ACTION/DISCUSSION ITEMS

1. Resolution No. 21-632-2 Approving the Fiscal Year 2021-22 Final Comprehensive Budget

Chief Financial Officer Cindy Giraldo reported the budget was first presented to the Executive/Administration Committee (EAC) on March 3 and to the Regional Council on March 4,
where they received approval to proceed with the draft budget and initiate the 30-day public comment period. She stated the budget was made available online for public comment for the required 30-day period, and no public comments were received. Additionally, she stated the draft overall work program was submitted to Caltrans, the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) for their review and comments, and that all comments received were addressed and incorporated in the final conclusions of budget. She indicated the budget was now $147.1 million, about $700,000 less than the draft budget that was brought to them before. She called out Tables 1 and 2 within the staff report, which provided a summary of the changes made to both revenues and expenditures. She reported changes were predominantly driven by a $1 million reduction to projected FHWA Planning funds based on the latest projections received, and offsetting cost reductions to print expenditures that were made to absorb the revenue reduction. She further stated that the current budget reflected no changes to salaries or benefits. However, $777,000 in grant funds already programmed and other costs had been set aside to fund a one-year extension of three limited term positions to support the implementation of Connect SoCal. She indicated that the reallocation of these resources to the total salary costs would be brought back for approval as part of the fiscal year 2022 budget amendment one in the fall. In addition to this, she stated three new employee classifications were added to the salary schedule, including two for IT and one for planning, and that these new classifications would help fill identified staffing gaps within the divisions. Lastly, she pointed out that the ledger before them supported the important regional work that SCAG had committed to through Connect SoCal. She recommended that the EAC move to adopt the $147.1 million budget and authorize the submittal of the overall work program to Caltrans, FHWA and FTA.

2. Resolution No. 21-632-3 Approving Amendment 4 to the FY 2020-21 Overall Work Program Budget

The Executive/Administration Committee combined the roll call votes for Items 1 and 2.

A MOTION was made (Pollock) on agenda Item 1, to recommend that the Regional Council: 1) Adopt the Fiscal Year 2021-22 (FY 2021-22) Final Comprehensive Budget and corresponding Resolution 21-632-2, subject to approval of the General Fund Budget and Membership Dues Assessment by the SCAG General Assembly; and 2) Authorize the submittal of the FY 2021-22 Overall Work Program (OWP) to the California Department of Transportation (Caltrans), Federal Highway Administration (FHWA), and Federal Transit Administration (FTA), and on agenda Item 2, that the Regional Council Adopt Resolution No. 21-632-3, approving Amendment 4 to the FY 2020-21 (FY21) Overall Work Program (OWP) budget and authorize the Executive Director, or his designee, to submit the necessary documentation to the California Department of Transportation (Caltrans). Motion was SECONDED (Finlay) and passed by the following votes:

12. CFO Monthly Report

Immediate Past President Alan Wapner, SBCTA, requested to pull Items 9 and 10 of the Consent Calendar.

A MOTION was made (Finlay) to approve Consent Calendar, Items 3 through 8 and 11; Receive and
File Item 12. Motion was SECONDED (Solache) and passed by the following votes:

**AYES:** Brown, Finlay, Harnik, Huang, Lorimore, Marquez, Pollock, Ramirez, Richardson, Robertson, Solache, Viegas-Walker, Wapner and Yokoyama (14)

**NOES:** None (0)

**ABSTAIN:** None (0)

Acting Director of Policy and Public Affairs Javiera Cartagena provided a brief overview of Item 9, SB 9 (Atkins) - Duplex Approvals and Item 10, SB 10 (Wiener) – CEQA Exemption for Up-Zoning up to 10 Units.

Immediate Past President Wapner expressed concern about taking an oppose unless amended position on Item 9, SB 9 (Atkins) - Duplex Approvals, and indicated he preferred to take an oppose position. He stated this bill would eliminate single family housing in the state of California and that nowhere in the bill did it mentioned anything about affordable housing. With respect to Item 10, SB 10 (Wiener) – CEQA Exemption for Up-Zoning up to 10 Units, he asked what this bill did that they didn't already have as far as local control. Staff acknowledged the question and responded accordingly.

Regional Council Member Cheryl Viegas-Walker, El Centro, District 1, clarified that with respect to SB 9, the League of California Cities took a position to oppose unless amended and it was not a flat out oppose position. She stated they needed to have a seat at the table to work with everything that was coming out of Sacramento. She indicated they needed to be engaged and be part of that discussion.

Regional Councilmember Peggy Huang, TCA, stated she agreed with Immediate Past President Wapner on Senate Bill 9. With respect to SB 10, she stated the city of Yorba Linda was strongly against it. She indicated that they were one of those cities that does have a ballot initiative for zoning changes.

Regional Councilmember Margaret Finlay, Duarte, District 35, indicated there was differing opinions here and was intrigued by both Immediate Past President Wapner and Regional Councilmember Viegas-Walker’s thoughts on this.

Regional Councilmember Jose Luis Solache, Lynwood, District 26, stated there was a very good discussion at the Committee level and there was a strong sentiment on the issue of local control. He indicated there was no doubt that the local control discussion was the top issue and the reason why
the Committee recommended what they did. He further stated they wanted to have a seat at the table to see how SCAG could be a voice to some of the possible amendments to the bill.

Supervisor Carmen Ramirez, Ventura County, stated she strongly agreed with Regional Councilmember Viegas-Walker and would like to be able to work with the legislature to make this better, if possible, and would support the Committee's position.

Regional Councilmember David Pollock, Moorpark, District 46, addressed SB 9 and stated that what was going on at the legislature was the recognition that 75% of our residential zoning was single family homes, and unless they did something with that, the affordability crisis was never going to be over. He indicated the cities had been saying they already had the Regional Housing Needs Assessment (RHNA) process and have enough pressure to make this happen. Due to this argument, he thought they wanted to stay at the table with them and keep arguing local control, and for that reason he supported and opposed unless amended position.

Immediate Past President Wapner stated that with all due respect to his colleagues, and certainly understood their position, at some point they had to draw a line and thought that they needed to protect their cities and communities, as well as their residents and do what was right. He questioned why they opposed any legislation.

President Richardson stated this was part of a deeper discussion with respect to the positions they take and thought maybe the new President could address this.

Regional Councilmember Jan Harnik, RCTC, expressed that Immediate Past President Wapner made some really great points. She stated they were going back to a one size fits all, and one size as they all knew it, did not fit all. She stated she really didn’t see when they oppose something, why they couldn’t have a seat at the table, because their voice should be stronger than that. She mentioned they had more than 19 million people and should have a seat at the table if they oppose.

President Richardson stated that an oppose unless amended position says we're paying attention to housing issues, we have concerns about the local control, but we have some details to work out. He thought there was a place for them to be able to help improve this bill and stated he supported the Committee's recommendation.

Regional Councilmember Solache thought that Regional Councilmember Harnik’s point was very well taken because he had not thought about it that way. He stated that with their new administration they would have some work to do with this kind of conversation. He moved to support the Committee’s recommendation.

A MOTION was made (Solache) to take an Oppose Unless Amended position on SB 9 (Atkins) -
Duplex Approvals, Consent Calendar Item 9. Motion was SECONDED (Viegas-Walker).

A SUBSTITUTE MOTION was made (Wapner) to take an Oppose position on SB 9 (Atkins) - Duplex Approvals, Consent Calendar Item 9. Motion was SECONDED (Huang) and failed by the following votes:

**AYES:**       Harnik, Huang, Lorimore, Robertson, Wapner and Yokoyama (6)

**NOES:**       Brown, Finlay, Marquez, Pollock, Ramirez, Richardson, Solache and Viegas-Walker (8)

**ABSTAIN:**    None (0)

President Richardson proceeded to request a roll call vote for the original motion on Item 9, SB 9 (Atkins) - Duplex Approvals, on the Consent Calendar.

She stated the recommendations were organized across five focus areas, in addition to levels of influence. Therefore, for each focus area, recommendations were categorized as: 1) SCAG is actively pursuing with existing resources, 2) SCAG can pursue with partnerships and additional resources, and 3) additional recommendations where SCAG can partner. She indicated the key priority recommendations they were going to focus on were the areas they were already doing the work on and whether they wanted to pursue some partners and additional resources.
