Connect SoCal 2040 Outreach: Workshop Summary
Orange County (by location + board)
Laguna Hills Recreation Center
2 sessions, April 20 (1-3 p.m.; 4-6 p.m.)
Total Attendance 15

What challenges do you face today? (written comments)

- Income housing
- Better transit is needed in the region; is there a way to connect different transit systems?
- Improved street quality?
- More destinations that can be reached
- What Economic Challenges do you see in the future?
- Housing affordability, especially very low income housing
- Improved street safety?

How might we make the future better? (written comments)

- ASPD
- Improved biking and walking
- Improved bus service
- More light rail options
- I am concerned about global warming and loss of open space and habitats.
- Climate action plan and clean energy.
- Balancing development with protection of open space.
- Don't build in wildland-urban interface.
- What else?

Economy

What Economic Challenges do you see in the future? (written comments)

- Jobs due to new technologies
- Pensions
- Price of Housing
- More light rail options

Tell us your socio-economic priorities (if others).

- Infrastructure
- Environment
- Housing
- Air Quality
- Water Quality
- Transportation

Mobility

How can we make the region more equitable? (written comments)

- More destinations that can be reached
- More comfortable routes for walking, biking and riding
- Improved bicycle networks
- More public safety and health services
- Better jobs closer to home

Community

How can we understand our region more readily? (written comments)

- Working with community to clean up 10 miles of rivers and streams, 2,000 acres of wetland, 100 acres of beach, 4,000 acres of parks.
- Working with community to create 30 light rail stations.
- Working with community to create 30 light rail stations, 2,000 acres of parks, 4,000 acres of wetland, 100 acres of beach, 4,000 acres of parks.
