CALL TO ORDER AND PLEDGE OF ALLEGIANCE

The Honorable Clint Lorimore called the meeting to order at 3:00 p.m.

Given the declared state of emergency (pursuant to State of Emergency Proclamation dated March 4, 2020) and local public health directives imposing and recommending social distancing measures due to the threat of COVID-19, and pursuant to Government Code Section 54953(e)(1)(A), President Lorimore announced the meeting was being held both in person and virtually (telephonically and electronically).

President Lorimore asked Larry McCallon, Highland, District 7, to lead the Pledge of Allegiance.

Ruben Duran, Board Counsel, stated there was a designated portion allotted for public comment on the agenda, up to 10 minutes, to allow members of the public to comment in real time as was required by newly enacted legislation, AB 361. He stated this was being done out of an abundance of caution and to encourage and promote public participation and transparency in the EAC business.

PUBLIC COMMENT PERIOD

President Lorimore opened the Public Comment Period and outlined instructions for public comments. He noted the total time period for all public comments related to items on the agenda and any other matter within the agency’s subject matter jurisdiction was ten minutes and the public
comment period would be held open for at least 10 minutes to afford the public the ability to comment on all items on this agenda.

He reminded the public to submit comments via email to ePublicComment@scag.ca.gov. Board Counsel Duran acknowledged there were no written public comments received by email before or after the deadline. Board Counsel Duran read a statement for the record on the basis for holding this meeting pursuant to recent amendments to the Brown Act, noting the current recommended social distancing measures and existing declared state of emergency.

Regional Councilmember Frank Yokoyama, Cerritos, District 23, made a statement relating to conducting in person meetings in the City of Cerritos and asked Board Counsel Duran if hybrid meetings required any specific considerations. Board Counsel Duran provided a response in regard to this inquiry and elaborated further on the requirements for conducting hybrid meetings.

The Clerk announced ten minutes had elapsed.

Seeing no public comment speakers, President Lorimore closed the Public Comment Period.

She also reported that collection dues had increased to about 83%, leaving about $380,000 to be collected. Lastly, she reported that Tom Philip, Accounting Manager had left SCAG to pursue other opportunities and was happy to report that Erika Bustamante, Budget and Grants Manager, had agreed to work as Interim Accounting Manager until a permanent replacement was found. She indicated this generated another opportunity in the budget and grants department for another SCAG employee to step up as the Interim Budget and Grants Manager.

PRESIDENT’S REPORT

President Lorimore noted that it was hashtag Clean Air Day and hashtag Walk to School Day. He indicated that just before the meeting they were able to make it to a school down the street from the SCAG’s offices and thanked staff for setting it up. He highlighted that it was Clean Air Day and throughout the year, residents dealt with some of the worst air quality in the nation. He stated they had seen heavy smoke from wildfires and a rebound in traffic on the roads and freeways. He noted these were considerable public health impacts on the region. He proceeded to present a Clean Air Day Proclamation in support of California Clean Air Day. He stated that while SCAG’s planning efforts have played an important role in the region’s air quality improvements over the past few decades, millions of residents continue to suffer from poor air quality. He indicated they could all play a part in addressing air pollution in the region, and this was what this proclamation was all about. He proclaimed that SCAG was pleased to join the coalition for clean air and hundreds of other public and private entities in taking action to make air healthier by participating in California Clean Air Day on October 6, 2021. He further stated that SCAG was taking the organizational pledge committing to its various clean and sustainable planning policies, programs, strategies, and initiatives to improve air quality in Southern California as reflected in its adopted Connect SoCal plan. He also noted that there were many useful resources available on the California Clean Air Day website (cleanairday.org) tailored for both organizations and individuals. Lastly, he stated the next meeting of the EAC was scheduled for Wednesday, November 3, 2021, at 3:00 p.m.
EXECUTIVE DIRECTOR’S REPORT

Executive Director Ajise noted that last month was California pedestrian safety month and October was national pedestrian safety month. He indicated SCAG had resources on the website that would encourage people, local partners, and stakeholders to participate in the safety pledge with the rest of them. He announced the 12th annual Southern California Economic Summit was set for Thursday, December 2, and would focus on the theme from inclusive recovery to inclusive growth. He indicated that while they initially planned to hold this economic summit in person, due to the evolving public health concerns, they made the tough decision to change the format. He expressed they were looking forward to holding a very successful virtual conference for the second time in a row. He stated the program would feature the debut of new research and analysis of the state of the region's economy, expert commentary on the issues of how to keep Southern California competitive, and a list of funding programs and innovative approaches to kickstarting inclusive economic growth. Lastly, he noted that there was a public hearing tomorrow on the Greenprint. He stated that since the report had been put out a week ago, there had been a lot of input and as a result, had an amended staff recommendation that would be posted this afternoon.
