino County

Project Description: LAFCO February 21, 2018 Hearing

Located in the County of San Bernardino, California, the Local Agency Formation Commission has enclosed in this package the final agenda for its February 21, 2018 meeting.

The public hearing is scheduled for 9 a.m. at the Norton Regional Event Center, located at 1601 East Third Street #1000, San Bernardino, California.

Burroughs Middle School Comprehensive Modernization Project

Project Description: Notice of Preparation of a Draft Environmental Impact Report

Located in the City of Los Angeles, County of Los Angeles, California, the proposed project consists of renovations, modernizations, and new construction at Burroughs Middle School, on a 10.4-acre site. The proposed project is designed to address the most critical physical concerns of the building and grounds at the campus while upgrading, renovating, modernizing, and reconfiguring the campus to provide facilities that are safe, secure, and better aligned with the current instructional program.

A public scoping meeting is scheduled for February 28, 2018 at 6:00 p.m. in the auditorium at Burroughs Middle School, located at 600 S. McCadden Place, Los Angeles, California.
Located across the South Coast Air Quality Management District in California, the proposed project consists of a proposed amended rule that proposes new requirements for hexavalent chromium-containing tanks that are not currently regulated. The proposal requires air pollution controls for hexavalent chromium-containing tanks that have the potential to emit hexavalent chromium.

A SCAQMD Governing Board Hearing is scheduled for April 6, 2018, at 9:00 p.m. at SCAQMD Headquarters Auditorium, located at 21865 Copley Drive, Diamond Bar, California 91765.

Located in the City of Jurupa Valley, County of Riverside, California, the proposed project includes the adoption of a City ordinance prohibiting medium-heavy- and heavy-heavy-duty trucks with a gross vehicle weight rating of over 16,000 pounds from accessing Etiwanda Avenue between SR-60 and Hopkins Street, and Country Village Road between SR-60 and Philadelphia Avenue.

A public scoping meeting will be held on March 1, 2018 at 3:00 p.m. at Jurupa Valley City Hall, located at 8930 Limonite Avenue, Jurupa Valley, CA 92509.

2018-02-16

California Department of Transportation

Located in the City of Lancaster, County of Los Angeles, California, the proposed project includes improvements to the interchange at SR-14 and Avenue M to improve safety, access, and operation for multi-modal use, requiring the widening of Avenue M between 20th Street West and 10th Street West.

IGR8626_ 11676

2018-02-16

City of Redondo Beach

Located in the City of Redondo Beach, County of Los Angeles, California, the proposed project consists of modifications and additions to an existing 29.85-acre enclosed mall property. Retail square footage would increase by up to 224,464 square feet. The proposed project also includes a new hotel of up to 150 rooms and up to 650 new residential apartments. Overall density of the development on the site (including retail, office, hotel, and housing) will increase to a maximum of 1,950,565 sf of building floor area.

A public hearing, previously scheduled for February 15, 2018, will be held on March 15, 2018 at 7:00 p.m. in the City Council Chambers, located at 415 Diamond Street, Redondo Beach, CA 90277.
Notice of Intent to Adopt a Mitigated Negative Declaration

Located in the City of Highland, County of San Bernardino, California, the proposed project includes the replacement of the existing Base Line Bridge with a new 95.5 foot wide bridge, containing 4 12-foot vehicle lanes, a 16-foot median, two 8-foot shoulders, and two 5-foot pedestrian corridors separated from the vehicle lanes by a concrete barrier. The proposed project will extend past the location of the existing bridge to accommodate the shoulders and pedestrian lanes and to meet current roadway design standards.

Notice of Availability of a Draft Sustainable Communities Environmental Assessment

Located in the City of Pasadena, County of Los Angeles, California, the proposed project includes a mixed use development with 550 apartment units and 9,800 square feet of retail space on an approximately 2 acre project site. A total of 782 vehicle parking spaces and 84 bicycle parking stalls would be provided.
Document Received: 2018-02-22

Project Description: Notice of Availability of a Draft Program Environmental Impact Report

Located in the City of Tustin, County of Orange, California, the proposed project includes a specific plan to promote pedestrian-oriented, first-floor commercial development, transform streets through streetscape, roadway, pedestrian, and bicycle-oriented improvements, embracing and preserving historic character, and introducing the possibility for mixed-use and multi-family development. The proposed plan area is divided into six Development Areas (DAs), reflecting the differences of each. The proposed plan provides for 300,000 sq. ft. of new non-residential space in the area, in addition to a maximum of 887 new dwelling units, divided between each of the DAs.

Document Received: 2018-02-22

Project Description: Notice of Public Hearing

Located in the City of West Hollywood, County of Los Angeles, California, the proposed project includes the development of a hotel project on Robertson Lane.

Comment Due Date: 2018-04-02

Comment Due Date:
Located in the City of West Hollywood, County of Los Angeles, California, the proposed project consists of the construction of a multi-use hotel of approximately 262,315 square feet that would vary from 3 to 9 stories in height. The hotel would have 141 guestrooms as well as retail space, restaurant space, outdoor dining, hotel meeting spaces, a nightclub, a gym and spa, back-of-house areas, a lobby, circulation space, and design showroom space. Construction would involve retention and rehabilitation of a portion of one of the existing on-site structures, demolition of two existing on-site structures, and incorporation of two existing on-site structures into the project.

A public hearing will be held on March 1, 2018 at 6:30 p.m. at the West Hollywood Park Public Meeting Room - Council Chambers, located at 625 N. San Vicente Boulevard, West Hollywood, CA 90069.

Comment Due Date: Notice of Cancellation of a Public Hearing

Located in the City of Redondo Beach, County of Los Angeles, California, the proposed project consists of modifications and additions to an existing 29.85-acre enclosed mall property. Retail square footage would increase by up to 224,464 square feet. The proposed project also includes a new hotel of up to 150 rooms and up to 650 new residential apartments. Overall density of the development on the site (including retail, office, hotel, and housing) will increase to a maximum of 1,950,565 sf of building floor area.

The public hearing scheduled for February 15, 2018 at 7:00 p.m. has been cancelled, and will now take place on March 15, 2018 at 7:00 p.m. in the City Council Chambers, located at 415 Diamond Street, Redondo Beach, CA 90277.
Located in the City of Stanton, County of Orange, California, the proposed project consists of a 98-megawatt hybrid electrical generating and battery energy storage facility on 3.98 acres. The facility would include LM6000-based enhance gas turbines. The project would interconnect to Southern California Edison's Barre Substation via a .35 mile-long underground generator tie-line that runs from the proposed project site east to the substation. The issuance of certificate by the California Energy Commission would be in lieu of any local or state permit, and federal permit to the extent permitted by federal law.

The South Coast Air Quality Management District (SCAQMD) has received and evaluated permits related to the proposed project, determined that it complies with SCAQMD's regulations, and will issue the permits at the completion of the review period.

Located in the City of Palmdale, County of Los Angeles, California, the proposed project consists of a mixed use development on 25.3 acres of land. The project would create a comprehensive land use plan for the development of a multi-family residential community and a neighborhood shopping center across two parcels. Up to 164 units of multi-family housing and 107,782 square feet of commercial floor area would be developed; up to 580 parking spaces would be provided.
Located in the City of Santa Clarita, County of Los Angeles, California, the proposed project consists of a conditional use permit tattoo business in an existing 1,200-square foot tenant space.

A public hearing is scheduled before the City Planning Commission for March 6, 2018 at 6:00 p.m. at City Hall Council Chambers, located at 23920 Valencia Boulevard, 1st Floor, Santa Clarita, California 91355.
**Project Description:**

Notice of Intent to Adopt a Mitigated Negative Declaration and Notice of Public Hearing

Located in the City of Whittier, County of California, the proposed project consists of intersection improvements that would add a northbound left-turn lane along Colima Road; increase southbound left- and right-turn storage along Colima Road; construct new curb and gutter and sidewalks on the northbound side of Colima Road in the southeast quadrants of the intersection; increase the westbound left-turn storage along Whittier Boulevard; provide a westbound right-turn pocket along Whittier Boulevard, and construct a new retaining wall, new curb and gutter, and sidewalks on the westbound side of Whittier Boulevard in the northeast quadrants of the intersection.

A public hearing is scheduled for April 24, 2018 at 6:30 p.m. in the City Council Chambers, located 13230 Penn Street, Whittier, California.

**Project Description:**

Notice of Availability of a Draft Program Environmental Impact Report

Located in the Cities of Fountain Valley and Huntington Beach, County of Orange, California, the proposed project consists of upgrades to and construction of new biosolids handling facilities to be implemented over a 20-year planning period. The nine individual projects that would be implemented under the Master Plan would provide for flexible and sustainable biosolids handling to accommodate increased wastewater treatment for the future.

A public meeting is scheduled for March 15, 2018 at 6:00 p.m. at Orange County Sanitation District Plan No. 2, Operations Center Training and Conference Room, located at 22212 Brookhurst Street, Huntington Beach, California 92646.
Project Description: Notice of Preparation of a Draft Environmental Impact Report

Located in the City of Bradbury, County of Los Angeles, California, the proposed project is a Specific Plan that would guide the development of 197.7 acres of an undeveloped hillside site in Bradbury. The Specific Plan would result in nine new residential estates (each estate would allow for a primary home and an accessory dwelling unit), a water storage tank, a loop access road, three bridges, conservation areas and landscaped recreational amenities such as trails and vista points. Approximately 85 acres (43 percent) would be developed and 113 (57 percent) would be preserved as open space through easements.

Document Received: 2018-02-26

Project Description: Notice of Preparation of a Draft Environmental Impact Report

Located in the City of Los Angeles, County of Los Angeles, California, the proposed project includes the construction of three new buildings on a 15.9 acre site, ranging from 5 to 18 stories and up to 300 feet in height, containing 626,500 sq. ft. of creative office and production support space and a 1,450 sq. ft. bike parking facility. The proposed project also includes 1,335 parking spaces, divided between one above- and below-grade parking structure, and two below-grade parking structures. The project requires the removal of 160,500 sq. ft. of existing creative office, production support, and soundstage uses.

A public scoping meeting will be held on March 6, 2018 at 5:00 p.m. at the Emerson College Bordy Center, located at 5960 Sunset Boulevard, Los Angeles, CA 90028.

Project Description: Notice of Availability of a Draft Supplemental Environmental Impact Report

Located in the Santa Clarita Valley in an unincorporated portion of the Los Angeles County north of the City of Santa Clarita, California, the proposed project consists of further development of a master planned community, with a final EIR that was approved in 1998. Phase A of the original EIR is fully built out, and Phase D is not included in this revised tract map. Phase B and C would include 828 residential lots in a master planned and partially gated community, which includes the originally approved 122 units for Phase B, 115 units approved for Phase C, the remaining balance of 475 lots from Phase A, and 2 lots from Phase D. The applicant is also requesting approval of an Administrative Housing Permit for a 14% density bonus to develop an additional 114 units, which is contingent on the provision of 365 age-qualified (senior) dwelling units.

A public hearing will be held on March 29, 2018 at 6:00 p.m. at the Tesoro del Valle Elementary School, located at 29171 Bernardo Way, Valencia, CA 91354.
