TO: Bylaws and Resolutions Committee

FROM: Hasan Ikhrata, Executive Director, (213) 236-1944, ikhrata@scag.ca.gov

SUBJECT: Proposed Bylaws Changes

EXECUTIVE DIRECTOR'S APPROVAL: [Signature]

RECOMMENDED ACTION:
That the Committee review the following proposed changes to the SCAG Bylaws, provide direction to staff and forward its recommendations to the Regional Council.

EXECUTIVE SUMMARY:
Each year, in preparation for the annual General Assembly meeting, proposed resolutions and proposed amendments to the SCAG Bylaws are considered by both the Bylaws and Resolutions Committee (Committee) and the Regional Council, prior to submission to the General Assembly. As part of its annual review of the Bylaws, staff is proposing several changes to the Bylaws as further outlined below. The Committee is requested to review these proposed changes to the Bylaws, provide direction to staff, and formally recommend approval to the Regional Council on March 1, 2013.

In addition, at the time this staff report was written, the deadline for proposed resolutions or Bylaws Amendments had not ended. Staff intends to prepare and distribute a supplemental staff report to the Committee prior to today’s meeting.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan Goal 1 (Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies), Objective c (Provide practical solutions for moving new ideas forward).

BACKGROUND:
Every year, staff reviews the SCAG Bylaws to determine necessary changes. Staff undertook a comprehensive review of the Bylaws this year for the purposes of seeking to clarify several existing provisions, to address matters which were raised to staff since last year, and to improve the overall efficiency of the agency. A marked-up version of the Bylaws denoting all the proposed changes is attached. In addition, a summary of the most significant changes is presented below and staff plans to review each of these staff-initiated changes with the Subcommittee at the time of the meeting:

1. Article I, G – Includes MPO responsibilities as functions of the Association (see page 1);

2. Article II, F – Includes a new term “Voting Eligible” defined as members of the Association who retain all voting rights as members (see page 2);

6. Article V, A(4)(h) – Specifies that Regional Council members may make information inquiries of the Executive Director or Association staff, but shall refrain from any actions or contacts that would interfere or be perceived to interfere with the powers and duties of the Executive Director (see page 11);

7. Article V, A (5) – Eliminates the Division of the House vote for Regional Council voting (see page 11-12);

14. Article VI, D – Clarifies that if the Nominating Committee cannot agree on one candidate to recommend to the Regional Council, all candidates for the respective office are presented to the RC (see page 19);
15. Article VII – Clarifies that Executive Director’s duties and responsibilities include oversight and approval of SCAG’s Personnel Rules, Procurement Manual and Accounting Manual, ensure compliance with Association’s MPO responsibilities, and that ED’s responsibilities might be included in the Policy Manual (see page 20);

16. Article VIII, C – Give the Executive Director the authority to reduce annual dues of a member by up to ten percent (10%) based upon documented financial hardship (see page 21);

SUBJECT: Proposed Bylaws Changes and Resolutions by General Assembly Delegates

EXECUTIVE DIRECTOR’S APPROVAL: [Signature]

RECOMMENDED ACTION: That the Bylaws and Resolution Committee (Committee) review the following proposed changes to the SCAG Bylaws; provide direction to staff; and forward its recommendations to the Regional Council.

EXECUTIVE SUMMARY: Each year, in preparation for the Annual General Assembly, proposed resolutions and proposed amendments to the SCAG Bylaws are considered by the Committee and the Regional Council prior to submission to the General Assembly. As part of its annual review of the Bylaws, General Assembly and Regional Council members are invited to submit proposed resolutions and Bylaws amendments. As of the February 1, 2013 deadline, three (3) proposed Bylaws amendment requests were received. Two (2) amendment proposals were submitted by the City of Santa Clarita. One amendment was submitted by Ventura County Supervisor Linda Parks. There were no proposed resolutions submitted or received by SCAG staff by the February 1 deadline. The Committee is requested to review these proposed changes to the Bylaws; provide direction to staff; and formally recommend approval to the Regional Council on March 1, 2013.

STRATEGIC PLAN: This item supports SCAG’s Strategic Plan Goal 1 (Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies), Objective c (Provide practical solutions for moving new ideas forward).

BACKGROUND:

The proposed Bylaw amendments submitted by members are summarized below:

Proposed changes from the City of Santa Clarita

The City of Santa Clarita in a letter signed by Councilmember Marsha McLean has submitted two proposed amendments to the SCAG Bylaws as specified in its letter dated February 1, 2013 (see Attachment 1). These proposals are not incorporated in the agenda marked-up version of the Bylaws as staff seeks direction from the Committee before doing so. The first proposal by the City would add the following to the Bylaws:

“For a Regional Council District comprised of two or more cities, when the designated Regional Council District representative is not present for a meeting, a SCAG policy committee member from one of the cities in the district may, at the invitation and sole discretion of SCAG’s President, sit with members of the Regional Council during their meeting, participate in all discussions, but shall not vote on matters before the Regional Council.”
The City’s intent with this proposal is to ensure that the perspectives of any Regional Council District (when the specific District representative is not in attendance at the meeting) are made known to the Regional Council before action.

The proposal, as submitted, may pose challenges for the SCAG President and staff who help to facilitate the meeting to determine a quorum before the meeting begins especially with respect to voting as to who is present. Some members arrive after the meeting begins and another variation of the proposed amendment that achieves the intent for representation would be to allow for such a request if submitted to the President in writing 24 hours in advance of the meeting.

The second proposal by the City seeks to eliminate the requirement that candidates for SCAG officer positions have completed “at least one full term (i.e., two years) on the Regional Council.” In its letter, the City explains that in the case of Regional Council District No. 67, the cities of Santa Clarita and San Fernando rotate every two (2) years to serve as District representative. Given this arrangement, the City finds it difficult for one city or individual to be eligible to have a leadership position as a SCAG officer.

Eligibility requirements to serve as a candidate for a SCAG officer position were approved by the Regional Council in 2009 and added to the SCAG Bylaws in 2010. The particular requirement that a candidate complete at least one full term (two years) on the Regional Council was to ensure that the respective candidate had acquired sufficient experience on the Regional Council prior to seeking a SCAG officer position.

**Proposed Bylaw Amendment from Ventura County Supervisor Linda Parks**

Supervisor Parks has requested that the Committee consider inserting prior Bylaws language regarding rotating Board Officers between county and city representatives. Specifically, Supervisor Parks proposes that the following be incorporated back into the Bylaws: “The office of the Second Vice President shall alternate to have a county representative every fourth year.”

This provision was previously in the Bylaws with respect to the nomination of SCAG officers. It ensured for the most part that a County Supervisor would be the SCAG President every four years. The provision was removed in 2008, with said removal approved by the Force for Change Subcommittee; the Regional Council; and the General Assembly. At the time, the basis for the removal was that the rotation between county and city representatives was not necessary and that the Regional Council and General Assembly members could decide who to select as the SCAG Officers, regardless of city or county representation.

**Conclusion**

The Committee is asked to consider and discuss these proposed bylaw changes as well as other changes that may be presented by the Committee members.

SUBJECT: Proposed Amendments to SCAG By-Laws

Frank Ferry
Councilmember

Dear President Becerra:

I am writing to submit two proposed amendments to the Southern California Association of Governments (SCAG) By-Laws for consideration by the By-Laws and Resolutions Committee.

Marsha McLean
Councilmember

The first proposal relates to ensuring that all SCAG member agencies are represented during Regional Council meetings. The second proposal relates to providing an opportunity for all SCAG member agencies to have an opportunity to be represented in leadership positions.

PROPOSAL #1
BACKGROUND AND INTENT:

In an effort to ensure that all SCAG member agencies are represented during Regional Council meetings, the following change to SCAG’s By-Laws is proposed. This proposed amendment will enable cities within districts comprised of two or more cities to be represented at meetings of the Regional Council, in the event the designated Regional Council District representative is unable to attend a meeting. The proposed change would authorize SCAG’s President to invite one representative from a district in which the designated Regional Council District representative is unable to attend, to sit with members of the Regional Council during meetings and to fully participate in discussions of items pending before the Regional Council. This action will help to ensure that specific district perspectives are able to be known to members of the Regional Council before action is taken.

The individual invited to participate in the Regional Council meeting must be a designated member of a SCAG policy committee, be an elected official from one of the cities in good standing within the Regional Council District, and must notify the
President of the desire to participate in the Regional Council meeting prior to the beginning of the meeting. The invitation to participate in the Regional Council meeting would be at the sole discretion of SCAG’s President. The member invited to participate would be able to participate in discussions of items before the Regional Council in open session, but may not vote on any matters before the Regional Council.

PROPOSED LANGUAGE FOR INCLUSION IN THE BY-LAWS:

“For a Regional Council District comprised of two or more cities, when the designated Regional Council District representative is not present for a meeting, a SCAG policy committee member from one of the cities within the district may, at the invitation and sole discretion of SCAG’s President, sit with the members of the Regional Council during their meeting, participate in all discussions, but shall not vote on matters before the Regional Council.”

PROPOSAL #2
BACKGROUND AND INTENT:

In an effort to ensure that all SCAG member agencies and districts have an opportunity for their representatives to obtain a leadership position at SCAG, the following change to SCAG’s By-Laws is proposed. The proposed change will enable cities within districts comprised of two or more cities and Regional Council Districts to have an opportunity to be considered for officer positions at SCAG.

In the case of District 67, comprised of the cities of San Fernando and Santa Clarita, because of the method by which the Regional Council seat is rotated between the two cities, it is not possible for a representative of either city, and hence District 67, to have an opportunity to serve as officers of the association, the highest leadership positions at SCAG.

Currently, in an effort to ensure that both cities within the district have an opportunity to fully participate in most SCAG activities, the Regional Council seat is rotated between San Fernando and Santa Clarita every two years. We suspect that other districts may employ some form of similar informal agreement to ensure opportunities for all cities within those districts to receive optimal value in their SCAG membership. The desire to ensure full engagement of all cities with a SCAG district through a fair and equitable rotation of the Regional Council seat creates an unintended consequence; resulting in a lack of continuity of service on the Regional Council for one individual or city within a district. Because there is no long term continuity for service on the Regional Council for one city or individual, it is difficult for cities within certain districts, and the district itself, to be eligible to have its representative be considered for a leadership position as a SCAG officer.

In order for someone to be considered for selection as an Officer of the Association, the By-Laws currently require several minimum eligibility requirements. One of those requirements is the completion of at least one full term on the Regional Council. A second requirement is that a potential candidate be actively involved with SCAG. Since the process for selecting Officers of the Association is a multi-step process involving the consideration of candidates by the Nominating Committee, Regional Council and General Assembly, active involvement with SCAG should remain critical criteria for selection of officers. However, the requirement for completion of at least one term on the Regional Council should be eliminated as a minimum eligibility requirement for service as an Officer of the Association. This would ensure that potential candidates who have been active in SCAG

committees and activities, but may not have served on the Regional Council, have an opportunity to be considered for one of these important leadership positions. Inasmuch as the nomination process and ultimate selection is subjective, each candidate will continue to be considered on their individual merit.

PROPOSED LANGUAGE FOR INCLUSION IN BY-LAWS:

Strike from Article VI, Section C, Line (1): “At the time of the application, the candidate must have completed at least one full term (i.e. two years) on the Regional Council.”

Thank you for referring these amendment proposals to the SCAG By-Laws and Resolutions Committee. Representatives of the City of Santa Clarita would be pleased to meet with the committee to discuss each of these proposals in greater detail. In the meantime, should you, members of the By-Laws and Resolutions Committee or SCAG staff need additional information about either of these proposals, please contact Santa Clarita Intergovernmental Relations Officer Michael P. Murphy at (661) 255-4384 or by email at mmurphy@santa-clarita.com.

Sincerely,

Marsha McLean  
Councilmember
