2. Resolution No. 22-643-1 Approving the Fiscal Year 2022-23 Final Comprehensive Budget

Cindy Giraldo, Chief Financial Officer, reported that through collaboration with our member agencies, SCAG works to develop solutions for regional problems, including transportation, housing and air quality. She stated that the fiscal year 2022-23 budget before them supports those goals and complies with its primary responsibilities of the sustainable community strategies, the Federal Transportation Improvement Program, the Annual Overall Work Program (OWP), and the transportation related local Air Quality Management Plans. She reported that on March 2nd and 3rd, the EAC and Regional Council, respectively approved the draft comprehensive budget which included the OWP and the General Fund budget. Additionally, staff was authorized to release the draft OWP for public comment and noted that the public comment period closed on April 4th and no public comments received. She reported that Table 1 showed the budget total of $124.7 million, which was an increase of $5.1 million over the budget that was presented to them [the EAC and RC] back in March. She further explained that Attachment 3 to the staff report included a complete detail of every change contributing to that $5.1 million increase, but as discussed in the staff report, the increase was predominantly attributable to the programing of $6.8 million of Last Mile Freight Program grant funds, offset by a $2.7 million decline and FTA 5303 funds, which was based on updated estimates received by Caltrans.

President Lorimore opened the Public Comment Period.

Seeing no public comment speakers, President Lorimore closed the Public Comment Period.
Hon. Alan Wapner, SBCTA, asked how many new staff and capital costs were proposed. Ms. Giraldo acknowledged the question and noted 11 new positions were proposed and no capital costs.

Hon. David Pollock, Moorpark, District 46, noted that the budget had increased by over $6 million for consultants and asked what programs were involved in that increase. Ms. Giraldo acknowledged the question and stated there was a number of programs that were involved in consulting budgets but clarified that the consultant budget number was not just consultants. She stated the budget actually included money that they were going to be passing through to member agencies or to sub recipients. She stated that later when the programs were fully defined by the planning division, then those funds would get allocated and shifted into the appropriate account.

A MOTION was made (Marquez) that the Executive Administration Committee recommend to the Regional Council to: 1) Adopt Resolution No. 22-643-1 approving the Fiscal Year 2022-23 (FY 2022-23) Final Comprehensive Budget, subject to approval of the General Fund Budget and Membership Dues Assessment by the SCAG General Assembly; 2) Authorize the Executive Director, or his designee, to submit the FY 2022-23 Overall Work Program (OWP) to the California Department of Transportation (Caltrans), Federal Highway Administration (FHWA), and Federal Transit Administration (FTA); and 3) Authorize the Executive Director, or his designee, to submit the FY23 Indirect Cost Rate Proposal (ICRP) and the FY23 Fringe Benefits Cost Rate Proposal to the Federal Transit Administration (FTA).
