Hon. Alan Wapner
Omnitrans
1700 W. 5th Street, Board Conference Room
San Bernardino, CA  92411
The Legislative/Communications & Membership Committee may consider and act upon any of the items listed on the agenda regardless of whether they are listed as information or action items.

CALL TO ORDER & ROLL CALL
(Hon. Pam O’Connor, Chair)

PUBLIC COMMENT PERIOD
Members of the public desiring to speak on items on the agenda, or items not on the agenda, but within the purview of the Committee, must fill out and present a Public Comment Card to the Assistant prior to speaking. Comments will be limited to three (3) minutes per speaker provided that the Chair has the discretion to reduce this time limit based upon the number of speakers. The Chair may limit the total time for all comments to twenty (20) minutes.

REVIEW AND PRIORITIZE AGENDA ITEMS

CONSENT CALENDAR
1. Minutes of February 21, 2017 Meeting
   Attachment 1

ACTION ITEMS
2. SCAG Sponsorship
   - Urban Land Institute Los Angeles – 2017 Urban Marketplace - $7,500
   (Darin Chidsey, Chief Operating Officer)
   Attachment 4

3. AB 1060 (Burke) – Enhanced Infrastructure Financing Districts
   (Darin Chidsey, Chief Operating Officer)
   Attachment 6

4. ACA 4 (Aguiar-Curry) – Local Government Financing: Affordable Housing and Public Infrastructure: Voter Approval
   (Darin Chidsey, Chief Operating Officer)
   Attachment 7

5. SB 2 (Atkins) – Building Homes and Jobs Act
   (Jeff Dunn, Senior Legislative Analyst)
   Attachment 9

6. SB 3 (Beall) – Affordable Housing Bond Act of 2018
   (Jeff Dunn, Senior Legislative Analyst)
   Attachment 13

7. SB 540 (Roth) – Workforce Housing Opportunity Zone
   (Jeff Dunn, Senior Legislative Analyst)
   Attachment 16

8. S. 496 (Duckworth) – Metropolitan Planning Organization Coordination and Planning Area Reform Repeal
   (Jeff Dunn, Senior Legislative Analyst)
   Attachment 18
INFORMATION ITEMS
9. AB 342 (Chiu) – Vehicles: Automated speed Enforcement: Five-Year Pilot Program
   (Darin Chidsey, Chief Operating Officer) 
   Attachment 21

10. 2017 SCAG Legislative Reception/DC California Transportation Reception
    (Darin Chidsey, Chief Operating Officer) 
    Oral Report

11. Legislative Tracking Report /Bills of Interest
    (Jeff Dunn, Senior Legislative Analyst) 
    Attachment 23

FUTURE AGENDA ITEMS
Any Committee member or staff desiring to place items on a future agenda may make such a request.

ANNOUNCEMENTS
Celebrating Hon. Gene Daniels.

ADJOURNMENT
The next meeting of the Legislative/Communications & Membership Committee is scheduled for 8:30 AM, Tuesday, April 18, 2017 at the SCAG Los Angeles Office.
The Legislative/Communications & Membership Committee held its February 21, 2017 meeting at SCAG’s downtown Los Angeles Office.

**Members Present**
Hon. Glen Becerra, District 46 (Teleconference)
Hon. Margaret Clark, District 32 (Teleconference)
Hon. Gene Daniels, District 24
Hon. Margaret Finlay, District 35 (Teleconference)
Hon. Clint Lorimore, District 4 (Teleconference)
Hon. Michele Martinez, District 16 (Teleconference)
Hon. Larry McCallon, District 7 (Videoconference)
Hon. Judy Mitchell, District 40 (Videoconference)
Hon. Kris Murray, District 19 (Teleconference)
Hon. Pam O’Connor, District 41
Hon. Greg Pettis, District 2
Hon. Alan Wapner, SANBAG (Videoconference)

**CALL TO ORDER**
The meeting was called to order by the Hon. Greg Pettis at approximately 8:30 a.m. A quorum was confirmed and roll-call was taken.

**PUBLIC COMMENT PERIOD**
There were no public comments presented.

**REVIEW AND PRIORITIZE AGENDA ITEMS**
There was no reprioritization of the Agenda.

**CONSENT CALENDAR**

1. Minutes of January 17, 2016 Meeting

A MOTION was made (Daniels) to approve the Consent Calendar. The MOTION was SECONDED (Finlay) and APPROVED by a majority vote. A roll-call vote was taken and recorded as follows:

**AYES:** Clark, Daniels, Finlay, Lorimore, Martinez, McCallon, Murray, Pettis, Wapner

**NOES:** None

**ABSTAIN:** None
**ACTION ITEMS**

2. **SCAG Membership/Sponsorship**

Darin Chidsey, Chief Operating Officer, provided an overview of the membership, Mobility 21 - $25,000, and the sponsorship of California Transportation Reception (Washington, DC) - $10,000.

A MOTION was made (Finlay) to support the membership, Mobility 21 - $25,000, and the sponsorship of California Transportation Reception (Washington, DC) - $10,000. The MOTION was SECONDED (Murray) and APPROVED by a majority vote. A roll-vote was taken and recorded as follows:

**AYES:** Clark, Daniels, Finlay, Lorimore, Martinez, McCallon, Mitchell, Murray, Pettis, Wapner

**NOES:** None

**ABSTAIN:** None

**INFORMATION ITEMS**

3. **SCAG Sacramento Legislative Reception – March 15, 2017**

Darin Chidsey, Chief Operating Officer, stated that the SCAG Sacramento Legislative Reception will be held at the Sheraton Hotel from 5:00 PM to 7:00 PM on March 15, 2017. Mr. Chidsey encouraged member participation.

4. **NARC Conference Recap**

Darin Chidsey, Chief Operating Officer, provided an overview of the events at the NARC Conference held in Washington, DC February 12 -15, 2017.

Hon. Margaret Finlay noted there was a sense of turmoil and uncertainty in Washington because of the current administration. She further noted that it was a very effective time for SCAG to be there to answer questions and offer a sense of stability. Hon Finlay congratulated staff for putting together an outstanding program.

Jeff Dunn, Senior Legislative Analyst, thanked the SCAG Board Members for making such a strong impression with their presence and visibility at the meetings. Mr. Dunn stated that as part of an ongoing strategy with the new Congress, SCAG will continue the dialogue and be a formidable resource in terms of information and analysis.

5. **Legislative Tracking Report/Bills of Interest**

Jeff Dunn, Senior Legislative Analyst, provided a review of bills of interest presented at the last meeting. Mr. Dunn noted there were no new bills introduced at this time. Staff has conferred with SCAG’s transportation commission partners regarding bills requiring our support. There are no
bills at this time, but staff will continue to monitor the situation and apprise the committee members of any bills needing SCAG’s support.

Hon. Larry McCallon suggested monitoring AB 199, which deals with prevailing wage on housing construction. Mr. Dunn stated that it will be included in the Legislative Tracking report next month.

The most current Legislative Tracking report is available on SCAG’s website under the Legislative section.

FUTURE AGENDA ITEMS
There were no future agenda items presented.

ANNOUNCEMENTS
There were no announcements presented.

ADJOURNMENT
Chair Pam O’Connor adjourned the meeting at 9:05 a.m. The next regular meeting of the Legislative/Communications & Membership Committee is scheduled for 8:30 a.m. – 10:00 a.m., Tuesday, March 21, 2017.

Chief Operating Officer
RECOMMENDED ACTION:
Approve

EXECUTIVE SUMMARY:
The Legislative/Communications & Membership Committee (LCMC) is asked to approve up to $7,500 in sponsorships for the Urban Land Institute Los Angeles: 2017 Urban Marketplace.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:

   The Urban Land Institute (ULI) Los Angeles 2017 Urban Marketplace will be held on April 12, 2017 at The Reef. The Urban Marketplace is ULI Los Angeles’s flagship annual event and draws the city’s top-level development professionals, including elected officials, city staff, developers, urban planners, architects, attorneys, and builders. The mission of the event is to convene dealmakers in one room for a half-day, inspirational program with plenty of time to dialogue. The Urban Marketplace is a conference and expo designed to promote real estate investment opportunities and development strategies for the Los Angeles area’s lower income and higher poverty neighborhoods.

   Previous events have attracted well over 400 attendees and SCAG Executive Director Hasan Ikhrata has participated as a speaker in the past. SCAG staff is recommending that the agency continue sponsorships at the “Gold” level in the amount of $7,500, which will include the following benefits:

   - One (1) half-page advertisement in the program;
   - Eight (8) complimentary registrations to the conference (value of $960);
   - Eight (8) city/county tables to promote development opportunities that aligned with work resulting from SCAG’s Sustainability Planning Grant program efforts;
   - Priority placement on all publicity and marketing; and
   - Premium exhibitor booth space.
FISCAL IMPACT:
$7,500 for sponsorships is included in the approved FY 16-17 General Fund budget.

SUBJECT: AB 1060 (Burke) – Enhanced Infrastructure Financing Districts

RECOMMENDED ACTION:
Support

EXECUTIVE SUMMARY:
AB 1060 (Burke) would authorize the Los Angeles County Metropolitan Transportation Authority to create an enhanced infrastructure financing district to fund public capital facilities or other specified projects of communitywide significance.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation Infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:
AB 1060 was introduced by Assemblymember Autumn Burke (D-Inglewood). Existing law authorizes the legislative body of a city or a county to establish an enhanced infrastructure financing district (EIFD) to finance public capital facilities or other specified projects of communitywide significance, including, but not limited to, the acquisition, construction, or rehabilitation of housing for persons of low and moderate income for rent or purchase. This bill would amend California Government Code Section 53398.51, which relates to the creation and implementation of EIFDs, to include the Los Angeles County Metropolitan Transportation Authority under its definition of authorized entities that can create an EIFD. In other words, this bill would authorize the Los Angeles County Metropolitan Transportation Authority to create an EIFD. For these purposes, any reference to a “city or county” under the section would be deemed to include the Los Angeles County Metropolitan Transportation Authority and any reference to a “legislative body” would be deemed to include the board of directors of the Los Angeles County Metropolitan Transportation Authority.

AB 1060 was introduced on February 16, 2017 and was referred to the Assembly Committees on Local Government and Transportation on March 6, 2017. No support or opposition is on record yet.

As a bill that supports the agency’s adopted State Legislative Priorities, especially that which pertains to transportation funding, staff recommends the Legislative/Communications and Membership Committee forward a support recommendation to the Regional Council for adoption.

SUBJECT: ACA 4 (Aguiar-Curry) – Local Government Financing: Affordable Housing and Public Infrastructure: Voter Approval

RECOMMENDED ACTION:
Support

EXECUTIVE SUMMARY:
ACA 4 (Aguiar-Curry) would lower to 55% the voter-approval threshold—from the existing 2/3 of voter approval requirement—to authorize a local government to impose, extend, or increase a special tax for the purposes of funding the construction, rehabilitation or replacement of public infrastructure or affordable housing. This measure would similarly lower to 55% the voter-approval threshold for a city, county, or city and county to incur bonded indebtedness in the form of general obligation bonds issued to fund the construction, reconstruction, rehabilitation, or replacement of public infrastructure or affordable housing projects. Propositions for creating a tax or authorization to incur bonded indebtedness would be required to include specified accountability requirements. This legislation supports the agency’s adopted 2017 State Legislative Priorities.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation Infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:
ACA 4 was introduced by Assemblemembre Cecilia Aguiar-Curry (D-Winters) and was co-authored by Assemblemembres David Chiu (D-San Francisco), Susan Talamantes Eggman (D-Stockton), Eduardo Garcia (D-Coachella), Todd Gloria (D-San Diego), Monique Limón (D-Santa Barbara), Kevin McCarty (D-Sacramento), Kevin Mullin (D-San Mateo), Blanca Rubio (D-Baldwin Park), Miguel Santiago (D-Los Angeles), and Phil Ting (D-San Francisco).

At present, the California Constitution:

- Prohibits the ad valorem tax rate on real property from exceeding 1% of the full cash value of the property.

- Conditions the imposition of a special tax by a local government upon the approval of 2/3 of the voters of the local government voting on that tax, and prohibits these entities from imposing an ad valorem tax on real property or a transactions or sales tax on the sale of real property.
- Prohibits specified local government agencies from incurring any indebtedness exceeding in any year the income and revenue provided in that year, without the assent of 2/3 of the voters.

- Permits school districts, community college districts, or county offices of education, to incur bonded indebtedness in the form of general obligation bonds for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, if the proposition proposing the bond is approved by 55% of the voters of the district or county, as appropriate, voting on the proposition at an election.

ACA 4 would amend the California Constitution to:

- Create an additional exception to the 1% limit that would authorize a city, county, or city and county to levy an ad valorem tax to service bonded indebtedness incurred to fund the construction, reconstruction, rehabilitation, or replacement of public infrastructure or affordable housing, if the proposition proposing that tax is approved by 55% of the voters of the city, county, or city and county, as applicable, and the proposition includes specified accountability requirements.

- Authorize a local government to impose, extend, or increase a special tax for the purposes of funding the construction, rehabilitation or replacement of public infrastructure or affordable housing, if the proposition proposing that tax is approved by 55% of its voters voting on the proposition and the proposition includes specified accountability requirements. This measure would also make conforming changes to related provisions.

- Similarly lower to 55% the voter-approval threshold for a city, county, or city and county to incur bonded indebtedness, exceeding in any year the income and revenue provided in that year, that is in the form of general obligation bonds issued to fund the construction, reconstruction, rehabilitation, or replacement of public infrastructure or affordable housing projects, if the proposition proposing that bond includes specified accountability requirements.

ACA 4 was introduced on February 17, 2017 and has yet to be referred to a committee. No support or opposition is on record yet.

As legislation that supports the agency’s adopted State Legislative Priorities, especially that which pertains to transportation funding and lowering the voter threshold to approve local tax measures, staff recommends the Legislative/Communications and Membership Committee forward a support recommendation to the Regional Council for adoption.

FROM: Jeffrey Dunn; Sr. Legislative Analyst; (213) 236-1880; dunn@scag.ca.gov

SUBJECT: SB 2 (Atkins) - Building Homes and Jobs Act

RECOMMENDED ACTION:
Support

EXECUTIVE SUMMARY:
Assesses $75 fee on real estate recorded documents, excluding real estate sales; 50% distributed directly to local governments the remainder allocated by the state on a competitive basis. 20% of overall funds must be allocated to affordable, workforce homeownership needs, and 10% for affordable housing needs of farmworkers.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation Infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:
SB 2, the Building Homes and Jobs Act, is co-authored by Senators Jim Beall (D-San Jose), Steven Bradford (D-Inglewood), Bill Dodd (D-Napa), Robert Hertzberg (D-Van Nuys), Jerry Hill (D-San Mateo), Ben Hueso (D-El Centro), Hana-Beth Jackson (D-Santa Barbara), Tony Mendoza (D-Cerritos), Holly Mitchell (D-Los Angeles), Richard Roth (D-Riverside), Nancy Skinner (D-Oakland), Bob Wieckowski (D-Fremont), and Scott Wiener (D-San Francisco); and by Assembly Members Rob Bonta (D-Oakland), Todd Gloria (D-San Diego), and Tony Thurmond (D-Oakland). It builds on AB 1335 which was introduced by then-Assembly Speaker Atkins in 2015, adding two new allowable uses for the funding provided by the fee: local community plan updates and fiscal incentives for local governments to approve new housing for low-income families.

SB 2 establishes a permanent funding source for affordable housing through a $75 fee on real estate transaction documents. The fee is capped at $225 on a per-parcel, per transaction basis, and exempts commercial and residential real-estate transactions. The fee would be paid at the time of the recording of every real estate instrument, paper, or notice required or permitted by law per each single transaction per single parcel of real property. This would include but is not limited to a deed, grant deed, trustee’s deed, deed of trust, reconveyance, quit claim deed, fictitious deed of trust, assignment of deed of trust, request for notice of default, abstract of judgment, subordination agreement, declaration of homestead, abandonment of homestead, notice of default, release or discharge, easement, notice of trustee sale, notice of completion, UCC financing statement, mechanic’s lien, maps, and covenants, conditions, and restrictions.
The fee would be remitted quarterly by counties to the Department of Housing and Community Development (HCD) to be deposited in the Building Homes and Jobs Trust Fund established by the bill. Fifty percent (50%) of collected fees will be distributed directly to local governments to address local needs. The remainder will be allocated by the state on a competitive basis; 20% allocated to affordable homeownership needs for the workforce and 10% of funds must be used to meet the affordable housing needs of farmworkers and their families. The monies generated will also be leveraged by additional funding through federal, local, and bank investment.

The bill sets forth a process by which HCD, with participation of the California Housing Finance Agency, the California Tax Credit Allocation Committee, the California Debt Limit Allocation Committee, and the Governing Board of the Building Homes and Jobs Trust Fund consisting of members from the public and private sectors, academia, lending institutions, and others, shall prepare a strategy for allocation of the funds to achieve these objectives, and submit to the Legislature. There is a public input process of four required workshops prior to submission of the strategy.

Local governments will be required to submit a plan to HCD detailing how allocated funds will be used their jurisdictions in a manner consistent with the strategy, and funding will be appropriated through the annual budget act based upon the recommendations of HCD, which must be approved by the Governing Board of the Fund.

SB 2 is both an urgency statute, taking effect immediately upon passage, and is a tax increase for the purposes of Section III of Article XIIIA of the California Constitution. As such, the measure requires the approval of 2/3 of the membership of the Senate and the Assembly to be enacted.

**DISCUSSION**

Compelling statistical evidence supports the thesis that California has a housing affordability crisis. The state ranks 49th nationwide in housing units per capita and is by far the largest state by population. According to the Public Policy Institute of California (PPIC) roughly 36% of mortgaged homeowners and approximately 48% of all renters are spending more than one-third of their household incomes on housing. California continues to have the second lowest homeownership rate in the nation and the Los Angeles metropolitan area is now a majority renter region. Five of the eight lowest homeownership rates in the nation are in California metropolitan areas.

There are, too, significant impacts upon California’s economy by the high cost of housing. The Bay Area Council, LA Area Chamber of Commerce, LA Business Council, Orange County Business Council, and Silicon Valley Leadership Group agree that less affordable housing impedes California businesses from attracting and retaining workers. The McKinsey Global Institute estimates that California loses $140 billion per year in output (or 6 percent of state GDP) due to the housing shortage from lost construction investment and consumption crowded out by housing costs.

The Regional Council has recognized the state and region’s housing crisis and has adopted principles to address the issue, in addition to adopting among its legislative priorities support of measures to enhance funding for and development of increased housing and affordable housing development. The Governor, in his released 2017-18 proposed budget also recognized the crisis and allocated additional funds to housing, but emphasized that any additional funding or resources to the issue must be new funding that
does not impact the state’s General Fund (GF), not moving existing GF funding from elsewhere to
housing. SB 2 satisfies these objectives.

SB 2 passed the Senate Transportation and Housing Committee by 9-3 vote on February 28, 2017. The
bill currently is referred to the Senate Government and Finance Committee.

Support/Opposition
The bill has an extensive list of on-record support from wide ranging housing, local government, labor,
and business interests; and opposition from a number of local government, business, and tax groups,
listed below.

Based upon the foregoing staff recommends the Legislative/Communications and Membership Committee forward a support recommendation to the Regional Council for adoption.

ATTACHMENTS:
None
RECOMMENDED ACTION:
Support

EXECUTIVE SUMMARY:
SB 3 would put a $3 billion housing bond before voters on the November 6, 2018 general election ballot to finance various existing housing programs and infill infrastructure financing and affordable housing matching grant programs. The bond would provide $1.5 billion for rental housing for persons with incomes of up to 60% of median income; $600 million for Transit-Oriented Development and Infill Infrastructure; $600 million for farmworkers and other affordable housing projects; and $300 million to CalHome Program among other provisions.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation Infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:
This bill would enact the Affordable Housing Bond Act of 2018, which, if adopted by voters at the November 6, 2018 general election would authorize issuance of $3 billion of General Obligation bonds to finance various existing housing programs, as well as infill infrastructure financing and affordable housing matching grant programs.

The bill proposes new funding for several existing programs described below, all of which received funding under Proposition 1C, the Housing and Emergency Shelter Trust Fund Act of 2006 approved by voters that provided an additional $2.85 billion for housing across the state. According to the state Department of Housing and Community Development (HCD), only $250 million of Prop 1C monies remain available for expenditure. Prop 1C resulted in building 92,000 housing units and 3,000 shelter spaces. Continued funding of these programs under SB 3 if voters approve the bond include:

- Multifamily Housing Program ($1.5 billion) — The Multifamily Housing Program assists the new construction, rehabilitation, and preservation of permanent and transitional rental housing for lower income households through loans to local governments and non- and for-profit developers. Funds are for incomes up to 60% of area median income.
- Transit-Oriented Development Implementation Program ($0.2 billion) — under the program, low-interest loans are available as gap financing for rental housing developments that include affordable units, and as mortgage assistance for homeownership developments. Grants to cities,
counties, and transit agencies are for the provision of the infrastructure necessary for the development of higher density uses within close proximity to a transit station and loans for the planning and development of affordable housing within one-quarter mile of a transit station.

- **Infill Infrastructure Financing Grants ($0.3 billion)** — this program assists in the new construction and rehabilitation of infrastructure that supports higher density affordable and mixed-income housing in locations designated as infill, such as water and sewer extensions.

- **Joe Serna, Jr. Farmworker Housing Grant Program ($0.3 billion)** — this program finances the new construction, rehabilitation, and acquisition of owner-occupied and rental units for agricultural workers, with a priority for lower income households.

- **Local Housing Trust Matching Grant Program ($0.3 billion)** — this provides matching grants to local governments and non-profits that raise money for affordable housing.

- **CalHome ($0.3 billion)** — this program provides grants to local public agencies and nonprofit developers to assist individual households through deferred-payment loans. The funds would provide direct, forgivable loans to assist development projects involving multiple ownership units, including single-family subdivisions. This money would also be available to self-help mortgage assistance programs and manufactured homes.

- **Building Equity and Growth in Neighborhoods program ($0.1 billion)** — this program provides down payment assistance for first-time low- and moderate-income homebuyers where project affordability has been improved through regulatory incentives

**DISCUSSION**

SB 3 is authored by Senate Transportation and Housing Committee Chair Jim Beall (D-San Jose), and is co-authored by Senators Benjamin Allen (D-Redondo Beach), Toni Atkins (D-San Diego), Bill Dodd (D-Napa), Jerry Hill (D-San Mateo), Connie Leyva (D-San Bernardino), Mike McGuire (D-San Rafael), Tony Mendoza (D-Cerritos), Bill Monning (D-San Luis Obispo), Richard Roth (D-Riverside), and Scott Wiener (D-San Francisco).

The author reports that California is home to 21 of the 30 most expensive rental housing markets in the country, which has had a disproportionate impact on the middle class and the working poor. This is due to a housing shortage in California where 2.2 million extremely low-income and very low-income renter households are competing for only 664,000 rental homes that are categorized as affordable. A recent report by HCD showed that statewide for very low- and extremely low-households, California has a shortage of approximately 1.5 million rental units.

Additionally, according to a 2015 study by the nonpartisan Legislative Analyst’s Office (LAO), California’s average monthly rent is 50% higher than the rest of the county, and the majority of California renters pay more than 30% of their income towards rent with more than 1.5 million households paying more than half of their incomes towards rent.

The programs in this bond specifically fund the construction, rehabilitation, and preservation of housing for those at risk of or currently experiencing homelessness and low-income earners, in addition to helping create more homeownership opportunities for low and moderate-income earners.

According to the author, California can leverage $3 in federal tax credits and bonds. Taken together with an additional $11 billion in leveraged federal funding, this bond bill will result in:
• 147,000 jobs;
• More than $9 billion in labor income and $24.5 billion in economic activity;
• $1.1 billion in additional local and state taxes & fee revenue.

The Regional Council has adopted housing principles to address the need to develop more housing and affordable housing throughout the region, in addition to adopting among its legislative priorities support of measures to enhance funding for and more housing and affordable housing development. SB 3 would give voters the opportunity to decide whether issuance of a state general obligation bond to fund existing programs would be a worthy investment to address the state’s housing needs.

SB 3 is referred to the Senate Transportation and Housing Committee and the Senate Committee on Government and Finance. It passed the Senate Transportation and Housing Committee by 10-2 vote on February 28, 2017. The bill currently is calendared for hearing by the Senate Committee on Government and Finance on March 22, 2017.

SUPPORT/OPPosition
The bill has an extensive list of on-record support from housing and local government interests listed below; and opposition from the Howard Jarvis Taxpayers Association.

SUPPORT: California Building Industry Association, California Coalition for Rural Housing, California Commission on Aging, California Rural Legal Assistance Foundation, California Housing Partnership Corporation, California Housing Consortium, City of Belmont, City of Concord, City of Daly City, City of Fort Bragg, City of Fremont, City of Goleta, City of Hayward, City of Indio, City of Lakeport, City of Los Angeles, City of Mountain View, City of Napa, City of Petaluma, City of Sacramento, City of San Jose, City of San Mateo, City of San Rafael, City of Santa Monica, City of Santa Rosa, City of Sunnyvale, City of Thousand Oaks, City of Union City, City of Walnut Creek, City of West Hollywood, Community Housing Partnership, EAH Housing, East Bay Developmental Disabilities Legislative Coalition, East Bay Local Asian Development Corporation, Eden Housing, ElderFocus, Habitat for Humanity, Housing California, The John Stewart Company, League of California Cities, Mercy Housing, Metropolitan Transportation Commission, Non-Profit Housing Association of Northern California, San Luis Obispo Housing Trust Fund, Southern California Association of Nonprofit Housing, Town of Danville, TransForm, Western Center on Law and Poverty.

Staff recommends the Legislative/Communications and Membership Committee forward a recommendation of support of SB 3, consistent with Regional Council adopted legislative priorities and housing principles to support proposals that seek additional funding and resources to address California’s acute shortage of housing and affordable housing.

SUBJECT: SB 540 (Roth) - Workforce Housing Opportunity Zone

RECOMMENDED ACTION:
Support

EXECUTIVE SUMMARY:
SB 540 would authorize local governments to create Workforce Housing Zones to expedite development of projects providing housing units within those zones by preparing an Environmental Impact Report (EIR) pursuant to the California Environmental Quality Act (CEQA) and adopting a specific plan that would streamline the approval process for the projects proposed within the zone that are consistent with the plan. Staff recommends support to provide additional tool to local governments to increase housing development within their jurisdictions.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation Infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:
The League of California Cities is sponsoring Senator Richard Roth’s (D-Riverside) SB 540 to create an enhanced up-front planning process for local governments that choose to develop Workforce Housing Districts with specific plans per provisions of the bill that would reduce delays and uncertainty when proposed projects are consistent with the plans. Ensuring local planning requirements and environmental mitigation measures are identified early would streamline the approval process to facilitate more housing construction.

Under SB 540, cities and counties could identify priority housing areas within a community where enhanced planning, necessary environmental reviews and public engagement would occur at the front end. By focusing on workforce and affordable housing in areas close to jobs and transit, the additional streamlined process would encourage developers to propose projects that address affordable housing needs and climate protection goals. In order to be eligible, projects would have to meet the following criteria:

- 30 percent of units must be sold or rented to moderate income households;
- 15 percent must be sold or rented to lower income households; and,
- 5 percent must be sold or rented to very low income households.
Funding to support the up-front planning would come from a revolving state loan fund available to local governments. Under the bill, the state would provide funding for the state loan fund; and local governments would have authority to impose a one-time fee to developers seeking to build projects within the zone, which would be based on its best estimated prorated amount of the applicant’s relative benefit derived from the plan, to offset its costs and to reimburse funds borrowed from OPR to develop the plan.

Bill provisions require that local governments hold public hearings as part of the process of developing the plan for the workforce housing zone, and retains opportunities for public engagement and through the up-front plan development and environmental review. After the zone is adopted, a lead agency is not required to prepare an EIR or negative declaration for a housing development that occurs within the zone. Because the local government has fully conducted the necessary environmental reviews, no project-specific additional environmental reviews would be needed.

A local government would have authority to approve or disapprove the housing development within 90 days of a completed application, but for 5 years after adoption of the plan it may not deny a development that satisfies the criteria of the plan unless the local government makes certain findings. These provisions would dramatically streamline housing approvals.

SB 540 has been triple referred to the Senate Committee on Transportation and Housing, Senate Committee on Governance and Finance, and the Senate Environmental Quality Committee. It will have its first hearing today, on March 21, 2017, in the Senate Committee on Transportation and Housing.

Staff recommends the Legislative Communications and Membership Committee forward a support recommendation to the Regional Council. This bill strikes a balance between local control by allowing local governments to identify the zones where such development could occur and to develop the plan with local public input, but then having a limited ‘by right’ approval process for projects that meet the criteria of the plan that would significantly reduce approval and permitting of the approved projects, as well as not requiring repetitious EIRs by individual projects once one has been approved for the entire zone. Staff recommends support.

SUBJECT: S. 496 (Duckworth) - Metropolitan Planning Organization Coordination and Planning Area Reform Repeal

RECOMMENDED ACTION:
Support

EXECUTIVE SUMMARY:
S. 496 would repeal the rule issued by the Federal Highway Administration and the Federal Transit Administration entitled “Metropolitan Planning Organization Coordination and Planning Area Reform.”

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation Infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:
On June 27, 2016 the Federal Highway Administration and Federal Transit Administration jointly released a Notice of Proposed Rulemaking on Metropolitan Planning Organization (MPO) Coordination and Planning Area Reform; and, after extensive public comment and input on the proposed Rule, adopted it on December 20, 2016.

This rule has the potential to dramatically reshape the transportation planning landscape by strongly encouraging MPO consolidation and requiring state DOTs to have a stronger system for working with the MPOs that remain. There are 409 metropolitan planning organizations in operation today. All Census-defined urban areas must be covered by an MPO. As many as 142 MPOs (35%) share an urban area with another MPO. The Rule targets these MPOs for consolidation. Some of the largest urban areas in the country are split into multiple MPOs—especially in the fast-growing Sun Belt.

MPOs were created to provide local control over route selection of Interstate projects in the 1960s and 1970s, and remain an important counterbalance to the power of state DOTs. Congress first mandated MPOs in the 1973 Federal Aid Highway Act, and strengthened their mission in ISTEA in 1991. The proposed rule asserts that Congress’ intent was for each urban area to have a single MPO (with limited exceptions). This proposed rule would require a re-designation of MPOs based on the standard of one MPO per urban area, effectively providing a reset button on boundaries drawn over the past 43 years.

The Rule change does three things:
1. **One MPO Per Urban Area.** The rule clarifies that one MPO per metropolitan planning area (a legal term that includes the Census-defined urban area plus land expected to be urban within 20 years) is the intent of statute and administrative code. Governors and local governments would be required to redesignate new MPOs with boundaries that meet the one-MPO-per-urban area standard. After each Census, MPOs would go through a similar process. The governor and local governments are still able to jointly declare that a single urban area should have multiple MPOs if the region has extenuating circumstances.

2. **Single Set of Planning Documents.** In cases where an urban area will have more than one MPO, a single set of planning products is required. Joint documents would include a 20-year long range transportation plan, short-range transportation improvement program, and a 1-2 year unified planning work program. This provision eliminates much of the incentive for separate MPOs in the same urban area.

3. **Adoption of State DOT/MPO Planning Agreements.** All state DOTs will be required to negotiate and agree to planning agreements with all MPOs in their state. Further, the planning agreement must include a process for resolving disputes between the MPO and the state DOT. This could erode local control and autonomy in local and regional planning practices for circumstances unique to each region.

If adopted, MPOs would be required to meet the new standard within two years. By late 2018 the reshuffle will be complete, and the country could see the number of MPOs in operation reduced by 100 or more.

**Opposition**

The Rule as adopted has been very unpopular with MPOs and other stakeholders – during the public comment period only 16 commenters supported the rule while 299 opposed it. Although SCAG did not officially oppose the Rule, it did sign a joint letter expressing concern with other California MPOs and stakeholders that it was too prescriptive with respect to forced consolidation of MPOs and that greater flexibility should be allowed for local decision making on the question of whether consolidation of any MPOs should occur. Additionally, the House Transportation and Infrastructure Committee, which has principal jurisdiction in the Congress over these entities, issued a strong, bipartisan letter of opposition to the MPO Consolidation Rule, asserting that the Rule is a large overreach by the Administration, noting that Congress has never mandated that MPOs within the same urbanized area produce a single TIP, long-range plan, or performance targets in any past surface transportation reauthorization bills, including the most recently passed FAST Act in 2015. The Committee also expressed concern that the Rule was being pushed through too quickly, without sufficient consideration of the concerns of its many opponents, in order to be completed prior to the end of the Administration from which it originated.

**Senate Passes Legislation to Repeal MPO Consolidation Rule**

On March 8, 2017, the U.S. Senate passed, by unanimous consent, S. 496 (Duckworth-IL), legislation to repeal the December 2016 final rule from the U.S. Department of Transportation (U.S. DOT) that would require many local metropolitan planning organizations (MPOs) in the same region to merge. The bill now goes to the House where it could eventually be approved for the President's signature. Given that the
House T&I Committee has previously issued a strong repudiation of the Rule, it seems likely that the House will move in the relatively near future to pass this legislation.

Staff recommends the Legislative/Communications and Membership Committee forward a support recommendation for adoption by the Regional Council on local control grounds; recognizing that each region and each urbanized area within California have unique demographic, economic, and other characteristics and some are dramatically different from one another, having impact on planning approaches and solutions. Metropolitan Planning Organizations should perform this function independent of a forced merger and requirement of preparation of a single planning document with the concurrence of the State DOT, to provide for true bottoms up planning to address regional needs. Staff recommends support.

FROM: Darin Chidsey; Chief Operating Officer; (213) 236-1836; chidsey@scag.ca.gov

SUBJECT: AB 342 (Chiu) – Vehicles: Automated Speed Enforcement: Five-Year Pilot Program

RECOMMENDED ACTION:
For Information Only – No Action Required

EXECUTIVE SUMMARY:
AB 342 (Chiu) would authorize the City of San Jose and the City and County of San Francisco to implement a 5-year pilot program utilizing an automated speed enforcement system for speed limit enforcement on certain streets. The legislation would require that the system meet specified requirements, including the deployment of signage and training for personnel to operate the systems. The bill would allow for a civil penalty not to exceed $100. In addition, the bill would require the Department of Motor Vehicles and the Franchise Tax Board to treat delinquency of payments similarly to other delinquent payments related to the operation of a vehicle. Staff is monitoring this legislation as it may have future public safety considerations that could be beneficial to the SCAG region.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation Infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:
AB 342 was introduced by Assemblymember David Chiu (D-San Francisco) and is co-authored by Senator Scott Wiener (D-San Francisco), Assemblymember Kansen Chu (D-San Jose), and Senator Jim Beall (D-San Jose).

AB 342 would authorize, no later than January 1, 2019, the City of San Jose (San Jose) and the City and County of San Francisco (San Francisco) to implement a 5-year pilot program utilizing an automated speed enforcement (ASE) system for speed limit enforcement on certain streets. The legislation would require that the system meet specified requirements, including that the presence of a fixed or mobile ASE system is clearly identified by signs and training for peace officers or other designated municipal employees that are utilized to oversee the operation of the fixed and mobile ASE systems.

A violation would be assesses if a vehicle is traveling 10 miles per hour or more over the posted speed limit and notices of violation would only be issued to vehicles based on that evidence. The bill authorizes a civil penalty for violations recorded by the ASE systems. The penalty would be inclusive of any additional local fees and are not to exceed $100. San Jose and San Francisco would be authorized to offer a diversion program for certain low-income ASE system violation recipients to either perform community...
service in lieu of paying the civil penalty for an ASE system violation or pay the applicable fines and penalties over a period of time under a payment plan.

In addition, the bill would require the Department of Motor Vehicles (DMV) and the Franchise Tax Board to treat delinquency of payments for ASE system violations similarly to other delinquent payments related to the operation of a vehicle.

After two years of initial implementation of their respective ASE systems, and at the end of the pilot program, San Jose and San Francisco would be required to develop and submit an ASE System Report, which would include the following information:

A) A description of how the ASE system was used.
B) Whether and how often any ASE system data was shared with outside entities, the name of any recipient entity, the type or types of data disclosed, and the legal reason for the disclosure.
C) A summary of any community complaints or concerns about the ASE system.
D) Results of any internal audits, information about any violations of the ASE System Use Policy, and any actions taken in response.
E) Information regarding the impact the ASE system has had on the streets where the ASE system was deployed.
F) A summary of any public record act requests.

San Jose and San Francisco would also be required to submit to the transportation committees of both the California State Assembly and Senate an evaluation of the ASE system in their respective jurisdictions to determine the system’s impact on highway safety and the economic impact of the system on the communities in which it is utilized.

The bill would remain in effect only until January 1, 2024, and which point it would be automatically repealed unless legislation before that date ends or extends the program.

AB 342 was introduced on February 7, 2017 and was referred to the Assembly Committee on Transportation on February 21, 2017. No support or opposition is on record yet.

SCAG staff will continue to monitor AB 342 and keep the Committee apprised of any updates or developments as the legislative session moves forward.

Calendar: 3/16/2017 #26 SENATE SEN THIRD READING FILE - ASM BILLS

Summary:
Current federal law requires the United States Secretary of Transportation to carry out a surface transportation project delivery pilot program, under which the participating states assume certain responsibilities for environmental review and clearance of transportation projects that would otherwise be the responsibility of the federal government. Current law, until January 1, 2017, provided that the State of California consents to the jurisdiction of the federal courts with regard to the compliance, discharge, or enforcement of the responsibilities it assumed as a participant in the pilot program. This bill would reinstate the operation of the latter provision. The bill would repeal that provision on January 1, 2020.

**AB 65**  (Patterson R)  **Transportation bond debt service.**  
**Introduced:** 12/13/2016  
**Status:** 1/19/2017-Referred to Com. on TRANS.  
**Location:** 1/19/2017-A. TRANS.  

**Summary:**  
Current law provides for transfer of certain vehicle weight fee revenues to the Transportation Debt Service Fund to reimburse the General Fund for payment of current year debt service on general obligation bonds issued for transportation purposes, including bonds issued for high-speed rail and associated purposes pursuant to the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century (Proposition 1A of 2008). This bill would specifically exclude from payment under these provisions the debt service for Proposition 1A bonds.

**Summary:**
Current law provides that the Department of Transportation has full possession and control of the state highway system and associated property. Current law authorizes the department to plan, design, and construct a system of safety roadside rests along state highways. Current law requires the department to design only those safety roadside rests that are reasonably economical and that will provide the motorist a place where he or she may stop for a short time during daytime and nighttime hours. This bill would make nonsubstantive changes to these provisions.

AB 87 (Ting D)  Autonomous vehicles.
Introduced: 1/5/2017
Status: 1/19/2017-Referred to Coms. on TRANS. and C. & C.
Location: 1/19/2017-A. TRANS.

Summary:
Current law requires the Department of Motor Vehicles to adopt regulations no later than January 1, 2015, setting forth requirements for the submission of evidence of insurance, surety bond, or self-insurance, and for the submission and approval of an application to operate an autonomous vehicle. Under current law, it is unlawful and constitutes an infraction for any person to violate, or fail to comply with any provision of the Vehicle Code, unless otherwise specified. This bill would provide that violation of this section is not an infraction and would instead, among other things, require the department to revoke the registration of a vehicle that is being operated in violation of those provisions.

ASSEMBLY WATER, PARKS AND WILDLIFE, GARCIA, Chair

**Summary:**

Current law requires moneys from the Greenhouse Gas Reduction Fund to be allocated for the purpose of reducing greenhouse gas emissions in this state and satisfying other purposes. Current law authorizes specified investments, including water use and supply, if the investment furthers the regulatory purposes of the California Global Warming Solutions Act of 2006 and is consistent with law. This bill would authorize the use of the moneys in the fund for electric pump efficiency, water and wastewater systems, pump and pump motor efficiency improvements, and drinking water transmission and distribution systems’ water loss if the investment furthers the regulatory purposes of the act and is consistent with law.

Summary:  
Current state law authorizes the Department of Transportation to designate certain lanes for the exclusive use of high-occupancy vehicles (HOVs). Current law also authorizes super ultra-low emission vehicles, ultra-low emission vehicles, partial zero-emission vehicles, or transitional zero-emission vehicles, as specified, that display a valid identifier issued by the Department of Motor Vehicles to use these HOV lanes. This bill would make a technical, nonsubstantive change to these provisions.

Summary:  
Current law establishes the Department of Transportation and the California Transportation Commission and provides that the department has full possession and control of all state highways and all property and rights in property acquired for state highway purposes and authorizes and directs the department to lay out and construct all state highways between the termini designated by law and on the locations as determined by the commission. This bill would make technical, nonsubstantive changes to these provisions.

Calendar:  
3/20/2017  2:30 p.m. - State Capitol, Room 4202  ASSEMBLY TRANSPORTATION, FRAZIER, Chair  

Summary:  
Current law, with limited exceptions, requires each city and county to submit to the Controller a complete report of expenditures for street and road purposes for October 1 of each year relative to the preceding fiscal year ending on June 30. This bill would instead require the report to be submitted to the Controller within 7 months after the close of the fiscal year adopted by a city or county. The bill would make other conforming changes.

Summary:
The Passenger Charter-party Carriers’ Act provides for the regulation of charter-party carriers of passengers by the Public Utilities Commission and includes specific requirements for liability insurance coverage, background checks, and other regulatory matters applicable to transportation network companies, as defined, and their participating drivers, as defined. This bill would make a nonsubstantive change to the definition of a participating driver for purposes of the regulation of transportation network companies.

Summary:
Would revise and recast the provisions governing the State Transit Assistance program. The bill would provide that only STA-eligible operators, as defined, are eligible to receive an allocation from the portion of program funds based on transit operator revenues. The bill would provide for each STA-eligible operator within the jurisdiction of the allocating local transportation agency to receive a proportional share of the revenue-based program funds based on the qualifying revenues of that operator, as defined.

**Wiener** D  Planning and zoning: affordable housing: streamlined approval process.
**Introduced:** 12/5/2016
**Last Amended:** 3/9/2017
**Status:** 3/9/2017-From committee with author's amendments. Read second time and amended. Re-referred to Com. on GOV. & F.

Summary:
The Planning and Zoning Law requires a planning agency, after a legislative body has adopted all or part of a general plan, to provide an annual report to the legislative body, the Office of Planning and Research, and the Department of Housing and Community Development on the status of the general plan and progress in meeting the community's share of regional housing needs. This bill would require the planning agency to include in its annual report specified information regarding units of housing that have completed construction. The bill would also require the Department of Housing and Community Development to post an annual report submitted pursuant to the requirement described above on its Internet Web site, as provided.

**Summary:**
Beginning with the 2004–05 fiscal year and for each fiscal year thereafter, existing law requires that each city, county, and city and county receive additional property tax revenues in the form of a vehicle license fee adjustment amount, as defined, from a Vehicle License Fee Property Tax Compensation Fund that exists in each county treasury. Current law requires that these additional allocations be funded from ad valorem property tax revenues otherwise required to be allocated to educational entities. This bill would modify these reduction and transfer provisions for a city incorporating after January 1, 2004, and on or before January 1, 2012, for the 2017–18 fiscal year and for each fiscal year thereafter, by providing for a vehicle license fee adjustment amount calculated on the basis of changes in assessed valuation.

**Summary:**
Would prohibit the lead agency, in determining the baseline physical conditions by which a lead agency determines whether a project has a significant effect on the environment, from considering the effects of certain actions on the environment.

**History:**

**2017**
Introduced. Read first time. To Com. on RLS. for assignment. To print.
SB 263  (Leyva D)  Climate Assistance Centers.
Introduced: 2/8/2017
Status: 3/15/2017-Set for hearing April 5.
Location: 2/16/2017-S. E.Q.
Summary:
Would require the Strategic Growth Council to establish no less than 10 regional climate assistance centers, equitably distributed across urban and rural areas of the state, to build the capacity of local community organizations, municipalities, and small businesses from disadvantaged communities to participate in state climate investment programs, as specified. The bill would require the council to allocate available moneys to community-based and nonprofit organizations to engage with climate assistance centers and conduct outreach in disadvantaged communities, as specified.

History:
2017
Introduced. Read first time. To Com. on RLS. for assignment. To print.
From printer. May be acted upon on or after March 11.
Referred to Coms. on EQ. and N.R. & W.
Set for hearing March 29.
March 29 hearing postponed by committee.
Set for hearing April 5.

SB 264  (Nguyen R)  High-occupancy toll lanes.
Introduced: 2/8/2017
Status: 2/16/2017-Referred to Com. on RLS.
Location: 2/8/2017-S. RLS.
Summary:
Existing law authorizes a regional transportation agency or the Department of Transportation to apply to the California Transportation Commission to develop and operate high-occupancy toll (HOT) lanes or other toll facilities. Current law defines "regional transportation agency" for these purposes to include, among other agencies, a county transportation commission established under the County Transportation Commissions Act. This bill would instead refer to a county transportation commission or authority established under that act.

History:
2017
Introduced. Read first time. To Com. on RLS. for assignment. To print.
From printer. May be acted upon on or after March 11.
Referred to Com. on RLS.

SB 268  (Mendoza D)  Los Angeles County Metropolitan Transportation Authority.
Introduced: 2/8/2017
Status: 2/16/2017-Referred to Com. on RLS.
Location: 2/8/2017-S. RLS.
Summary:
Current law creates the Los Angeles County Metropolitan Transportation Authority with specified...
powers and duties relative to transportation planning, programming, and operations in Los Angeles County. The authority is governed by a 14-member board of directors which is the Mayor of the City of Los Angeles, 2 public members and one Los Angeles city council member appointed by the mayor, 4 members appointed from the other cities in the county, the 5 members of the board of supervisors, and a nonvoting member appointed by the Governor. This bill would make nonsubstantive changes to these provisions.

**History:**

**2017**

**Summary:**

Current law establishes the Department of Transportation and the California Transportation Commission and provides that the department has full possession and control of all state highways and all property and rights in property acquired for state highway purposes and authorizes and directs the department to lay out and construct all state highways between the termini designated by law and on the locations as determined by the commission. This bill would make technical, nonsubstantive changes to these provisions.

**Summary:**

Current federal law authorizes a state to allow the use of lanes designated for high-occupancy vehicles (HOVs) by specified vehicles that are not HOVs. Current state law authorizes the Department of Transportation to designate certain lanes for the exclusive use of HOVs, which lanes may also be used by certain low-emission, hybrid, or alternative fuel vehicles not carrying the requisite number of passengers otherwise required for the use of an HOV lane, if the vehicle displays a valid identifier issued by the Department of Motor Vehicles (DMV). This bill would make a technical, nonsubstantive change to those provisions.

### SB 414

**(Vidak R) Transportation bonds: highway, street, and road projects.**

**Introduced:** 2/15/2017

**Status:** 2/23/2017-Referred to Coms. on T. & H. and GOV. & F.

**Location:** 2/23/2017-S. T. & H.
**Summary:**
Would provide that no further bonds shall be sold for high-speed rail purposes pursuant to the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century, except as specifically provided with respect to an existing appropriation for high-speed rail purposes for early improvement projects in the Phase 1 blended system. The bill, subject to the above exception, would require redirection of the unspent proceeds from outstanding bonds issued and sold for other high-speed rail purposes prior to the effective date of these provisions, upon appropriation, for use in retiring the debt incurred from the issuance and sale of those outstanding bonds.

**History:**
2017
Introduced. Read first time. To Com. on RLS. for assignment. To print.

Referred to Coms. on T. & H. and GOV. & F.

**SB 415**  
**Vidak R**  
**High-speed rail: rights-of-way.**

**Introduced:** 2/15/2017

**Status:** 2/23/2017-Referred to Com. on T. & H.

**Location:** 2/23/2017-S. T. & H.

**Summary:**
Would require the High-Speed Rail Authority to make a good faith effort to sell or exchange real property or an interest in real property acquired by the state for high-speed rail purposes on or after January 1, 2018, within 3 years from the date of acquisition if the authority has not begun construction on the property or interest in the property within that 3-year period. For real property or an interest in real property acquired before January 1, 2018, the bill would require the authority to dispose of the property on or before January 1, 2021, or, for property subject to a lease as of January 1, 2018, within 3 years of the expiration of the lease, if the authority has not begun construction during those 3-year periods.

**Workforce Housing Opportunity Zone.**

**Introduced:** 2/16/2017

**Status:** 3/2/2017-Referred to Coms. on T. & H., GOV. & F., and EQ.

**Location:** 3/2/2017-S. T. & H.

**Summary:**
Would authorize a local government, as defined, to establish a Workforce Housing Opportunity Zone by preparing an EIR pursuant to CEQA and adopting a specific plan that is required to include text and a diagram or diagrams containing specified information. The bill would require a local government that proposes to adopt a Workforce Housing Opportunity Zone to hold public hearings on the specific plan. The bill would authorize a local government, after a specific plan is adopted and the zone is formed, to impose a specific plan fee upon all persons seeking governmental approvals within the zone.

**Summary:**

Current law authorizes a public transportation agency to adopt and enforce an ordinance to impose and enforce civil administrative penalties for certain passenger misconduct on or in a transit facility or vehicle. Current law requires these penalties to be deposited in the general fund of the county in which the citation is administered. This bill would instead require the penalties to be deposited with the public transportation agency that issued the citation.

---

**SCA 6** (Wiener D) Local transportation measures: special taxes: voter approval.

**Introduced:** 2/13/2017

**Status:** 3/8/2017-Set for hearing April 5.

**Location:** 2/23/2017-S. GOV. & F.

**Calendar:**

4/5/2017 9:30 a.m. - Room 112  SENATE GOVERNANCE AND FINANCE, MCGUIRE, Chair

**Summary:**

Would require that the imposition, extension, or increase of a special tax by a local government for the purpose of providing funding for transportation purposes, as specified, be submitted to the electorate and approved by 55% of the voters voting on the proposition. The measure would also make conforming and technical, nonsubstantive changes.
