**DATE:** February 22, 2016  
**TO:** Bylaws and Resolutions Committee  
**FROM:** Joann Africa, Chief Counsel; (213) 236-1928; [africa@scag.ca.gov](mailto:africa@scag.ca.gov)  
**SUBJECT:** Proposed Resolution for Consideration by the General Assembly

**EXECUTIVE DIRECTOR'S APPROVAL:** 

---

**RECOMMENDED ACTION:**

That the Committee review the following proposed resolution to be considered be adopted by the General Assembly; provide direction to staff; and forward its recommendation to the Regional Council.

**EXECUTIVE SUMMARY:**

*Each year, in preparation for the annual General Assembly meeting, proposed resolutions and proposed amendments to the SCAG Bylaws are considered by both the Bylaws and Resolutions Committee (Committee) and the Regional Council, prior to submission to the General Assembly. SCAG staff received a request from Hon. Curt Hagman, San Bernardino Supervisor, for a proposed resolution supporting that SCAG work with the First Responder Network Authority (FirstNet) in developing the nation's first high-speed wireless broadband network dedicated to public safety. The Committee is requested to review these proposed resolution; provide direction to staff; and formally provide its recommendation to the Regional Council on March 3, 2016.*

**STRATEGIC PLAN:** This item supports SCAG's Strategic Plan Goal 1 (Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; Objective C (Provide practical solutions for moving new ideas forward).

**BACKGROUND:**

The SCAG Bylaws provides the opportunity for any Official Representatives of SCAG to propose any policy matter for action by the General Assembly by way of submittal of a resolution. Supervisor Hagman has proposed that the General Assembly approve a resolution supporting SCAG's working with FirstNet as it undertakes the development of a nationwide, first of its kind public safety broadband network.

As background, the Middle Class Tax Relief and Job Creation Act of 2012 (signed into law on February 22, 2012) created the First Responder Network Authority (FirstNet), which is an independent authority within the U.S. Department of Commerce's National Telecommunications and Information Administration (NTIA).

The law gives FirstNet the mission to build, operate and maintain the first high-speed, nationwide wireless broadband network dedicated to public safety. FirstNet will provide a single interoperable platform for emergency and daily public safety communications. FirstNet will provide first responders with a reliable, dedicated, resilient broadband network to perform their life saving missions. FirstNet is responsible for building the core network. In December 2015, FirstNet officially launched its 2016 consultation program with state, regional, local and tribal agencies requesting input on the construction of the core network.

# REPORT

---

Supervisor Hagman finds that SCAG could play a significant role in the process and has submitted the attached resolution which would support SCAG working with FirstNet and making such efforts a priority for 2016 as well as in future years. The draft resolution also proposes that a subcommittee of the Transportation Committee be established to provide leadership and guidance on the project.

The Committee is asked to review the proposed resolution, provide direction to staff and formally provide a recommendation to the Regional Council.

Draft General Assembly resolution in support of working with FirstNet to develop a nationwide public safety broadband network

**A RESOLUTION OF THE GENERAL ASSEMBLY  
OF THE SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS  
IN SUPPORT OF WORKING WITH THE FIRST RESPONDER NETWORK  
AUTHORITY (FirstNet) TO DEVELOP A NATIONWIDE  
PUBLIC SAFETY BROADBAND NETWORK**

**WHEREAS**, Congress enacted the Middle Class Tax Relief and Job Creation Act of 2012 (P.L. 112-96) mandating creation of a nationwide interoperable wireless broadband network to enable police, firefighters, emergency medical service and other public safety professionals to more effectively communicate during emergencies and use emerging technologies to reduce response time, keep communities safe and save lives;

**WHEREAS**, the Federal Communications Commission (FCC) then granted a single license to the First Responder Network Authority (FirstNet), with the duty and responsibility to take actions to ensure the building, deployment and operation of a nationwide public safety broadband network (NPSBN) in consultation with federal, state, regional, local and tribal public policy entities;

**WHEREAS**, FirstNet officially launched its 2016 consultation program with state, regional, local and tribal agencies on December 21, 2015 requesting local input on construction of the core network, placement of towers, coverage areas, adequacy of hardening, security, reliability and resiliency requirements along with assignment of priority to local users; and

**WHEREAS**, it is imperative for the six county SCAG region to be at the forefront of this process to ensure adequate funding and prioritization for our region.

**NOW, THEREFORE, THE GENERAL ASSEMBLY OF THE SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS DOES HEREBY RESOLVE** that working with FirstNet be a 2016 priority for SCAG and that such priority be continued in future years until the build out of the system is complete.

**BE IT FURTHER RESOLVED**, that a Subcommittee of SCAG's Transportation Committee be appointed by the SCAG President to provide leadership and coordination between SCAG and FirstNet in furtherance of this vital infrastructure and communications project.

**PASSED, APPROVED, AND ADOPTED** at the Annual Meeting of the General Assembly of the Southern California Association of Governments held this 5<sup>th</sup> day of May, 2016.

**SUBJECT:** Proposed Amendments to the SCAG Bylaws

**EXECUTIVE DIRECTOR'S APPROVAL:** 

---

**RECOMMENDED ACTION:**

That the Bylaws and Resolutions Committee review the following proposed amendments to the SCAG Bylaws; provide direction to staff; and forward its recommendations to the Regional Council.

**EXECUTIVE SUMMARY:**

*Each year, in preparation for the annual General Assembly meeting, proposed resolutions and proposed amendments to the SCAG Bylaws are considered by both the Bylaws and Resolutions Committee (Committee) and the Regional Council (RC), prior to submission to the General Assembly. This year, there are three (3) primary proposed amendments to the SCAG Bylaws. The first proposal, initiated by SCAG staff, seeks to add to the membership of the RC the member from the private sector appointed to the Executive/Administration Committee (EAC) who would also serve on the RC in an ex-officio, non-voting capacity. The second proposal is from Hon. Greg Pettis regarding a change to the current hiring prohibition in the Bylaws. Finally, the last proposal is from Hon. Steve Hwangbo requesting to change the voting procedures in the SCAG Bylaws. The Committee is asked to review these proposed changes to the Bylaws; provide direction to staff; and formally provide its recommendations to the Regional Council on March 3, 2016.*

**STRATEGIC PLAN:** This item supports SCAG's Strategic Plan Goal 1 (Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; Objective C (Provide practical solutions for moving new ideas forward).

**BACKGROUND:**

Every year, proposed changes to the SCAG Bylaws may be presented by Official Representatives of SCAG, and these proposals are thereafter reviewed by the Committee and Regional Council before submittal to the General Assembly. In addition, staff may propose changes to the Bylaws to address matters that were raised during the course of the year.

**A. Proposals by SCAG Staff**

Staff seeks to add to the membership of the Regional Council, the private sector representative serving on the EAC. In 2008, the SCAG Bylaws were amended to allow the SCAG President to appoint one member from the private sector to serve on the EAC in ex-officio, non-voting capacity. Since then, it has been shown that having a private sector representative on EAC is beneficial to the Agency. Specifically, the private sector representative has provided meaningful input from the business perspective in shaping balanced regional planning policies. For this reason, staff believes it would be worthwhile to have the same public sector representative on EAC also serve on the RC.

Therefore, SCAG staff proposes to amend Article V, Section A(1) to include to the membership of the Regional Council the private sector representative on EAC to serve in a similar ex-officio, non-voting capacity. Please refer to the proposed change on page 6 in the attached marked-up version of the current SCAG Bylaws.

In addition, SCAG proposes clean-up changes to the Bylaws relating to the voting ability of the Public Transportation Representative on the Regional Council (please see pages 11 and 14 in the attached marked-up version of the Bylaws). These changes were inadvertently not included as part of the changes last year when the Public Transportation Representative position was added into the Bylaws.

**B. Proposal by Hon. Greg Pettis**

The Honorable Greg Pettis, Mayor Pro-tem of the City of Cathedral City and RC District No. 2 Representative, has proposed that Article XIII (Hiring Prohibition) of the SCAG Bylaws be replaced with new language that would apply the hiring prohibition to a larger group of individuals and also change the procedure for calculating the one year hiring prohibition. The current language in Article XIII is presented below along with the proposed modification to Article XIII (see also page 24 in the attached marked-up version of the Bylaws).

Current Article XIII [Hiring Prohibition]

“No current or former elected official who is or was a Member of the SCAG Regional Council shall be eligible for a period of one (1) year after the last day of service as an elected official for appointment to any full-time, compensated employment with SCAG.”

Proposed Article XIII [Hiring Prohibition]

“No individual who is or was an Official Representative or Alternate on SCAG’s General Assembly or is or was a Member of the SCAG Regional Council or is or was a member of any of SCAG’s Policy Committees shall be eligible for compensated employment with SCAG for a period of (1) year after the individual’s last day of service in any of the SCAG positions described in this Article.”

As background, Article XIII was originally proposed in 2007 by several Regional Council Members with a five (5) year hiring prohibition period and was based upon a concern that the hiring of current or former RC members may give the perception of favoritism and possibly create the appearance of a conflict or bias. When the proposal was reviewed by the Bylaws and Resolutions Committee, the Committee agreed with the concept of the prohibition but revised the proposal to a four (4) year hiring prohibition. When the matter was presented to the Regional Council, the RC also approved the concept of the prohibition but forwarded Article XIII to the General Assembly with a recommendation that the hiring prohibition period be limited to one (1) year. The General Assembly adopted Article XIII with a one (1) year hiring prohibition in May of 2007.

The Proposed Article XIII put forth by Council Member Pettis is very similar to a proposal put forth by staff last year. Staff’s proposal was not supported by the Bylaws and Resolution Committee and was not presented to the Regional Council or the General Assembly.

The Proposed Article XIII expands the application of the hiring prohibition to members and alternates of the General Assembly and members of the Policy Committees of SCAG. The prohibition would also extend to any non-elected officials who serve on the Regional Council or the Policy Committees and would apply to any compensated position with SCAG, not just full-time positions. Finally, the Proposed Article XIII would base the one year hiring prohibition on an individual’s last day of service in a SCAG position rather than the last day of service as an elected official.

### **C. Proposal by Hon. Steve Hwangbo**

The Honorable Steve Hwangbo, Council Member of the City of La Palma and RC District No. 18 Representative, has proposed that SCAG’s voting procedures as presented in the SCAG Bylaws be changed so that a determination of the passage of any measure will be based on the affirmative vote of a majority of those members voting on the measure rather than a majority of those members present at the time of the vote on the measure.

This proposal would require a series of similar changes to all of the sections of the Bylaws that address voting by the General Assembly, the Regional Council or any of the SCAG committees. For purposes of explanation, only one section of the Bylaws, Article V. A.(5)(c), is presented below (please see page 11 in the marked-up version of the Bylaws).

#### Current Article V, Section A(5)(c) [Voting by the Regional Council]

“The affirmative votes of a majority of the voting-eligible Regional Council members present with a quorum in attendance are required for action by the Regional Council, except as set forth in subsections (d), (e) and (f) below.”

#### Proposed Article V, Section A (5)(c) [Voting by the Regional Council]

The affirmative votes of a majority of the voting-eligible Regional Council members voting with a quorum in attendance are required for action by the Regional Council, except as set forth in subsections (d), (e) and (f) below.

The proposal put forth by Council Member Hwangbo would necessitate the replacement of the word “present” in the current Bylaw Article with the word “voting.” For a measure to pass under the current Bylaw language, there must be an affirmative vote by a majority of those present (i.e., those in favor, those opposed and those abstaining). Under the proposed language, a measure would pass with the affirmative vote of a majority of those voting (i.e., counting those in favor and those opposed, but without counting those who abstain). It should be noted that under the Bylaws, RC members are free to abstain from voting on any issue and that any abstention does not count as a vote in favor or against a motion.

# REPORT

---

To illustrate the matter further, let's assume there are 40 RC members present, which would be a quorum. A majority of those present is 21, which is the number of affirmative votes necessary to pass a measure under the current Bylaws. If 3 RC members abstain and 20 members vote for the measure and 17 vote against it, the measure would not pass even though the count of those voting is 20 for and 17 against.

If the word "present" is changed to "voting" then the abstaining members would not impact the passage or failure of a measure and in the above example, a 20-17 vote would pass a measure.

There may be additional implications to changing the word "present" to "voting" for some of the smaller committees in SCAG such as the EAC. For example, assume there are 8 EAC members in attendance at a meeting which would be a quorum and which would require 5 affirmative votes to pass a measure under the current Bylaws. If the word "present" is changed to "voting" in the Bylaw section affecting the EAC, and 3 members abstain, then only 3 affirmative votes would be needed for a measure to pass.

The Committee is asked to review, consider and discuss all of these proposed changes to the Bylaws and provide direction to staff. The recommendations of the Committee will thereafter be presented to the Regional Council at its March 3, 2016 meeting.
