Ventura County Office of Education, Camarillo
3 sessions; May 15 (9-1 p.m., 4-6 p.m.), May 16 (9-11 a.m.)
Total Attendance: 24
Connect SoCal 2024 Outreach: Workshop Summary
Ventura County Office of Education, Camarillo (continued)

Economy

What Economic Challenges do you see in the future? (written comments)

How can we ensure that benefits of the growing economy are accessible to all? (written comments)

Fire danger
- Build more affordable housing near/adjacent to jobs.

Fire insurance
- Build Ventura County community college districts on a population basis. Currently, Oxnard college has less funding of all the community colleges, but Oxnard has largest population.

Funding for performance requirements vs affordable housing projects
- It's for renewable and affordable housing projects.

Funding for energy efficiency/affordable housing projects
- Support community colleges and higher education.

Funding to generate affordable housing and provide senior to keep people housed
- Formula-based money - if have a climate action plan.

Lack of affordable housing for very low-income
- Ventura County community is socially housing - most residents commute on cuts at pedestrian/bike connections, especially by bus.

Lack of available affordable housing for very low-income residents
- If have a climate action plan.

Lack of affordable housing
- Lack of affordable housing.

Lack of affordable housing and provide senior to keep people housed
- Does not help those who are already poor.

Lack of EV charging stations especially for low-income/multi-family
- Workforce development in creative economy sectors.

Lack of coordination and collaboration to improve or highways (bus/train) and schedules
- More headways to Oxnard (trains).

Lack of high paying jobs close to home
- Reduce emissions.

Lack of lower incomes close to home or we don't lose young and upcoming talent
- Strengthen goods movement sector.

Lack of income
- More on-ramps to creative education and jobs.

Lack of high paying jobs
- What are the right investments?

Lack of desirable and affordable housing for working class families
- Need for more higher-paying jobs.

Lack of higher education/more learning opportunities for high paying jobs
- Need for more higher-paying jobs.

Lack of ownership opportunities for moderate income households
- Need for more high-paying jobs.

Lack of affordable housing
- Transportation infrastructure.

Lack of affordable housing
- Greater focus in high school and colleges on employable skills - we need a better-educated and prepared work force.

Lack of higher education/more learning opportunities (community centers)
- Lack of higher education/more learning opportunities (community centers).
