ANNOUNCEMENTS

ADJOURNMENT
The next meeting of the Legislative/Communications & Membership Committee is scheduled for 8:30 AM, Tuesday, June 21, 2016 at the SCAG Los Angeles Office.
The Legislative/Communications & Membership Committee held its April 19, 2016 meeting at SCAG’s downtown Los Angeles Office.

**Members Present**
Hon. Glen Becerra, District 46 (Teleconference)
Hon. Margaret Clark, District 32 (Teleconference)
Hon. Gene Daniels, District 24
Hon. Margaret Finlay, District 35 (Teleconference)
Hon. Curt Hagman, County of San Bernardino (Teleconference)
Hon. Clint Lorimore, District 4 – (Teleconference)
Hon. Michele Martinez, District 16 – (Teleconference)
Hon. Larry McCallon, District 7 – (Videoconference)
Hon. Judy Mitchell, District 40 – (Videoconference)
Hon. Kris Murray, District 19 – (Teleconference)
Hon. Pam O’Connor – District 14 (Teleconference)
Hon. Greg Pettis, District 2
Hon. Cheryl Viegas-Walker, District 1 (Videoconference)
Hon. Alan Wapner, SANBAG (Teleconference)

**CALL TO ORDER**
The meeting was called to order by Hon. Greg Pettis, at approximately 8:30 a.m. A quorum was confirmed and roll-call was taken.

**PUBLIC COMMENT PERIOD**
There were no public comments presented.

**REVIEW AND PRIORITIZE AGENDA ITEMS**
There was no reprioritization of the agenda

**CONSENT CALENDAR**

1. Minutes of March 15, 2016 Meeting

A MOTION was MADE (Daniels) to approve the Consent Calendar. The MOTION was SECONDED (O’Connor) and APPROVED by a majority vote. A roll-call vote was taken and recorded as follows:

**AYES:** Clark, Daniels, Finlay, Lorimore, Martinez, McCallon, Murray, O’Connor, Pettis, Viegas-Walker, Wapner

**NOES:** None

**ABSTAIN:** None
ACTION ITEMS

2. SCAG Logo Re-Design and Branding

Darin Chidsey, Director of Strategy, Policy & Public Affairs, provided an overview of the logo redesign process, noting that from the proposed draft designs, staff selected four for further refinement and consideration. The four logo designs reflect the consistent themes that emerged from the research phase around SCAG’s brand values and the agency’s strength – regional collaboration. The four designs were shared with executive staff, who recommended two final designs. Executive staff also reviewed many potential taglines that would strengthen SCAG’s brand. Per their direction, the consultant team, One Eighteen, and staff further refined the taglines to better highlight SCAG’s core value of innovation. The two final designs and tagline recommendations were shared with the Logo Re-Design Subcommittee on April 18, 2016.

After a brief discussion, a MOTION was made (O’Connor) to recommend to the Regional Council, Logo Design A-2 with the tagline as submitted. The MOTION was SECONDED (Martinez) and APPROVED by a majority vote. A roll-call vote was taken and recorded as follows:

AYES: Becerra, Clark, Daniels, Finlay, Lorimore, Martinez, McCallon, Mitchell, Murray, O’Connor, Pettis, Viegas-Walker, Wapner

NOES: None

ABSTAIN: None

3. AB 2796 (Bloom) – Active Transportation Program

Darin Chidsey, Director of Strategy, Policy & Public Affairs, stated that AB 2796 addresses the increased need for planning funds and the Active Transportation Program. The bill would amend the statute that established the Active Transportation Program to specify that each funding component – stateside, rural and small Urban, and Metropolitan Planning Organization administered competitions award a minimum of 5% for planning and community engagement in disadvantaged communities and a minimum of 10% and maximum of 30% for non-infrastructure programming, including Safe Routes to Schools. Staff recommends support.

A MOTION was made (Martinez) to support AB 2796 (Bloom). The MOTION was SECONDED (Daniels) and APPROVED by a majority vote. A roll-call vote was taken and recorded as follows:

AYES: Becerra, Clark, Daniels, Finlay, Lorimore, Martinez, McCallon, Mitchell, Murray, O’Connor, Pettis, Viegas-Walker, Wapner

NOES: None

ABSTAIN: None

INFORMATION ITEMS

4. SB 1387 (De Leon) – Non-Vehicular Air Pollution: Market-Based Incentive
Darin Chidsey, Director of Strategy, Policy & Public Affairs, stated that SB 1387 will add three (3) new seats to the South Coast Air-Quality Management District, but more importantly it changes the approval authority for any market-based incentive programs produced by air districts in the state.

5. Bills of Interest Update

Jeff Dunn, Senior Legislative Analyst, provided an overview of the following bills: 1) AB 1364 (Linder); 2) AB 1550 (Gomez); and 3) AB 2332 (E. Garcia).

6. FY 16 Sponsorships and Memberships Report

Darin Chidsey, Director of Strategy, Policy & Public Affairs, stated that in response to President Viegas-Walker, staff has provided a report which summarizes total sponsorships and memberships expended to date in Fiscal Year 2015-2016 (FY 2016).

7. General Assembly Update

Darin Chidsey, Director of Strategy, Policy & Public Affairs, provided an overview on the 2016 General Assembly and Regional Conference, being held at the La Quinta Resort & Spa May 5 & 6, 2016, noting that sponsorships and attendee registrations are both progressing with excellent results. Mr. Chidsey encouraged members to attend the Active Transportation Leadership Symposium being held on Wednesday, May 4, 2016 in La Quinta, just prior to the General Assembly.

8. Legislative Tracking Report

Jeff Dunn, Senior Legislative Analyst, in response to Hon. Margaret Clark’s inquiry, noted that SB 876 (Liu) – Homelessness has failed to meet the legislative deadline and absent rule-waiver will not move from the Legislature this year.

FUTURE AGENDA ITEMS
There were no agenda items presented.

ANNOUNCEMENTS
There were no announcements presented.

ADJOURNMENT
Hon. Greg Pettis adjourned the meeting at 9:30 a.m. The next regular meeting of the Legislative/Communications & Membership Committee is scheduled for 8:30 a.m. – 10:00 a.m., Tuesday, May 17, 2016.

SUBJECT: SCAG Memberships & Sponsorship

RECOMMENDED ACTION:
Approve

EXECUTIVE SUMMARY:
The Legislative/Communications & Membership Committee (LCMC) is asked to approve up to $82,186 in sponsorships for the: 1) METRANS Transportation Center Associates Program ($25,000); 2) California Contract Cities Association ($5,000); 3) National Association of Regional Councils ($30,000); 4) FuturePorts ($5,000); 5) Eno Center for Transportation ($11,500); and 6) American Public Transportation Association ($5,686). In addition, the LCMC is asked to approve up to $5,000 in sponsorships for the University of California, Los Angeles Luskin Senior Fellows Leadership Program.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:
Memberships

1) METRANS Transportation Center Associates Program – $25,000

The METRANS Transportation Center is one of the key transportation research, education, and outreach centers in the United States. With its focus on solving transportation problems of large metropolitan areas, it has used Southern California as a laboratory and developed methods to increase the efficiency and sustainability of the region’s transportation systems. As a partnership of two of the largest universities in the region—University of Southern California (USC) and California State University, Long Beach (CSULB)—the Center trains the region’s transportation professionals in engineering, urban planning, logistics, economics and public policy. Through conferences, workshops, and comprehensive media programs, METRANS serves as the regional focus for research dissemination and policy outreach. METRANS is a United States Department of Transportation-designated University Transportation Center.
The METRANS Associates Program provides the core support for METRANS. It serves as a model of collaboration between the University community, corporations, and government agencies who come together to study emerging trends and forecasts in goods movement and international trade, discuss relevant and timely developments in transportation policy, and share best practices in the field. METRANS Associates enjoy unparalleled access to USC and CSULB faculty and other policy experts and leaders in transportation. Additionally, METRANS Associates receive access to exclusive educational opportunities and outreach programming that explore timely and relevant topics in transportation, and provide access to an elite network of professionals working in the field. METRANS Associates also have access to the intellectual capital provided by graduate students and faculty at USC and CSULB, who are available to assist with a variety of planning and analysis projects within transportation.

SCAG staff is recommending that the agency maintain membership at the “Silver Partner” level in the amount of $25,000, which will provide SCAG with the following:

- Membership on the METRANS Advisory Board;
- Invitation to the Annual Transportation Policy Retreat;
- Invitation to quarterly transportation policy Fireside Chats with USC and CSULB faculty and other leading transportation experts;
- Half page feature in METRANS quarterly newsletter, METRANS News;
- Free registration at all METRANS/CSULB Center for International Trade and Transportation (CITT) events, including the National Urban Freight Conference;
- Recognition as METRANS Associate Silver Partner and Sponsor at all METRANS/CITT events, including the National Urban Freight Conference, Town Hall meetings, and the annual Seminar Series;
- Invitation to all VIP receptions held in conjunction with METRANS/CITT events; and
- Recognition on METRANS website and other communication materials.

SCAG has supported METRANS over the past several years by being a sponsor of the National Urban Freight Conference. With this enhanced partnership with METRANS, SCAG would no longer need to sponsor that event as its benefits, as well as registration, are included with the overall membership of the METRANS program. SCAG has written many letters of support on their behalf, which have contributed to their success in competing for state and federal research grants. In addition, METRANS has supported SCAG activities in the past, and a number of former interns at SCAG were from the METRANS Transportation Center.

2) California Contract Cities Association – $5,000

California Contract Cities Association (CCCA) is a network of member cities united for a common cause. The general purpose of CCCA is to serve as a rallying point for cities contracting for municipal services to insure constituents the best service at the minimum cost. Through municipal seminars, education, exchange of ideas and information, the association combines resources to influence policy decisions affecting member cities. The California Contract Cities Association’s Associate Members Program fosters mutually beneficial public/private partnerships, and for many years, member cities have been using public/private partnerships to provide the essential public
services that make cities even better for the benefit of their communities. The Associate Members Program formalizes these relationships and provides an open networking platform for businesses, non-profit organizations, member cities’ local elected officials, and city decision-makers to collectively conquer the unique challenges facing contract cities.

SCAG staff is recommending that the agency maintain membership at the “Silver” level in the amount of $5,000, which will provide SCAG with the following:

- An opportunity to attend monthly CCCA Board of Directors Meetings (meal cost included for one (1) company representative);
- Link to SCAG website in Associate Members Directory on CCCA website;
- Sponsor recognition (including signage) at educational seminars;
- Access to CCCA membership roster and conference registration lists.
- One (1) registration at the Annual Municipal Seminar;
- Participation on the Associate Members Program Steering Committee; and
- Access to select CCCA City Managers/Administrators Committee meetings.

3) National Association of Regional Councils (NARC) – $30,000

NARC is the leading advocate for Metropolitan Planning Organizations (MPO) based out of Washington, DC. NARC serves as the national voice for regionalism by advocating for regional cooperation as the most effective way to address a variety of community planning and development opportunities and issues. NARC’s member organizations are composed of multiple local governments that work together to serve American communities – large and small, urban and rural. They regularly provide solutions that positively impact American communities through effective inter-jurisdictional cooperation. SCAG has been an active member of NARC throughout the years and recommends continuing to do so as this organization is consistent with SCAG core responsibilities and adopted Mission.

The annual dues are $30,000. As a national public interest organization, NARC works with and through its members to:

- Shape federal policy that recognizes the increased value of local intergovernmental cooperation;
- Advocate effectively for the role of regional councils in the coordination, planning, and delivery of current and future federal programs;
- Provide research and analysis of key national issues and developments that impact members; and
- Offer high quality learning and networking opportunities for regional organization through events, training, and technical assistance.

4) FuturePorts – $5,000

FuturePorts was established in 2005 and serves as a voice for their members in the goods movement supply chain in order to advocate for balance between business, environment, and community concerns at the San Pedro Bay Ports (Ports of Los Angeles and Long Beach). Their members represent the entire goods movement supply chain, including businesses that support the goods movement industry, as well as labor and trade unions that work at the ports. Their objective is to
ensure a healthy economic and environmental future supporting green growth at the ports. In the ten years since it was founded, FuturePorts has positioned itself as a leader in the movement for rational and balanced growth, representing business interests at both the Ports of Los Angeles and Long Beach commission meetings; Los Angeles and Long Beach city council meetings; public hearings; and other community events. They write letters, provide outreach, and engage the support of other business organizations and stakeholders as we work toward common goals of growing and greening our ports.

SCAG has been a sponsor of the annual FuturePorts conference in the past, but the growing importance of goods movement to the Southern California economy is making it increasingly necessary for the agency to maintain its ability to effectively participate in dialogue and discussion on such an important facet of the region’s economy.

SCAG staff is recommending that the agency maintain membership at the “Commodore” level in the amount of $5,000, which will provide SCAG with the following:

- $1,500 credit to apply to event sponsorships (e.g., one event at $1,500 or two events at $750);
- Full color logo listing on website member directory;
- Full color logo in member logo block on website homepage;
- Reduced registration fees for FuturePorts events;
- Free attendance for FuturePorts “VIP” events; and
- Name on all printed materials.

5) **Eno Center for Transportation– $11,500**

The Eno Center for Transportation’s mission is to seek continuous improvement in transportation and its public and public private leadership in order to increase the system’s mobility, safety, and sustainability. Eno works across all modes of transportation, with the mission of cultivating creative and visionary leadership for the sector. They pursue this mission by supporting activities in their Center for Transportation Policy (CTP) and their Center for Transportation Leadership (CTL).

With the expiration of the Moving Ahead for Progress in the 21st Century Act (MAP-21), it is essential that the agency is proactive and contributes to the development of the next surface transportation reauthorization bill. Eno’s Board of Directors includes executives from The Boeing Company, Parsons Brinkerhoff, and Mineta and Associates, as well as former executives from Maersk and AECOM.

SCAG staff is recommending that the agency maintain membership at the “Gold Connector” level in the amount of $11,500, which will provide SCAG with the following:

- Ten (12) complimentary subscriptions to Eno Transportation Weekly (ETW);
- Complimentary half-page color advertisement in ETW;
- Opportunity to contribute relevant articles to ETW;
- Exclusive participation in Eno Working Group projects;
- One (1) “Signature” sponsorship table at Eno’s Annual Future Leaders Development Conference Fundraising Dinner;
- Six (6) daily rate tuition waivers for Eno Center for Transportation Leadership training courses;
- Special membership discounts to events, training courses and publications;
- Priority access to limited-space events and webinars;
- Access to member-only content via Member Portal;
- Job and RFP viewing and posting permission on Eno Career and Workforce Center;
- Access to online Membership Directory
- Monthly Member-only expert-led Policy Calls on current and breaking news events, policy, and legislation;
- Access to the Eno Transportation Library; and
- Discounted fees for specialized Eno services (e.g., consultation, facilitation, resource support, custom reports, technical assistance, etc.).

6) **American Public Transportation Association – $5,686**

The American Public Transportation Association (APTA) is a leading force in advancing public transportation. APTA members include transit systems, government agencies, manufacturers, suppliers, consulting firms, contractors, and other business partners. To strengthen and improve public transportation, APTA serves and leads its diverse membership through advocacy, innovation, and information sharing. An annual membership provides SCAG with access to the highest-quality tools, resources, and programs, including advocacy efforts, networking and partnership opportunities, the latest industry research and data, and professional development. These benefits are valuable in light of recent and continued work in Congress on the next federal transportation reauthorization bill.

**Sponsorship**

7) **University of California, Los Angeles Luskin Senior Fellows Leadership Program - $5,000**

As the premier leadership training program of the University of California, Los Angeles (UCLA) Luskin School of Public Affairs, the mission of the Senior Fellows Leadership Program is to engage prominent leaders as role models for graduate students from Public Policy, Social Welfare, and Urban Planning. Students who are selected to participate in the Senior Fellows Leadership Program are accepted into the Luskin Leadership Initiative and will be assigned to a Senior Fellow as a mentor. Throughout their academic program, UCLA Luskin students are prepared to accept leadership roles and effect change as practitioners, researchers, and policymakers in the public, private, and non-governmental sectors. Senior Fellows enhance students’ leadership and professional development skills while engaging in a mentor relationship with policy makers, business professionals, nonprofit executives, and community leaders.

SCAG has a long and successful history of collaboration with UCLA. SCAG staff is recommending that the agency participate at the “Event Sponsor” level in the amount of $5,000, which will provide SCAG with the following

- Invitation for two (2) guests to attend the annual Senior Fellows launch breakfast, with premier table placement;
- Special recognition in breakfast remarks from podium, and in any printed materials;
- Additional invitations to special Senior Fellows programs and seminars throughout the year;
- VIP invitations to UCLA Luskin special events; and
- Recognition in UCLA Luskin’s annual donor honor roll.

FISCAL IMPACT:
$87,186 for memberships and sponsorship is included in the approved FY 15-16 General Fund budget.

SUBJECT: AB 2475 (Gordon) – California Infrastructure and Economic Development Bank: affordable housing - SUPPORT

RECOMMENDED ACTION:
Support

EXECUTIVE SUMMARY:
AB 2475 creates within the California Infrastructure and Economic Development Bank the Local Government Affordable Housing Forgivable Loan Program, to assist local governments in financing new affordable housing projects. Loan recipients are accountable to meet required criteria that contribute positive outcomes to the state and to local communities, such as meeting a community’s greenhouse gas reduction plan other specified criteria and, in return, loans will be eligible for partial or full forgiveness upon project completion. Staff recommends support.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation Infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:
The California Infrastructure and Economic Development Bank (IBank) was established in 1994 to finance public infrastructure and private development. Housed within the Governor’s Office of Business and Economic Development - GO-Biz - it is governed by a five-member board of directors comprised of the Director of GO-Biz, the State Treasurer, the Director of the Department of Finance, the Secretary of the Transportation Agency, and an appointee of the Governor. Day-to-day operations are directed by the Executive Director, an appointee of the Governor subject to confirmation by the California Senate.

IBank does not receive any ongoing General Fund support, but is financed through fees, interest income and other revenues derived from its public and private sector financing activities. The IBank has authority to issue bonds, finance public agencies, provide credit enhancements, acquire or lease facilities, and leverage State and Federal dollars for its various programs. Since its creation in 1994, the I-Bank has loaned, financed, or participated in over $34 billion in infrastructure and economic expansion projects. This includes over $400 million to local and state agencies.

The IBank currently funds projects related to infrastructure including city streets, county highways, drainage, water supply and flood control, educational facilities, environmental mitigation measures, parks and recreational facilities, port facilities, power and communications, public transit, sewage...
collection and treatment, solid waste collection and disposal, water treatment and distribution, defense conversion, public safety facilities, state highways, military infrastructure, and goods movement-related infrastructure.

Bill Provisions
This bill would expand the scope of IBank's programs to include affordable housing. AB 2475 would create the Local Government Affordable Housing Forgivable Loan Program within the IBank. Specifically, this bill:

- Requires IBank to develop and administer the loan program to make loans to local government, defined as a city, county, or city and county, for affordable housing developments with terms and conditions the IBank deems to be in the best interests of the state.

- Requires IBank to determine whether a local government is excused from repaying half or all of a loan after the completion of the development of the affordable housing development based on whether a local government meets certain requirements including:
  - The affordable housing must be compatible with the community's greenhouse gas reduction plan, and must contribute to a reduction in greenhouse gases;
  - At least 75% of the affordable housing units in the development would need to be for extremely low- and very low-income households restricted for 55 years, Extremely low-income households are defined in statute to mean persons and families whose incomes do not exceed 30% of median area income, and very low-income households are persons and families whose incomes do not exceed 50% of median area income;
  - The local government would have to contribute an amount equal to the amount of the loan or infrastructure improvements equal to the amount of the loan;
  - To get the entire loan forgiven, the local government would additionally have to comply with all of the requirements listed above and waive at least 50% of any development or permitting fees it could have imposed on a developer, and the development would have to include onsite services for residents including social services and medical services.

Bill provisions require that the IBank consult with the Strategic Growth Council (SGC) and the California Housing Finance Agency (CalHFA) to determine if the local government has met the requirements for a partial or total forgiveness of the loan, though the IBank board will make final determination. This determination will be made after project completion.

In offering the bill, the author notes that it creates a forgivable loan program, housed within the IBank, to assist local governments in financing critical new affordable housing projects. The program will hold loan recipients accountable to meeting required criteria that contribute positive outcomes back to the state as well as local communities. In return, loans will be eligible for partial or full forgiveness upon project completion.

AB 2475 takes advantage of the IBank’s expertise in development financing, and places responsibility for administering this new program there. However, the bill also recognizes that meeting the specific requirements of the program are essential to its success. Because of this, the loan forgiveness
determination occurs after project completion, and requires that IBank consult with the SGC and California Housing Finance Agency (CalHFA) on whether the project meets the required criteria. By integrating these entities into the final project review, the IBank will be able to leverage experts in sustainable development and housing finance to ensure that the criteria of the program have been met.

Fiscal Impact
Implementation of the bill will incur a one-time cost of approximately $100 million to the General Fund (GF) to initially fund a meaningful loan program. Future ongoing costs of an unknown amount to backfill any forgiven debt to allow the program to continue to operate. Additionally, there are estimated to be one-time costs of approximately $500,000 (GF) to develop criteria, priorities, and guidelines and set up the organizational structure for the forgivable housing loan program, and ongoing costs of approximately $800,000 (GF) to fund 6 employees to manage the program, including 2 originating loan officers, an administering loan officer, a compliance officer, a program manager, and an administrative support position.

Support/Opposition
The bill is supported by the American Planning Association, California Chapter; California State Association of Counties (CSAC); City of Oakland; League of California Cities. It is oppose unless amended by the California Association of Realtors, which cites concerns with a deed restriction provision of the bill.

AB 2475 passed from the Assembly Housing and Community Development Committee on April 13, 2016 by 6-1 vote, and the Assembly Local Government Committee on April 20, 2016 by 5-2 vote. Currently the bill is on the Assembly Appropriations Committee suspense file scheduled to be taken up May 27, 2016.

Staff recommends support consistent with board adopted policy and legislative priorities to provide additional resources and tools to local government to develop affordable housing, especially in consideration of the acute shortage of affordable housing throughout the region and the need to develop such housing in a manner consistent with achieving California’s sustainability and climate goals.

SUBJECT: AB 2742 (Nazarian) – Transportation project P3s: comprehensive development lease agreements - SUPPORT

RECOMMENDED ACTION:
Support

EXECUTIVE SUMMARY:
AB 2742 (Nazarian) extends, from January 1, 2017, to January 1, 2030, the sunset date of existing provision of law authorizing public-private partnership (P3) agreements for transportation. Staff recommends support consistent with long-standing board adopted policy and legislative priorities.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation Infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:
According to the American Society of Civil Engineers, 68% of California’s roads are in poor or mediocre condition, putting California behind 43 other states. Transit is also in dire need of funding. In 2011, the California Transit Association found that the State’s transit infrastructure faces a funding shortfall of approximately $72 billion over the next decade. Further, lack of transit options and poor roadway conditions exacerbate the state’s congestion problem, and California’s metropolitan regions are among the nations most congested. The average annual number of hours lost to congestion by each motorist in California’s largest urban areas is: 61 hours in LA, 61 hours in San Francisco/Oakland and 39 hours in San Jose. Car and truck congestion in California’s major urban areas has highly significant impacts on the State’s economy, which relies heavily on transportation infrastructure. Yet the state’s transportation system is severely underfunded, lacks consistent revenue, and has not kept pace with the state’s growing demands to move people and goods. Budget shortfalls and decreased gas tax revenues have led to the deterioration and unreliability of the transportation system, put greater pressure on deteriorating roads and highways, and undermines the state’s ambitious environmental and air quality objectives.

In view of the above described situation, the author has introduced this bill so that P3 agreements can continue as a viable option for state and regional transportation agencies to fund transportation infrastructure when other funds are not readily available. The bill would extend existing provisions of law enacted by SB 2X 4, (Cogdill)/Chapter 2, Statutes of 2009, authorizing Caltrans and regional transportation agencies to enter into an unlimited number of P3 agreements for a broad range of highway, road, and transit projects, through December 31, 2016.
The author asserts that P3s can be a powerful method to finance and accelerate delivery of much-needed transportation projects. A well designed P3 between a public agency and a private sector entity leverages the skills and assets of each to deliver a service or facility for the use of the general public as an alternative to the traditional state method of design-bid-build, with greater efficiency and less risk to the public agency partner. Private partners are hired by the state to design-finance-construct-operate-maintain the project for a certain number of years and therefore bear the upfront cost and risk. P3s have shown many advantages when constructing projects. In a 2012 report prepared by the non-partisan Legislative Analyst Office entitled “Maximizing State Benefits from Private Partnerships”, it states the number of benefits of successful P3s agreements include:

- Reducing risks to the state by transferring them to the private partner;
- Increasing price and schedule certainty;
- Creating more innovative design and construction techniques;
- Accelerating access to project financing;
- Freeing up public funds for other purposes.

The author asserts that extension of P3s will give California another tool in its toolbox to meet its ambitious transportation infrastructure goals and remain competitive in the global marketplace.

AB 2742 is supported by:
- Automobile Club of Southern California;
- American Council of Engineering Companies of California;
- Associated General Contractors;
- California Conference of Carpenters;
- California State Council of Laborers;
- California Transportation Commission;
- Los Angeles County Metropolitan Transportation Authority;
- Mobility 21;
- Orange County Business Council;
- Orange County Transportation Authority;
- Santa Clara Valley Transportation Authority;
- State Building and Construction Trades Council;
- Transportation Agency for Monterey County;
- Transportation California;
- United Contractors.

Opposition comes from organized labor:
- The Professional Engineers California Government (PECG) is opposed unless the bill is amended to clarify Caltrans' responsibilities for construction inspection, environmental review, and a variety of other functions;
- American Federation of State, County and Municipal Employees (AFSCME) and the California State Council of the Service Employees International Union (SEIU), object to P3s which by their nature shift certain work traditionally performed on highway projects by public employees to private sector employees.
AB 2742 passed Assembly Transportation Committee on April 11, 2016, by 13-0 vote and is referred to the Assembly Appropriations Committee. The bill is currently on the suspense file. Staff recommends support consistent with long standing board adopted policy and legislative priority supporting P3s and innovative procurement methods to accelerate project delivery and efficiency.

FROM: Jeff Dunn, Senior Legislative Analyst; (213) 236-1880; dunn@scag.ca.gov

SUBJECT: SB 885 (Wolk) – Construction Contracts: indemnity - OPPOSE

RECOMMENDED ACTION:
Support

EXECUTIVE SUMMARY:
SB 885 provides that a design professional, as defined, shall only have the duty to defend himself or herself from claims and lawsuits that arise out of, pertain to, or relate to, the negligence, recklessness, or willful misconduct of the design professional. This bill would apply to contracts entered into on or after January 1, 2017. This bill would significantly increase litigation and financial exposure for entities, including public agencies such as transportation commissions, which contract with design professionals by limiting the contractor’s duty to defend claims against their projects. Staff recommends an oppose position.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation Infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:
Existing law provides that specified rules apply in the interpretation of indemnity contracts, including that an indemnity against claims, or demands, or liability embraces the costs of defense against such claims, demands, or liability. Existing law provides that the person indemnifying is bound, on request of the person indemnified, to defend actions or proceedings brought against the latter with respect to the matters embraced by the indemnity. However, the person indemnified has the right to conduct those defenses, if he or she chooses to do so.

Existing law also provides that a duty to defend under the above provisions arises out of an indemnity obligation as soon as the litigation commences, and regardless of whether the indemnitor (the person indemnifying) is ultimately found negligent. Existing law further states that, for all contracts entered into on or after January 1, 2007, with a public agency for design professional services, all provisions, clauses, covenants, and agreements affecting any such contract that purport to indemnify, including the duty and the cost to defend the public agency by a design professional against liability for claims against the public agency, are unenforceable, except for claims that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the design professional.
Existing law specifies, for purposes of the above provision, that "design professional" includes an individual licensed as an architect, and a business entity offering architectural services; an individual licensed as a landscape architect, and a business entity offering landscape architectural services; an individual registered as a professional engineer, and a business entity offering professional engineering services; an individual licensed as a professional land surveyor, and a business entity offering professional land surveying services.

This bill would specify, with certain exceptions, for construction contracts entered into on or after January 1, 2017, that a design professional only has the duty to defend himself or herself from claims or lawsuits that arise out of, or pertain or relate to, negligence, recklessness, or willful misconduct of the design professional. As amended, the bill would prohibit these provisions from being construed to affect any duty of a design professional to pay a reasonable allocated share of defense fees and costs with respect to claims and lawsuits alleging negligence, recklessness, or willful misconduct of the design professional. The bill would prohibit waiver of these provisions and would provide that any clause, covenant, or agreement contained in, collateral to, or affecting a contract that requires a design professional to defend claims or lawsuits against other persons or entities is void and unenforceable.

Discussion

The bill, as amended, at least partially upends long-standing contracting practices on public works projects. Sponsored by the American Council of Engineering Companies (ACEC), SB 885 would significantly increase litigation and financial exposure for entities that contract with design professionals by limiting the contractor’s duty to defend claims against their projects. The sponsors argue it is unfair for a design professional to be required to defend other parties involved in a project. In practice, industry-standard indemnity agreements require the entire project team to defend against litigation. California courts have upheld that design professionals are subject to the same duties to defend lawsuits as all other parties who sign indemnity agreements with a project owner, such as for example the building of a major public works project by a transportation commission.

SCAG’s partner transportation commissions and other local public entities rely heavily on the private sector for design services; which can and do provide many benefits to the commissions, including cost savings, efficiencies, and risk transfer. SB 885 would diminish these benefits of contracting for design services by requiring, essentially, that taxpayers accept the costs and risks of defending a private design professional’s work and then, potentially, initiating further litigation to recoup those costs from the design professional. Bill provisions effectively require project owners to stand-in to defend the contractor’s work, creating legal special treatment for a certain type of company and leading to inequity in who is responsible for defending lawsuits.

There are a large number of entities on record in support and opposition to this bill – hundreds of entities in total. Generally those in support are numerous design, engineering, architectural and related consulting firms. In opposition are many public entities including but not limited to CSAC, Self-Help Counties Coalition, and many individual cities, public utilities, transportation commissions, water districts, and building trade associations. A complete list of on-record support/opposition can be accessed at the following link: http://www.leginfo.ca.gov/pub/15-16/bill/sen/sb_0851-0900/sb_885_cfa_20160502_142115_sen_comm.html
SB 885 passed the Senate Judiciary Committee on May 3, 2016, by 6-0 vote. It is ordered to Senate 3rd reading file. Staff recommends an oppose position as the bill will inevitably raise, rather than lower, public costs to develop needed infrastructure projects by allowing design professionals to opt out of jointly defending with all other project participants claims against their projects except for those claims that pertain or relate to negligence, recklessness, or willful misconduct of the design professional.

Consistent with adopted legislative priorities supporting project acceleration and efficient delivery, staff recommends an oppose position to this bill which, if passed, will likely effect an opposite policy outcome.

ATTACHMENT:

RECOMMENDED ACTION:
Support

EXECUTIVE SUMMARY:
Senate Joint Resolution 22 (Hueso) would urge Congress to appropriate $248 million in funding as proposed by the President’s Fiscal Year 2017 Budget to complete Phase II of the Calexico West Land Port of Entry Reconfiguration and Expansion project, due to the benefits the improvements of this project will have on the nation’s economy. As a major land port of entry in the SCAG region, essential to meeting the growing demand for goods flowing into and out of the region from Mexico, staff recommends formal support of this Joint Resolution calling upon the Congress to pass continued funding of the Calexico West Land Port of Entry project.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation Infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:
Phase I of the Expansion of the Calexico West Land Port of Entry project is currently underway and is expected to be completed in 2018. The current facility’s physical infrastructure, built in 1974, is undersized relative to existing traffic loads. To increase vehicle and pedestrian capacity and support the Department of Homeland Security’s ability to execute its rapidly changing mission, the U.S. General Services Administration (GSA) is reconfiguring and expanding the existing port.

Phase I of the project provides additional vehicular throughput, both northbound and southbound; ten new state-of-the-art northbound inspection lanes; five new southbound inspection lanes; secondary inspection areas serving the new northbound and southbound lanes; a command center; a bridge carrying southbound traffic across the New River before entering Mexico; and, as a U.S. General Services Administration (GSA) Design Excellence project, includes a number of sustainability features designed to reduce the port’s overall environmental footprint.

Phase II will ensure completion of the project, which will improve domestic supply chains, strengthen national security, reduce the Port’s carbon footprint, and facilitate economic growth, not only for the Imperial County and California but for the entire nation. The project will include additional site-work,
an expanded pedestrian processing facility, administrative offices, and six additional northbound POV inspection lanes. These facilities will reduce northbound vehicle queues and wait times to cross the border, and lower idling times overall for drivers and reduce emissions.

Additionally, the modernized facilities associated with Phase II expansion will allow the land port to better accommodate current and future demands and implementation of border security initiatives, such as the Western Hemisphere Travel Initiative (WHTI), the United States Visitor and Immigrant Status Indicator Technology program (US-VISIT), and the Secure Border Initiative (SBI). The renovated and expanded Calexico West LPOE will also reflect the important economic and cultural relationship between the U.S. and Mexico. Mexico is currently the U.S.’s third largest goods trading partner with $507 billion in total goods trade during 2013, with goods exports totaled $226 billion and goods imports that totaled $280 billion. The General Accountability Office and the Department of Homeland Security estimate that $6 billion in border infrastructure is needed to fulfill its mission of preventing unlawful entry and smuggling while facilitating legitimate trade and tourism.

Staff recommends support of SJR 22 consistent with SCAG’s adopted 2016 legislative priorities supporting funding of projects that enhance the region’s goods movement infrastructure, including critically needed infrastructure enhancements along California’s high volume freight corridors.

SJR 22 passed the California Senate on April 28, 2016 by 37-0 vote. It is referred in the Assembly to the Assembly Committee on Jobs, Economic Development, and the Economy, with no hearing scheduled.

Summary:
The California Global Warming Solutions Act of 2006 authorizes the State Air Resources Board to include the use of market-based compliance mechanisms. Current state board regulations require specified entities to comply with a market-based compliance mechanism beginning January 1, 2013, and require additional specified entities to comply with that market-based compliance mechanism beginning January 1, 2015. This bill would instead exempt those categories of persons or entities that did not have a compliance obligation, as defined, under a market-based compliance mechanism beginning January 1, 2013, from being subject to that market-based compliance mechanism through December 31, 2020.

**Summary:**
Current law provides for the construction and operation of various toll bridges by the state, the Golden
Gate Bridge, Highway and Transportation District, and private entities that have entered into a
franchise agreement with the state. This bill would, until January 1, 2021, prohibit a toll from being
imposed on the passage of a pedestrian or bicycle over these various toll bridges.

**Summary:**  
Current law requires the law enforcement officer to provide a victim of domestic violence to whom information is disseminated with a "Victims of Domestic Violence" card, and authorizes the victim or other person to whom the information is disseminated to disclose that information as he or she deems necessary to protect himself, herself, or another person from bodily harm by the person who is the
subject of the record. This bill would require the Attorney General to also maintain information about ammunition transactions and ammunition vendor licenses for those purposes.

**Summary:**

Current law, until January 1, 2016, provides an exemption from the separated golf cart lane requirement for street and highway segments in the City of La Verne that, among other requirements, have a speed limit of 25 miles per hour or less and are immediately adjacent to or surrounded by the campus of a university or a retirement community, if the city council makes specified findings. This bill would delete the January 1, 2016, termination date applicable to the provisions relating to the City of La Verne, thereby making those provisions operative indefinitely.

**High-occupancy toll lanes.**

**Introduced:** 1/28/2015  
**Last Amended:** 9/4/2015  
**Status:** 10/9/2015-Chaptered by Secretary of State - Chapter 687, Statutes of 2015.

**Location:** 10/9/2015-A. CHAPTERED

**Summary:**
Current law authorizes a regional transportation agency, as defined, in cooperation with the Department of Transportation to apply to the California Transportation Commission to develop and operate high-occupancy toll (HOT) lanes. This bill would authorize a regional transportation agency or the department to apply to the commission to develop and operate HOT lanes or other toll facilities, as specified, and would delete the January 1, 2012, deadline for HOT lane applications and remove the existing limitation on the number of facilities that may be approved.

*Summary:*

Would prohibit, commencing July 1, 2016, any high-occupancy vehicle lane from being established on specified portions of state highway routes in the County of Los Angeles, unless that lane is established as a high-occupancy vehicle lane only during the hours of heavy commuter traffic, as determined by the Department of Transportation. The bill would require any existing high-occupancy vehicle lane established on the specified portions of these routes to be modified to conform with those requirements.

**Location:** 1/15/2016-A. DEAD

**Summary:**  
Current law requires, on or before December 31, 2019, public agencies and their contractors that transport household hazardous waste to a hazardous waste facility to use certain consolidated manifesting procedures. Current law establishes volumetric and weight limits on the amount of hazardous waste that a conditionally exempt small quantity generator may transport to a household hazardous waste collection facility. Current law expresses the weight limit in 2 alternative measures. This bill would extend the consolidated manifesting procedures requirement to December 31, 2020.

(Atkins D) **Enhanced infrastructure financing districts.**  
**Introduced:** 2/12/2015  
**Last Amended:** 8/25/2015  
**Status:** 9/22/2015-Chaptered by Secretary of State - Chapter 320, Statutes of 2015.  
**Location:** 9/22/2015-A. CHAPETERED

**Summary:**  
Would require, after the adoption of a resolution of intention to establish a proposed district, the legislative body to send a copy of the resolution to the public financing authority. This bill would revise the duties of the public financing authority after the resolution of intention to establish the proposed district has been adopted, so that the public financing authority, instead of the legislative body, will perform the specified duties related to the preparation, proposal, and adoption of the infrastructure financing plan and the adoption of the formation of the district.

**History:**
The California Environmental Quality Act (CEQA), until January 1, 2016, exempts a project or an activity to repair, maintain, or make minor alterations to an existing roadway, as defined, if the project or activity is carried out by a city or county with a population of less than 100,000 persons to improve public safety and meets other specified requirements. This bill would extend the above exemption to January 1, 2020.

Airports: evaluation.

**Introduced:** 2/17/2015  
**Last Amended:** 3/26/2015  
**Status:** 1/15/2016-Failed Deadline pursuant to Rule 61(b)(1). (Last location was 2 YEAR on 5/1/2015)  
**Location:** 1/15/2016-A. DEAD

**Summary:**  
The State Aeronautics Act authorizes the Department of Transportation to evaluate the need for an airport, owned or operated by the United States in this state that ceases to be so owned or operated, in the state’s public-use airport system, as specified. The act requires the department, before finalizing the evaluation, to submit a copy of its report to the California Transportation Commission for review and comment and requires the commission to complete its review and comment, as specified, not later than 45 days after receiving the evaluation. This bill would instead require the commission to complete its review and comment not later than 50 days after receiving the evaluation.

**Location:** 1/15/2016-A. DEAD

**Summary:**
Would require the Judicial Council, on or before July 1, 2016, to adopt a rule of court to establish procedures applicable to actions or proceedings seeking judicial review of a public agency's action in certifying the environmental impact report and in granting approval for housing developments, as defined. The procedures would require the actions or proceedings, including any appeals therefrom, to be resolved, to the extent feasible, within 270 days of the certification of the record of proceedings. The bill would prohibit a court from staying or enjoining those housing developments unless it makes specified findings.

AB 692  (Quirk D)  Low-carbon transportation fuels.
Introduced: 2/25/2015
Last Amended: 9/4/2015
Location: 10/8/2015-A. CHAPTERED

Summary:
The State Air Resources Board is required to adopt rules and regulations in an open public process to achieve the maximum technologically feasible and cost-effective greenhouse gas emissions reductions. Pursuant to the California Global Warming Solutions Act of 2006, the state board has adopted the Low-Carbon Fuel Standard regulations. This bill, commencing January 1, 2017, would require, except as provided, at least 3% of the aggregate amount of bulk transportation fuel purchased by the state government to be procured from very low carbon transportation fuel sources.

AB 779  (Garcia, Cristina D)  Transportation: congestion management program.
Introduced: 2/25/2015
Last Amended: 8/19/2015
Status: 8/25/2015-In committee: Set, first hearing. Hearing canceled at the request of author.
Location: 8/24/2015-S. APPR.
Summary:
Would revise the definition of "infill opportunity zone" to not require that it be within a specified
distance of a major transit stop or high-quality transit corridor. The bill would revise the requirements
for a congestion management program by removing traffic level of service standards established for a
system of highways and roadways as a required element and instead requiring measures of
effectiveness for a system of highways and roadways.

Introduced: 2/26/2015
Last Amended: 7/14/2015
Status: 9/11/2015-Failed Deadline pursuant to Rule 61(a)(14). (Last location was E. U., & C. on
7/16/2015)
Location: 9/11/2015-S. 2 YEAR

Summary:
Would require the Public Utilities Commission to conduct an investigation to consider whether existing
statutes and regulations relating to transportation services serve the public interest, encourage
innovation, and create a fair and competitive transportation market between companies that provide
regulated transportation services. The bill would require the commission to complete the investigation
and report its conclusions and recommendations to the Legislature on or before January 1, 2017. This
bill contains other related provisions and other existing laws.

Introduced: 2/26/2015
Last Amended: 8/18/2015
Status: 9/21/2015-Chaptered by Secretary of State - Chapter 304, Statutes of 2015.
Location: 9/21/2015-A. CHAPTERED

Summary:
Current law authorizes a local agency which is conducting proceedings for the incorporation of a city, formation of a district, change of organization, a reorganization, a change of organization of a city, or a municipal reorganization to propose the adoption of a special tax on behalf of the affected city or district in accordance with this procedure. This bill would additionally authorize a local agency conducting proceedings for the disincorporation of a city to propose the adoption of a special tax on behalf of an affected city in accordance with the above-described procedure.

**Summary:**
Would authorize the San Bernardino County Transportation Commission to conduct, administer, and operate a value-pricing program, that may include HOT lanes or other toll facilities in the Interstate Highway Routes 10 and 15 in the County of San Bernardino and, with the agreement of affected transportation agencies, specified extensions and connections into the Counties of Los Angeles and Riverside. The bill would require the toll revenues to be spent for specified transportation purposes and would authorize the commission to issue revenue bonds payable from toll revenues.

**Summary:**  
Current law requires the State Energy Resources Conservation and Development Commission to implement the Alternative and Renewable Fuel Vehicle Technology Program to provide financial assistance to develop and deploy innovative technologies that transform California’s fuel and vehicle types to help attain the state’s climate change policies. Current law includes within the program alternative and renewable fuel infrastructure, fueling stations, and equipment. This bill would specify...
that alternative and renewable fuel infrastructure includes electric vehicle charging infrastructure in
disadvantaged communities.

Summary:
Would provide that the ownership or operation of a facility that sells hydrogen at retail to the public for use only as a motor vehicle fuel, and the selling of hydrogen at retail from that facility to the public for use only as a motor vehicle fuel, does not make the corporation or person a public utility solely because of that ownership, operation, or sale.

Calendar:
6/14/2016 9:30 a.m. - John L. Burton Hearing Room (4203) SENATE GOVERNMENTAL ORGANIZATION, HALL, Chair

Summary:
Would, with certain exceptions, authorize a state agency, when preparing the economic impact assessment, to use a consolidated definition of small business to determine the number of small businesses within the economy, a specific industry sector, or geographic region, and would define "small business" for that purpose as a business that is independently owned and operated, not dominant in its field of operation, and has fewer than 100 employees.

AB 1068 (Allen, Travis R) California Environmental Quality Act: priority projects.
Introduced: 2/26/2015
Status: 1/15/2016-Failed Deadline pursuant to Rule 61(b)(1). (Last location was 2 YEAR on 5/1/2015)
Location: 1/15/2016-A. DEAD

Summary:
Would authorize each Member of the Legislature to nominate one project within his or her respective district each year, and the Governor to designate those projects as priority projects if the projects meet specified requirements. The bill would require the Governor to provide a notice of the designation to the appropriate lead agency and to the Office of Planning and Research. The bill would require the lead agency to notify the public and interested stakeholders of the designation, as specified, thereby imposing a state-mandated local program.

AB 1074 (Garcia, Cristina D) Alternative fuels: infrastructure.
Introduced: 2/27/2015
Last Amended: 4/15/2015
Status: 1/22/2016-Failed Deadline pursuant to Rule 61(b)(2). (Last location was 2 YEAR on 5/29/2015)
Location: 1/22/2016-A. DEAD

Summary:
Would add a definition of "alternative fuel" and would provide that it is the policy of the state to help accelerate the adoption of vehicles using alternative fuels throughout the state by increasing the amount of charging and refueling options needed to facilitate electric, hydrogen, and natural gas vehicles traveling along all passenger and goods movement corridors on federal and state highways. The bill would require the State Energy Resources Conservation and Development Commission to conduct an assessment and develop an integrated strategy to maximize the benefits and scope of an alternative refueling infrastructure, as defined, to help the state achieve its climate change, air quality, and economic goals and this newly stated policy.

History:
AB 1095  (Garcia, Eduardo D)  Salton Sea: restoration projects.

**Summary:**
Would define an "electric bicycle" as a bicycle with fully operable pedals and an electric motor of less than 750 watts, and would create 3 classes of electric bicycles, as specified. The bill would require manufacturers or distributors of electric bicycles to affix a label to each electric bicycle that describes its classification number, top assisted speed, and motor wattage. The bill would require every electric bicycle manufacturer to certify that it complies with specified equipment and manufacturing requirements.

---

**Summary:**
Current law requires a congestion management program to be developed, adopted, and updated biennially by a designated agency for every county that includes an urbanized area. This bill would
delete the traffic level of service standards as an element of a congestion management program and would delete related requirements, including the requirement that a city or county prepare a deficiency plan when highway or roadway level of service standards are not maintained. This bill contains other related provisions and other existing laws.

**Calendar:**
5/16/2016 10 a.m. - John L. Burton Hearing Room (4203) SENATE APPROPRIATIONS SPECIAL ORDER, LARA, Chair

**Summary:**
The current Safe Neighborhoods and Schools Act, enacted as an initiative statute by Proposition 47, as approved by the electors at the November 4, 2014, statewide general election, makes the theft of property that does not exceed $950 in value petty theft, and makes that crime punishable as a misdemeanor, with certain exceptions. This bill would amend that initiative statute by making the theft of a firearm grand theft in all cases and punishable by imprisonment in the state prison for 16 months, or 2 or 3 years. This bill contains other related provisions and other current laws.

AB 1250  (Bloom D)  Vehicles: buses: axle weight.

Introduced: 2/27/2015  
Last Amended: 9/9/2015  

Summary:  
Current law, operative January 1, 2016, provides that the gross weight on any one axle of a bus shall not exceed 20,500 pounds. Current law exempts from this limitation a transit bus procured through a solicitation process pursuant to which a solicitation was issued before January 1, 2013. A violation of this provision is a crime. This bill would exempt from the weight limitation transit buses procured through a solicitation process pursuant to which a solicitation was issued before January 1, 2016.

Page 29/85
Summary:
Current law authorizes the Department of Transportation and regional transportation agencies, as defined, to enter into comprehensive development lease agreements with public and private entities, or consortia of those entities, for certain transportation projects that may charge certain users of those projects tolls and user fees, subject to various terms and requirements. These arrangements are commonly known as public-private partnerships. This bill would provide that a lease agreement shall not be entered into under these provisions on or after January 1, 2030, and would delete obsolete cross-references and make technical changes to these provisions.

Last Amended: 9/4/2015
Status: 10/11/2015-Vetoed by the Governor
Location: 10/11/2015-A. VETOED

Summary:
Would establish, for contracts entered into on or after January 1, 2016, a claim resolution process applicable to all claims by contractors in connection with public works. The bill would define a claim as a separate demand by the contractor for one or more of the following: a time extension for relief from damages or penalties for delay, payment of money or damages arising from work done pursuant to the contract for a public work, or payment of an amount disputed by the public entity, as specified. This bill contains other related provisions and other existing laws.

Sept. 1 Read second time and amended. Ordered to third reading.
AB 1360 (Ting D) Charter-party carriers of passengers: individual fare exemption.

Introduced: 2/27/2015
Last Amended: 7/2/2015
Status: 7/17/2015-Failed Deadline pursuant to Rule 61(a)(10). (Last location was E. U., & C. on 7/2/2015)
Location: 7/17/2015-S. 2 YEAR

Summary:
Would exempt from specified provisions relating to the Passenger Charter-Party Carriers' Act a service operated by a transportation network company or a charter-party carrier of passengers that prearranges a ride among multiple passengers who share the ride in whole or in part, provided that the vehicle seats no more than 7 passengers, not including the driver, is operated by a participating driver, as defined, is not used to provide public transit services or carry passengers over a fixed route, is not used to provide pupil transportation services or public paratransit services, and the fare for each passenger is less than the fare that would be charged to a passenger traveling alone.

AB 1364 (Linder R) California Transportation Commission.
Introduced: 2/27/2015
Current law vests the California Transportation Commission with specified powers, duties, and functions relative to transportation matters. Current law requires the commission to retain independent authority to perform the duties and functions prescribed to it under any provision of law. This bill would exclude the California Transportation Commission from the Transportation Agency and establish it as an entity in the state government. The bill would also make conforming changes.

**AB 1442** (O'Donnell D) Motor vehicle fuel: gasohol.
Introduced: 2/27/2015
Last Amended: 5/11/2015
Status: 1/31/2016-Died pursuant to Article IV, Sec. 10(c) of the Constitution.
Location: 1/31/2016-A. DEAD

Summary:
Current law, the Motor Vehicle Fuel Tax Law, imposes a tax upon the privilege of distributing motor fuel and defines the term "gasohol" for purposes of that law. Gasohol is defined as all blends of gasoline and alcohol containing more than 15% gasoline. This bill would redefine gasohol to instead mean all blends of gasoline and alcohol containing more than 21% or a percentage determined by regulations adopted by the State Board of Equalization, as specified. This bill contains other related provisions and other current laws.

**Summary:**
Current law prohibits a person from driving or parking a vehicle or animal upon the driveways, paths, parking facilities, or grounds of specified public entities, including a public transportation agency and a county transportation commission, except with the permission of, and subject to any condition or regulation that may be imposed by, the governing body of the specified public entity. Current law defines "public transportation agency" for these purposes. This bill would revise the definition of "public transportation agency" to include a county transportation commission.

</table>

Summary:
Current law continuously appropriates specified portions of the annual proceeds in the Greenhouse Gas Reduction Fund to various programs, including 5% for the Low Carbon Transit Operations Program, which provides operating and capital assistance for transit agencies to reduce greenhouse gas emissions and improve mobility, with a priority on serving disadvantaged communities. This bill would additionally authorize moneys appropriated to the program to be expended to support the operation of existing bus or rail service if the governing board of the requesting transit agency declares a fiscal emergency and other criteria are met, thereby expanding the scope of an existing continuous appropriation.

**Summary:**  
Would continuously appropriate $50,000,000 annually from the Greenhouse Gas Reduction Fund for the Transit Pass Program, to be administered by the Department of Transportation. The bill would require that funding be allocated by the Controller, as specified, upon a determination by the Department of Transportation, that transit pass programs of public agencies to provide free or reduced-fare transit passes to public school students and community college, California State University, and University of California meet certain requirements.
AB 2289  (Frazier D)  Department of Transportation: capital improvement projects.
Introduced: 2/18/2016
Status: 5/5/2016-Referred to Com. on T. & H.
Location: 5/5/2016-S. T. & H.

Summary:
Current law requires the Department of Transportation to prepare a state highway operation and protection program for the expenditure of transportation funds for major capital improvements that are necessary to preserve and protect the state highway system and that include capital projects relative to maintenance, safety, and rehabilitation of state highways and bridges that do not add a new traffic lane to the system. This bill would add to the program capital projects relative to the operation of those state highways and bridges.

AB 2332  (Garcia, Eduardo D)  Transportation funding: complete streets.
Introduced: 2/18/2016
Last Amended: 4/5/2016
Status: 4/22/2016-Failed Deadline pursuant to Joint Rule 61(b)(5). (Last location was A. TRANS. on 4/5/2016)
Location: 4/22/2016-A. DEAD

Summary:
Would require the Department of Transportation to increase the annual number of complete street projects undertaken by the department by 20% over the 2016 baseline by the year 2020 and increase accessibility for low-income and disadvantaged communities by increasing multimodal transportation proximity to employment, jobs, housing, and recreation areas. The bill would establish department goals to reduce by 10% based on the 2016 baseline the number of transit, pedestrian, and bicyclist fatalities, and reduce by 15% statewide per capita the vehicle miles traveled by the year 2020, and to increase travel by nonautomobile modes of travel, as specified.

AB 2374 (Chiu D) Construction Manager/General Contractor method: regional transportation agencies: ramps.
Introduced: 2/18/2016
Status: 4/28/2016-Referred to Com. on T. & H.
Location: 4/28/2016-S. T. & H.

Summary:
Current law authorizes regional transportation agencies to use the Construction Manager/General
 Contractor project delivery method, as specified, to design and construct certain expressways that are
not on the state highway system if: (1) the expressways are developed in accordance with an
expenditure plan approved by voters, (2) there is an evaluation of the traditional design-bid-build
method of construction and of the Construction Manager/General Contractor method, and (3) the board
of the regional transportation agency adopts the method in a public meeting. This bill would authorize
regional transportation agencies also to use this authority on ramps that are not on the state highway
system, as specified.

AB 2387 (Mullin D) Vehicle equipment: supplemental restraint system components and nonfunctional airbags.
Introduced: 2/18/2016
Last Amended: 5/9/2016
Status: 5/9/2016-Read third time and amended. Ordered to third reading.
Location: 5/9/2016-A. THIRD READING

Summary:
Current law makes it a misdemeanor for a person to (a) install, reinstall, rewire, tamper with, alter, or
modify for compensation, a vehicle's computer system or supplemental restraint system, otherwise
referred to as airbags, so that it falsely indicates the supplemental restraint system is in proper
working order; or (b) knowingly distribute or sell a previously deployed airbag or component that will
no longer meet the original equipment manufacturing form or function for proper operation. This bill
would repeal these provisions and instead make it a misdemeanor for any person to knowingly and
intentionally manufacture, import, install, reinstall, distribute, sell, or offer for sale any device intended
to replace a supplemental restraint system component, as defined, in any motor vehicle if the device is
a counterfeit supplemental restraint system component or a nonfunctional airbag, as defined, or does
not meet specified federal safety requirements.

AB 2411  (Frazier D)  Transportation revenues.

Introduced: 2/19/2016
Status: 4/20/2016-In committee: Set, first hearing. Referred to APPR. suspense file.
Location: 4/20/2016-A. APPR. SUSPENSE FILE

Summary:
Current law requires certain miscellaneous revenues deposited in the State Highway Account that are not restricted as to expenditure by Article XIX of the California Constitution to be transferred to the Transportation Debt Service Fund in the State Transportation Fund, as specified, and requires the Controller to transfer from the fund to the General Fund an amount of those revenues necessary to offset the current year debt service made from the General Fund on general obligation transportation bonds issued pursuant to Proposition 116 of 1990. This bill would delete the transfer of these miscellaneous revenues to the Transportation Debt Service Fund, thereby eliminating the offsetting transfer to the General Fund for debt service on general obligation transportation bonds issued pursuant to Proposition 116 of 1990.

AB 2415  (Garcia, Eduardo D)  California Clean Truck, Bus, and Off-Road Vehicle and Equipment Technology Program.

Introduced: 2/19/2016
Last Amended: 5/3/2016
Location: 5/11/2016-A. APPR. SUSPENSE FILE

Summary:
The California Clean Truck, Bus, and Off-Road Vehicle and Equipment Technology Program, upon appropriation from the Greenhouse Gas Reduction Fund, funds zero- and near-zero-emission truck, bus, and off-road vehicle and equipment technologies and related projects. This bill, between January 2, 2018, and January 1, 2023, would require no less than 50% of the moneys allocated each year for technology development, demonstration, precommercial pilots, and early commercial deployments of zero- and near-zero-emission medium- and heavy-duty truck technology be allocated and spent to support the commercial deployment of existing zero- and near-zero-emission heavy-duty truck and heavy-duty bus technology that meets or exceeds a specified emission standard, with at least 2/3 of these funds to be allocated to heavy-duty truck projects.
AB 2452  (Quirk D)  California Council on Science and Technology: contracting.
Introduced: 2/19/2016
Last Amended: 4/11/2016
Status: 4/22/2016-Failed Deadline pursuant to Joint Rule 61(b)(5). (Last location was A. A. & A.R. on 4/14/2016)
Location: 4/22/2016-A. DEAD

Summary:
Current law generally requires contracts by the state for the acquisition of goods and services be awarded pursuant to various procedures and requirements. Current law exempts specified projects and types of contracts from those procedures and requirements. The California Council on Science and Technology is a nonpartisan, impartial, not-for-profit corporation, created in 1988 by legislative resolution. This bill would authorize state entities, as defined, to enter into contracts with the council for the council’s assistance in translating scientific studies to inform public policy.

**Introduced:** 2/19/2016  
**Status:** 4/27/2016-In committee: Set, first hearing. Referred to APPR. suspense file.  
**Location:** 4/27/2016-A. APPR. SUSPENSE FILE  
**Summary:**  
Current law authorizes the Department of Transportation and regional transportation agencies, as defined, to enter into comprehensive development lease agreements with public and private entities, or consortia of those entities, for certain transportation projects that may charge certain users of those projects tolls and user fees, subject to various terms and requirements. These arrangements are commonly known as public-private partnerships. Current law prohibits a lease agreement from being entered into under these provisions on or after January 1, 2017. This bill would allow a lease agreement to be entered into under these provisions until January 1, 2030.

**Summary:**
Current law authorizes the Department of Transportation and regional transportation agencies, as defined, to enter into comprehensive development lease agreements with public and private entities, or consortia of those entities, for certain transportation projects that may charge certain users of those projects tolls and user fees, subject to various terms and requirements. Current law provides that a lease agreement may not be entered into under these provisions on or after January 1, 2017. This bill would extend this authorization indefinitely and would include within the definition of "regional transportation agency" the Santa Clara Valley Transportation Authority, thereby authorizing the authority to enter into public-private partnerships under these provisions.

**Summary:**  
Current law continuously appropriates 20% of the annual proceeds of the Greenhouse Gas Reduction Fund to the Affordable Housing and Sustainable Communities Program, administered by the Strategic Growth Council, to reduce greenhouse gas emissions through projects that implement land use, housing, transportation, and agricultural land preservation practices to support infill and compact development and that support other related and coordinated public policy objectives. This bill would require 20% of moneys available for allocation under the program to be allocated to eligible projects in rural areas, as defined.

Page 47/85  

67
Summary:
Current law requires all moneys, except for fines and penalties, collected by the State Air Resources Board from the auction or sale of allowances as part of a market-based compliance mechanism relative to reduction of greenhouse gas emissions to be deposited in the Greenhouse Gas Reduction Fund. This bill would instead continuously appropriate 20% of those annual proceeds to the Transit and Intercity Rail Capital Program, and 10% of those annual proceeds to the Low Carbon Transit Operations Program, thereby making an appropriation. This bill contains other current laws.

History:
2015

ACR 142 (Williams D) Ventura County Deputy Sheriff Peter Aguirre, Jr. Memorial Highway.

Introduced: 2/19/2016
Status: 4/28/2016-Re-referred to Com. on T. & H.

Summary:
This measure would designate a specified portion of State Highway Route 33 in the County of Ventura as the Ventura County Deputy Sheriff Peter Aguirre, Jr. Memorial Highway. The measure would also request the Department of Transportation to determine the cost of appropriate signs showing this special designation and, upon receiving donations from nonstate sources covering the cost, to erect those signs.

Summary:
Would create the Road Maintenance and Rehabilitation Program to address deferred maintenance on
the state highway system and the local street and road system. The bill would provide for the program
to be authorized every 5 years by the Legislature, and would provide that authorization for the 2015-16
through 2019-20 fiscal years. The bill would require the California Transportation Commission to
identify the estimated funds to be available for the program and adopt performance criteria to ensure
efficient use of the funds.

Introduced: 12/1/2014
Last Amended: 9/10/2015
Status: 9/11/2015-Failed Deadline pursuant to Rule 61(a)(14). (Last location was NAT. RES. on 9/10/2015)
Location: 9/11/2015-A. 2 YEAR

Summary:
Would require the State Air Resources Board to approve a statewide greenhouse gas emissions limit that is equivalent to 40% below the 1990 level to be achieved by 2030. The bill also would state the intent of the Legislature for the Legislature and appropriate agencies to adopt complementary policies that ensure the long-term emissions reductions advance specified criteria. This bill contains other related provisions and other existing laws.

SB 39  (Pavley D)  Vehicles: high-occupancy vehicle lanes.

Introduced: 12/1/2014
Last Amended: 4/8/2015
Status: 5/22/2015-Referred to Com. on TRANS.
Location: 5/22/2015-A. TRANS.

Summary:
Current federal law, until September 30, 2017, authorizes a state to allow specified labeled vehicles to use lanes designated for high-occupancy vehicles (HOVs). Current law authorizes the DMV to issue no more than 70,000 of those identifiers. This bill would increase the number of those identifiers that the DMV is authorized to issue to an unspecified amount. This bill contains other related provisions and other current laws.

(Liu D) California Transportation Plan.

Introduced: 1/5/2015
Last Amended: 6/24/2015
Status: 10/9/2015-Chaptered by Secretary of State - Chapter 711, Statutes of 2015.
Location: 10/9/2015-S. CHAPTERED

Summary:
The California Transportation Commission is required to adopt and submit to the Legislature, by
December 15 of each year, an annual report summarizing the commission's prior-year decisions in
allocating transportation capital outlay appropriations, and identifying timely and relevant
transportation issues facing the state. This bill would require that the annual report also include
specific, action-oriented, and pragmatic recommendations for legislation to improve the transportation
system.

SB 97
(Committee on Budget and Fiscal Review) Budget Act of 2015.
Introduced: 1/9/2015
Last Amended: 6/16/2015
Status: 6/24/2015-Chaptered by Secretary of State - Chapter 11, Statutes of 2015
Location: 6/24/2015-S. CHAPTERED

Summary:
The Budget Act of 2015 made appropriations for the support of state government for the 2015-16 fiscal year. This bill would amend the Budget Act of 2015 by revising items of appropriation and making other changes. This bill contains other related provisions.

History:

**SB 107 (Committee on Budget and Fiscal Review) Local government.**

**Introduced:** 1/9/2015

**Last Amended:** 9/10/2015

**Status:** 9/22/2015 Chaptered by Secretary of State - Chapter 325, Statutes of 2015.

**Location:** 9/22/2015-S. CHAPTERED

**Summary:**

Current law dissolved redevelopment agencies and community development agencies as of February 1, 2012, and provides for the designation of successor agencies to wind down the affairs of the dissolved redevelopment agencies and to, among other things, make payments due for enforceable obligations and to perform obligations required pursuant to any enforceable obligation. This bill would provide that any action by the Department of Finance, that occurred on or after June 28, 2011, carrying out the department's obligations under the provisions described above constitutes a department action for the preparation, development, or administration of the state budget and is exempt from the Administrative Procedures Act.

**Status:** 8/28/2015-Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 7/15/2015)
**Summary:**
CEQA establishes a procedure for the preparation and certification of the record of proceedings upon the filing of an action or proceeding challenging a lead agency's action on the grounds of noncompliance with CEQA. This bill would require the lead agency, at the request of a project applicant and consent of the lead agency, to prepare a record of proceedings concurrently with the preparation of a negative declaration, mitigated negative declaration, EIR, or other environmental document for projects. This bill contains other related provisions.

SB 180  (Jackson D)  Electricity: emissions of greenhouse gases.

Introduced: 2/9/2015
Last Amended: 5/5/2015
Status: 1/22/2016-Failed Deadline pursuant to Rule 61(b)(2). (Last location was 2 YEAR on 5/29/2015)
Location: 1/22/2016-S. DEAD

Summary: Would, on July 1, 2017, replace the greenhouse gases emission performance standards for baseload generation with greenhouse gases emission performance standards for nonpeaking generation and peaking generation. The bill would require the Public Utilities Commission, by June 30, 2017, through a rulemaking proceeding and in consultation with the State Energy Resources Conservation and Development Commission and the State Air Resources Board, to establish a greenhouse gases emission performance standard for all nonpeaking generation of load-serving entities, and a separate standard for peaking generation.

SB 185  (De León D)  Public retirement systems: public divestiture of thermal coal companies.
Introduced: 2/9/2015
Last Amended: 6/2/2015
Location: 10/8/2015-S. CHAPTERED

Summary:
Would prohibit the boards of the Public Employees' Retirement System and the State Teachers' Retirement System from making new investments or renewing existing investments of public employee retirement funds in a thermal coal company, as defined. This bill would require the boards to liquidate investments in thermal coal companies on or before July 1, 2017, and would require the boards, in making a determination to liquidate investments, to constructively engage with thermal coal companies to establish whether the companies are transitioning their business models to adapt to clean energy generation.

SB 249 (Hueso D) Vehicles: enhanced driver's license.
Introduced: 2/18/2015
Last Amended: 9/9/2015
Status: 10/9/2015-Vetoed by the Governor
Location: 10/9/2015-S. VETOED

Summary:
Would authorize the Department of Motor Vehicles to enter into a memorandum of understanding with a federal agency for the purpose of facilitating travel within the western hemisphere pursuant to the federal Western Hemisphere Travel Initiative through the issuance of an enhanced driver's license, provisional license, or identification card. The bill would authorize the department to issue or renew, upon request, an enhanced driver's license, provisional license, or identification card for specified persons.

**Summary:**
Would, for the 2016-17 fiscal year and each fiscal year thereafter, require the State Board of Equalization on March 1 of the fiscal year immediately preceding the applicable fiscal year, as specified, to adjust the rate in a manner as to generate an amount of revenue equal to the amount of revenue loss attributable to the exemption, based on estimates made by the board that reflect the combined average of the actual fuel price over the previous 4 fiscal years and the estimated fuel price for the current fiscal year, and continuing to take into account adjustments required by existing law to maintain revenue neutrality for each year. This bill contains other existing laws.

**History:**
2015
Feb. 23 Introduced. Read first time. To Com. on RLS. for assignment. To print.
Feb. 24 From printer. May be acted upon on or after March 26.
Mar. 5 Referred to Com. on GOV. & F.

Apr. 28 Set for hearing May 4.
SB 350 (De León D) Clean Energy and Pollution Reduction Act of 2015.

Introduced: 2/24/2015
Last Amended: 9/11/2015
Status: 10/7/2015-Chaptered by Secretary of State - Chapter 547, Statutes of 2015.
Location: 10/7/2015-S. CHAPERED

Summary:
Current law establishes the California Renewables Portfolio Standards (RPS) Program, which is codified in the Public Utilities Act, with the target to increase the amount of electricity generated per year from eligible renewable energy resources to an amount that equals at least 33% of the total electricity sold to retail customers per year by December 31, 2020. This bill would require that the amount of electricity generated and sold to retail customers per year from eligible renewable energy resources be increased to 50% by December 31, 2030, as provided.

Sept. 4 Assembly Rule 69 suspended.
SB 379  (Jackson D)  Land use: general plan: safety element.
Introduced: 2/24/2015
Last Amended: 7/6/2015
Location: 10/8/2015-S. CHAPTERED

Summary:
The Planning and Zoning Law requires the legislative body of a city or county to adopt a
comprehensive, long-term general plan that includes various elements, including, among others, a
safety element for the protection of the community from unreasonable risks associated with the effects
of various geologic hazards, flooding, and wildland and urban fires. This bill would, upon the next
revision of a local hazard mitigation plan on or after January 1, 2017, or, if the local jurisdiction has not
adopted a local hazard mitigation plan, beginning on or before January 1, 2022, require the safety
element to be reviewed and updated as necessary to address climate adaptation and resiliency
strategies applicable to that city or county.

**Introduced:** 2/25/2015  
**Last Amended:** 6/2/2015  
**Status:** 8/28/2015-Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. on 8/27/2015)  
**Location:** 8/28/2015-A. 2 YEAR  

**Summary:**  
Would establish the Green Assistance Program, to be administered by the Secretary for Environmental Protection in concert with environmental justice programs, that, among other things, would provide technical assistance to small businesses, small nonprofits, and disadvantaged communities in applying for an allocation of moneys from the Greenhouse Gas Reduction Fund. The bill would declare that the secretary use existing resources for the program. This bill contains other existing laws.

**Location:** 1/22/2016-S. DEAD  

**Summary:**  
Would establish the California Community Schools Act, which would authorize a local educational agency or school and one or more community partners, as defined, to form a community consortium to establish a California community school, as defined. The bill would require the Superintendent of Public Instruction, subject to the appropriation of funds in the annual Budget Act or the availability of funds from private sources, to make grants available to qualified recipients to fund California community schools and to enhance programs at California community schools.

Summary:
Would, for the 2016-17 fiscal year to the 2020-21 fiscal year, inclusive, on or before May 15 of the fiscal
year immediately preceding the applicable fiscal year, instead require the Department of Finance to
adjust the motor vehicle fuel tax rate as described above, and would require the department to notify
the board of the rate adjustment effective for the state's next fiscal year, as provided. This bill contains
other related provisions and other existing laws.

Summary:
Current law authorizes the Sacramento Metropolitan Air Quality Management District to adopt a $6 surcharge on motor vehicle registration fees applicable to motor vehicles registered within the district. Current law requires the collected fees to be used for specified purposes, including, among others, awarding grants eligible for funding under the Carl Moyer Memorial Air Quality Standards Attainment Program. This bill would additionally authorize those fees to be used for projects that involve alternative fuel and electric infrastructure, as specified.

SB 681 (Hill D) Vehicles: right turn violations.
Introduced: 2/27/2015
Last Amended: 1/5/2016
Status: 1/22/2016-Failed Deadline pursuant to Rule 61(b)(2). (Last location was APPR. on 1/21/2016)
Location: 1/22/2016-S. DEAD

Summary:
Current law requires a driver facing a steady circular red signal alone to stop at a marked limit line, but if none, before entering the crosswalk on the near side of the intersection or, if none, then before entering the intersection, and to remain stopped until an indication to proceed is shown, except as specified. This bill would recast those provisions, and instead would require that a violation of this provision for a right turn or a left turn from a one-way street onto a one-way street is punishable by a fine of $35.

Feb. 27 Introduced. To Com. on RLS. for assignment. To print.
SB 778  (Allen D)  Automotive repair: oil changes: notification to customers.

Introduced: 2/27/2015
Last Amended: 1/4/2016
Status: 4/28/2016-Referred to Coms. on P. & C.P. and B. & P.
Location: 4/28/2016-A. P. & C.P.

Summary:
Would require an automotive repair dealer to notify a customer, who is purchasing an oil change, of the recommended oil drain interval, oil grade, and viscosity specified in the maintenance schedule of the vehicle's owner's manual. The bill would also require, except as specified, an automotive repair dealer to use the oil drain interval specified in the maintenance schedule of the vehicle's owner's manual if the automotive repair dealer is recommending the date or mileage for the next oil change, as described.

Status: 5/6/2016-Set for hearing May 16.
Location: 5/4/2016-S. APPR.

Calendar:
5/16/2016 10 a.m. - John L. Burton Hearing Room (4203) SENATE APPROPRIATIONS, LARA, Chair

Summary:
Under current law, if the High-Speed Rail Authority determines that real property or an interest therein acquired by the state for high-speed rail purposes is no longer necessary for those purposes, the authority is authorized to sell or exchange the real property or interest therein at fair market value as specified. This bill would require the authority, if selling the real property or interest therein, to send
notification by certified mail to the last known owner of the real property or interest therein at his or her last known address, advising him or her that the real property or interest therein will be offered for sale. The bill would require the authority to wait at least 30 days after the notification has been sent to sell the real property or interest therein.

**Summary:**

Current law requires a driver facing a steady circular red signal alone to stop at a marked limit line, but if none, before entering the crosswalk on the near side of the intersection or, if none, then before entering the intersection, and to remain stopped until an indication to proceed is shown, except as specified. A violation of this provision is an infraction punishable by a fine of $100. This bill would recast those provisions, and instead would require that a violation of this provision for a right turn or a left turn from a one-way street onto a one-way street is punishable by a fine of $35.

**Summary:**

...
Summary:
Would also require a person who has been convicted of driving a motor vehicle under the influence of an alcoholic beverage, as specified, to install an ignition interlock device on all vehicles that he or she owns or operates for a specified period of time. The bill would also authorize a person convicted of driving a motor vehicle under the influence, including a person who was convicted of a first offense of driving a motor vehicle under the influence, with injury, if all other requirements are satisfied, including the installation of an ignition interlock device, to apply for a restricted driver's license without completing a period of license suspension or revocation.

SB 1197 (Cannella R) Intercity rail corridors: extensions.
Introduced: 2/18/2016
Status: 4/22/2016-Failed Deadline pursuant to Joint Rule 61(b)(5). (Last location was S. T. & H. on 3/3/2016)
Location: 4/22/2016-S. DEAD

Summary:
Current law defines the boundaries of 3 intercity rail corridors, and requires the preparation of an annual business plan for the corridor by each participating joint powers board. This bill, at any time after an interagency transfer agreement between the department and a joint powers board has been entered into, would authorize the amendment of the agreement to provide for the extension of the affected rail corridor to provide intercity rail service beyond the defined boundaries of the corridor. The bill would require a proposed extension to first be recommended and justified in the business plan adopted by the joint powers board, and then would require the approval of the Secretary of Transportation.

Introduced: 2/19/2016
Last Amended: 4/11/2016
Location: 4/20/2016-S. APPR.
Summary:
The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement. This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

**Summary:**
Would delete the continuous appropriations from the Greenhouse Gas Reduction Fund for the high-speed rail project, and would prohibit any of the proceeds from the fund from being used for that project. The bill would continuously appropriate the remaining 65% of annual proceeds of the fund to the California Transportation Commission for allocation to high-priority transportation projects, as determined by the commission, with 40% of those moneys to be allocated to state highway projects, 40% to local street and road projects divided equally between cities and counties, and 20% to public transit projects.

**Introduced:** 7/16/2015

**Status:** 9/2/2015-From committee: Do pass and re-refer to Com. on APPR. (Ayes 8. Noes 0. Page 57.) (September 1). Re-referred to Com. on APPR.

**Location:** 9/2/2015-S. APPR.

### Summary:

Current law requires all moneys, except for fines and penalties, collected by the State Air Resources Board from the auction or sale of allowances as part of a market-based compliance mechanism relative to reduction of greenhouse gas emissions to be deposited in the Greenhouse Gas Reduction Fund. This bill would instead continuously appropriate 20% of those annual proceeds to the Transit and Intercity Rail Capital Program, and 10% of those annual proceeds to the Low Carbon Transit Operations Program, thereby making an appropriation. This bill contains other current laws.

### SBX1 9 (Moorlach R) Department of Transportation.

**Introduced:** 7/16/2015

**Status:** 9/14/2015-Returned to Secretary of Senate pursuant to Joint Rule 62(a).

**Location:** 9/14/2015-S. DEAD

### Summary:

Current law creates the Department of Transportation with various powers and duties relative to the state highway system and other transportation programs. This bill would prohibit the department from using any nonrecurring funds, including, but not limited to, loan repayments, bond funds, or grant funds, to pay the salaries or benefits of any permanent civil service position within the department. This bill contains other related provisions and other current laws.

SBX 10 (Bates R) Regional transportation capital improvement funds.

Introduced: 7/16/2015
Location: 7/16/2015-S. T. & I.D.

Summary:
Current law requires funds available for regional projects to be programmed by the California Transportation Commission pursuant to the county shares formula, under which a certain amount of funding is available for programming in each county, based on population and miles of state highway. Current law specifies the various types of projects that may be funded with the regional share of funds to include state highways, local roads, transit, and others. This bill would revise the process for programming and allocating the 75% share of state and federal funds available for regional transportation improvement projects.

SBX 11 (Berryhill R) Environmental quality: transportation infrastructure.

Introduced: 7/16/2015
Last Amended: 9/4/2015
Status: 9/4/2015-From committee with author's amendments. Read second time and amended. Re-referred to Com. on T. & I.D.
Location: 9/4/2015-S. T. & I.D.

Summary:
The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report (EIR) on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. This bill would exempt from these CEQA provisions a project that consists of the inspection, maintenance, repair, restoration, reconditioning, relocation, replacement, or removal of existing transportation infrastructure if certain conditions are met, and would require the person undertaking these projects to take certain actions.

**SBX1 12**  (Runner R)  California Transportation Commission.  
**Introduced:** 7/16/2015  
**Last Amended:** 8/20/2015  
**Status:** 8/20/2015-Read second time and amended. Re-referred to Com. on APPR.  
**Location:** 8/20/2015-S. APPR.  

**Summary:**  
Would exclude the California Transportation Commission from the Transportation Agency, establish it as an entity in state government, and require it to act in an independent oversight role. The bill would also make conforming changes. This bill contains other related provisions and other existing laws.

**SBX1 13**  (Vidak R)  Office of the Transportation Inspector General.  
**Introduced:** 7/16/2015  
**Last Amended:** 9/3/2015  
**Status:** 9/3/2015-From committee with author's amendments. Read second time and amended. Re-referred to Com. on APPR.  
**Location:** 9/3/2015-S. APPR.  

**Summary:**  
Would create the Office of the Transportation Inspector General in state government, as an independent office that would not be a subdivision of any other government entity, to build capacity for self-correction into the government itself and to ensure that all state agencies expending state transportation funds are operating efficiently, effectively, and in compliance with federal and state laws.

**SBX1 14**  (Cannella R)  Transportation projects: comprehensive development lease agreements.  
**Introduced:** 7/16/2015  
**Status:** 8/17/2015-August 19 set for first hearing canceled at the request of author.  
**Location:** 7/16/2015-S. T. & I.D.  

**Summary:**  
Current law authorizes the Department of Transportation and regional transportation agencies, as defined, to enter into comprehensive development lease agreements with public and private entities, or consortia of those entities, for certain transportation projects that may charge certain users of those projects tolls and user fees, subject to various terms and requirements. This bill would extend this authorization indefinitely and would include within the definition of "regional transportation agency" the Santa Clara Valley Transportation Authority, thereby authorizing the authority to enter into public-
private partnerships under these provisions.

**SCA 7** *(Huff R)* **Motor vehicle fees and taxes: restriction on expenditures.**

**Introduced:** 4/9/2015
**Last Amended:** 5/28/2015
**Status:** 1/12/2016-Set for hearing January 19 in E. & C.A. pending receipt.

**Location:** 5/28/2015-S. E. & C.A.

**Summary:**
Would prohibit the Legislature from borrowing revenues from fees and taxes imposed by the state on vehicles or their use or operation, and from using those revenues other than as specifically permitted by Article XIX. The measure would also provide that none of those revenues may be pledged or used for the payment of principal and interest on bonds or other indebtedness.
