

Los Angeles GOVERNMENT-TO-UNIVERSITY INITIATIVE

THE BEST PUBLIC SECTOR CAREERS PATHS YOU NEED TO KNOW ABOUT!

The Los Angeles Government-to-University (G2U) Initiative, in partnership with the Volcker Alliance, is hosting a **Public Sector Career Exploration Series** for faculty, students, and alumni from higher education institutions in the Greater Los Angeles Area.

Each webinar is scheduled for the second Wednesday of the month from 9–11 a.m.

Each session will be offered via Zoom and include representatives from each level of government — local, state, and federal. Panels will be moderated by a faculty member.

Panelists will provide an in-depth look and understanding of their agency, the variety of career paths they can offer, as well as insight into their application process.
