ACTION ITEMS

2. SCAG Memberships and Sponsorship

Darin Chidsey, Director of Strategy, Policy & Public Affairs, provided an overview of the following memberships and sponsorship: 1) METRANS Transportation Center Associates Program - $25,000; 2) California Contract Cities Association - $5,000; 3) National Association of Regional Councils (NARC) - $30,000; 4) FuturePorts - $5,000; 5) Eno Center for Transportation - $11,500; 6) American Public Transportation Association - $5,686; 7) University of California, Los Angeles Luskin Senior Fellows Leadership Program - $5,000.

Supervisor Curt Hagman expressed concern about appropriate government level association and available funds for the new committee formation, Telecommunications & Smart Cities. Darin Chidsey, Director of Strategy, Policy & Public Affairs, stated that there is usually flexibility in the budget to accommodate new memberships. He further stated that staff will research what organizations may be available and apprise the Committee at the next LCMC meeting.

A MOTION was made (Finlay) to approve the six (6) memberships and one (1) sponsorship, as presented. The MOTION was SECONDED (Daniels) and APPROVED by a majority vote. A roll-call vote was taken and recorded as follows:

AYES: Becerra, Clark, Daniels, Finlay, Hagman, Lorimore, Martinez, McCallon, Mitchell, Pettis, Viegas-Walker, Wapner

NOES: None

ABSTAIN: None

3. AB 2475 (Gordon) – California Infrastructure and Economic Development Bank: Affordable Housing

Jeff Dunn, Senior Legislative Analyst, stated that AB 2475 creates within the California Infrastructure and Economic Development Bank, the Local Government Affordable Housing Forgivable Loan Program, to assist local governments in financing new affordable housing projects. Loan recipients are accountable to meet required criteria that contribute positive outcomes to the state and to local communities, such as meeting a community’s greenhouse gas reduction plan. In return, loans will be eligible for partial or full forgiveness upon project completion. Staff recommends support.

A MOTION was made (Daniels) to support AB 2475 (Gordon). The MOTION was SECONDED (Viegas-Walker) and APPROVED by a majority vote. A roll-call vote was taken and recorded as follows:

AYES: Becerra, Clark, Daniels, Finlay, Martinez, McCallon, Pettis, Viegas-Walker, Wapner

NOES: Hagman, Lorimore, Mitchell

ABSTAIN: None
Legislative/Communications & Membership Committee Minutes

4. AB 2742 (Nazarian) – Transportation Projects P3s: Comprehensive Development Lease Agreements

Jeff Dunn, Senior Legislative Analyst, stated that AB 2742 extends, from January 1, 2017 to January 1, 2030, the sunset date of existing provision of law authorizing public-private partnership (P3) agreements for transportation. Staff recommends support consistent with long-standing board adopted policy and legislative priorities.

A MOTION was made (McCallon) to support AB 2742 (Nazarian). The MOTION was SECONDED (Finlay) and APPROVED by a majority vote. A roll-call vote was taken and recorded as follows:

AYES: Becerra, Clark, Daniels, Finlay, Hagman, Lorimore, Martinez, McCallon, Mitchell, Pettis, Viegas-Walker, Wapner

NOES: None

ABSTAIN: None

5. SB 885 (Wolk) – Construction Contracts: Indemnity

Jeff Dunn, Senior Legislative Analyst, stated that SB 885 provides that a “design professional” shall only have the duty to defend themselves from claims and lawsuits that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the design professional. The bill would apply to contracts entered into on or after January 1, 2017. This bill would significantly increase litigation and financial exposure for entities, including public agencies such as transportation commissions, which contract with design professionals by limiting the contractor’s duty to defend claims against their projects. Staff recommends an oppose position.

A MOTION was made (McCallon) to oppose SB 885 (Wolk). The MOTION was SECONDED (Daniels) and APPROVED by a majority vote. A roll-call vote was taken and recorded as follows:

AYES: Becerra, Clark, Daniels, Finlay, Hagman, Lorimore, Martinez, McCallon, Mitchell, Pettis, Viegas-Walker, Wapner

NOES: Steel

ABSTAIN: None

6. Senate Joint Resolution (SJR) 22 – Calexico West Land Port of Entry Project: Funding (Hueso)

Jeff Dunn, Senior Legislative Analyst, stated that Senator Hueso reached out to SCAG staff and requested its support on this Resolution. The Resolution would urge congress to appropriate $248M in funding as proposed by the President’s Fiscal Year 2017 Budget to complete Phase II of the Calexico West Land Port of Entry Reconfiguration and Expansion project. As a major land port of entry in the SCAG region, staff recommends formal support of this Joint Resolution.

A MOTION was made (Finlay) to support Senate Joint Resolution (SJR) 22. The MOTION was SECONDED (Viegas-Walker) and APPROVED by a majority vote. A roll-call vote was taken and recorded as follows:

INFORMATION ITEMS

7. Governor’s May Revise

Jeff Dunn, Senior Legislative Analyst, stated that on May 13, 2016, the Governor announced the May Revise to the budget that was proposed in January 2016. Changes in the May Revise included FAST ACT provisions, wherein the Department of Finance (DOF) estimates that California will receive $582M in formula funding through the new national freight program from FAST ACT over the next five (5) years. Mr. Dunn also noted some significant changes in the provisions to affordable housing.

8. State Transportation Funding Projects

Darin Chidsey, Director of Strategy, Policy & Public Affairs, stated that Senator Bell amended his bill SB 1X1. He is working on gathering a larger coalition in the Senate to get the required two-thirds vote. Mr. Chidsey noted that there is a more detailed analysis in the May 2016 State and Federal Legislative update. Staff will continue to monitor the bill and provide updates to the Committee.

9. General Assembly Recap

Darin Chidsey, Director of Strategy, Policy & Public Affairs, reported that the 2016 General Assembly and Regional Conference was the most successful by far in terms of attendance, sponsorships, and keynote speakers. Mr. Chidsey stated that the GA Host Committee will reconvene on May 25, 2016 to review survey results and evaluations from attendees and sponsors. Those results will be reported at the next LCMC meeting. Mr. Chidsey thanked Margaret Finlay, Chair of the GA Host Committee, and all the LCMC committee members for helping create such a successful event.

10. Logo Re-Design Update

Darin Chidsey, Director of Strategy, Policy & Public Affairs, stated that the Regional Council decided to hold their decision on the Logo Re-Design until its June meeting. There were various comments and suggestions for improvements from the Regional Council members. Those comments and suggestions will be considered by the Logo Re-Design Subcommittee next Tuesday, May 24, 2016. Mr. Chidsey invited the Committee members to attend.

11. Legislative Tracking Report

Jeff Dunn, Senior Legislative Analyst, stated that in order to keep the Tracking Report more manageable, staff will remove all the bills from last year that failed or were chaptered. Houston Brooks Laney, Legislative Analyst, noted that the most current version of the report is always available on SCAG’s website under the Legislative section.
Legislative/Communications & Membership Committee Minutes

FUTURE AGENDA ITEMS

1) Formation of the new committee, Telecommunications & Smart Cities;
2) Sustainable Freight Strategy

ANNOUNCEMENTS
Darin Chidsey, Director of Strategy, Policy & Public Affairs, stated that since the Regional Council is dark in August, traditionally LCMC is dark in July. There was a consensus by the Committee that LCMC will not meet in July.

ADJOURNMENT
Hon. Greg Pettis adjourned the meeting at approximately 9:30 a.m. The next regular meeting of the Legislative/Communications & Membership Committee is scheduled for 8:30 a.m. – 10:00 a.m., Tuesday, June 21, 2016.

SUBJECT: SB 1465 (De Leon) – Public Contracts: 2024 Olympic Games and Paralympic Games

RECOMMENDED ACTION:
Support

EXECUTIVE SUMMARY:
Contingent upon the selection of Los Angeles as the Host City for the 2024 Olympic and Paralympic Games, this legislation establishes an Olympic Games Trust Fund and authorizes the Governor to sign agreements that would make the state jointly liable with the Organizing Committee for the Olympic Games (OCOG) for any financial deficit relating to the Games. The state’s potential liability is capped at $250 million, and is a last resort that is only triggered after a significant list of contingencies including the exhaustion of all other security, coverage from all insurance policies, and an initial contribution from the City. Staff recommends support, consistent with Board adopted 2016 legislative priorities to support new sources of funding for transportation infrastructure, to be reasonably expected should Los Angeles host the 2024 Olympic and Paralympic Games.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation Infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:
In September 2015, the City of Los Angeles was named the Candidate City to host the 2024 Olympic and Paralympic Games by the United States Olympic Committee (USOC). Los Angeles is one of four candidate cities vying for the games - with Paris, France; Rome, Italy; and Budapest, Hungary. The International Olympic Committee (IOC) is scheduled to select a host city in September 2017. Los Angeles has hosted two prior Olympic Games with great success - in 1932 (the X Olympiad) and 1984 (the XXIII Olympiad).

According to the author's office, this bill establishes a structure to provide state financial guarantees to demonstrate that California is prepared to host the 2024 Olympic Games and Paralympic Games. This guarantee is required by the USOC and the IOC as a prerequisite before any city can be selected to host an Olympic Games. Further, the USOC and IOC require that all bid states and bid committees execute certain agreements including the authorized agreements contained in this bill.

The State has twice before passed legislation similar to SB 1465 - AB 300 in 2007 and SB 1987 in 2002. AB 300 (Nunez, Chapter 4, Statutes of 2007) authorized the Governor to sign agreements required by
the USOC as part of the City of Los Angeles’ 2016 Olympic Games bid process, as well as provisions similar to those of this bill making the state jointly liable (not to exceed $250 million) for any financial deficit relating to the games. SB 1987 (Burton, Chapter 16, Statutes of 2002) established a structure for the state to indemnify, insure and provide financial guarantees up to $250 million as required by the USOC to further the bid of the San Francisco Bay Area to host the 2012 Summer Olympic Games. The bill also provided the Governor the authority to sign any contracts on behalf of the state as part of the bid process.

Bill Provisions

SB 1465 would enact the 2024 Olympic Games and Paralympic Games Act for the purpose of establishing a structure to provide financial guarantees, as required by the IOC, that California and the City of Los Angeles are prepared to host the summer games.

This bill authorizes the Governor to sign agreements with the International Olympic Committee (IOC) and the International Paralympic Committee (IPC) as part of the site selection process for the City of Los Angeles’ bid to host the 2024 Olympic Games and Paralympic Games. This bill also authorizes the Governor to enter into an agreement for the state to be jointly liable (up to $250 million) with the Organizing Committee for the Olympic Games (OCOG), a nonprofit corporation, for obligations of the OCOG and for any financial deficit relating to the games, and establishes the Olympic Games Trust Fund.

Substantive provisions of the bill are as follows:

- Authorizes the Governor to enter into a joinder agreement with the IOC and the IPC specifying that the state shall provide any or all of the state government funding, facilities, and other resources specified in the OCOG's bid to host the games;
- Provides that the agreements shall accept liability for obligations of the OCOG to a site selection organization, including obligations indemnifying the IOC and IPC against claims and liabilities to third parties arising out of or relating to the games;
- Provides that any liability for an amount in excess of $250 million shall be the responsibility of the OCOG. Also, provides that the OCOG will be bound by a series of agreements with the site selection organization as set forth in the joinder agreement;
- Establishes within the State Treasury a special fund to be known as the "Olympic Games Trust Fund" funded by the state to be used for the sole purpose of fulfilling the obligations of the state under a games support contract;
- Provides that no additional state funds shall be deposited into the Olympic Games Trust Fund once the Director of Finance determines that the account has achieved a sufficient balance to provide adequate security to demonstrate the state's ability to fulfill its obligations to indemnify and insure up to $250 million of any net financial deficit and general liability resulting from the conduct of the games;
- Provides that if the City of Los Angeles is selected as the host city for the games, the Olympic Games Trust Fund shall be maintained until a determination by the Department of Finance is made that the state's obligations to indemnify and insure against any net financial deficit and general liability resulting from the conduct of the games are satisfied and concluded, at which time the trust fund shall be terminated. Also, stipulates that if the City of Los Angeles is not selected by the site selection organization as the host city for the games, the Olympic Games
Trust Fund shall be immediately terminated and any monies therein shall immediately revert to the General Fund;

- Stipulates that all moneys deposited, transferred, or otherwise contained in the trust fund shall be, upon appropriation by the Legislature, used for the sole purpose of obtaining adequate security to demonstrate the state's ability to fulfill its obligations to indemnify and insure up to $250 million of any net financial deficit and general liability resulting from the conduct of the games;

- Makes it explicit that the state, along with the City of Los Angeles, will be the payer of last resort with regard to any net financial deficit. Also, provides that any financial security provided by this bill may not be accessed until the security provided by the OCOG or by any other entity is exhausted and any insurance policies covering the state's liability are exhausted.

SB 1465 passed the Senate June 1, 2016 by 35-1 vote. It is currently referred to the Assembly Committee on Arts, Entertainment, Sports, Tourism, and Internet Media, calendared for hearing on June 21, 2016. The bill is supported by:

- City of Anaheim
- City of Bakersfield
- City of Fresno
- City of Long Beach
- City of Los Angeles
- City of Oakland
- City of Sacramento
- City of San Diego
- City and County of San Francisco
- City of San Jose
- City of Santa Ana
- Los Angeles Area Chamber of Commerce
- Los Angeles Olympic Games 2024
- Los Angeles/Orange County Building Trades Council
- State Building and Construction Trades Council of California

Presently there is no on-record opposition to the bill.

Staff recommends the LCMC forward a support recommendation for adoption by the Regional Council to ensure that Los Angeles meets IOC requirements that bidding cities cover all potential costs and liabilities resulting from the Games, as well as to demonstrate regional and state support to the IOC of Los Angeles’ bid by passing state guarantee legislation similar to what the state passed twice before (AB 300 in 2007 and SB 1987 in 2002). Should Los Angeles host the 2024 Games it is very likely that additional state and federal funding resources may become available to help fund transportation infrastructure improvements necessary to host the Games, which is consistent with SCAG’s board adopted 2016 legislative priorities to support new funding sources for transportation infrastructure.

SUBJECT: SCAG Logo Re-Design and Branding

RECOMMENDED ACTION:
Recommend to the Regional Council to proceed with one of the following three logo options: 1) Adopt the LCMC-recommended logo and tag line as-is; 2) Adopt the modified logo based on board member feedback; or 3) Return to using the SCAG “bow tie” logo.

EXECUTIVE SUMMARY:
SCAG’s current logo, the “bow tie,” has been in place since 1996. Over the past year, SCAG has utilized a special 50th Anniversary logo to mark this agency milestone. As SCAG’s 50th Anniversary year is coming to a close, staff found an opportunity to explore a new logo for the agency, rather than revert back to the older “bow tie” logo. Staff procured a marketing and strategic communications firm, One Eighteen Advertising, Inc., to assist in a re-design of the SCAG logo and to provide insight on the SCAG brand so that the logo can better reflect the agency’s mission, purpose, and role. Following a round of interviews and surveys with board members, stakeholders, and staff on the SCAG brand, the consultant team worked with staff and the Logo Re-Design Subcommittee on several draft logo designs. The Logo Re-Design Subcommittee approved a final logo and tag line recommendation on April 18, 2016, and the LCMC approved the recommendation at its April 19, 2016 meeting. This recommendation was presented to the Regional Council on May 5, 2016, and after input from several members, the item was tabled. The Logo Re-Design Subcommittee met again on May 24, 2016 and directed staff to provide an alternative to the recommended design based on feedback. Staff is seeking a recommendation from LCMC to advance one of the following three logo options to the Regional Council: 1) Adopt the LCMC-recommended logo and tag line as-is; 2) Adopt the modified logo based on board member feedback; or 3) Return to using the SCAG “bow tie” logo, which has been in place since 1996.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; Objective b: Develop External Communications and Media Strategy to Promote Partnerships, Build Consensus, and Foster Inclusiveness in the Decision Making Process.

BACKGROUND:
SCAG has had many accomplishments over the past five decades, and in more recent years, SCAG has raised its profile as a convener of the region’s many elected, community and business leaders, while promoting collaboration to address some of Southern California’s toughest public policy issues. With the adoption of the 2012-2035 Regional Transportation Plan/Sustainable Communities Strategy, SCAG has been a champion for increased funding opportunities for cities to implement the policies incorporated within the plan, which would increase mobility, promote sustainability, and improve the
quality of life for residents. In addition, SCAG has been continually educating, building partnerships, and providing valuable services to its member cities. To date, 190 out of 191 cities in the region are members of SCAG, a reflection of the value the agency provides.

Last year, SCAG celebrated its 50th anniversary. In celebrating its incredible milestone and many accomplishments, staff found an opportunity to update the agency logo and visual branding to better align with the SCAG of today. SCAG’s most recent logo – the “bow tie” – was adopted in 1996, 20 years ago. It has served its purpose, but is now outdated. SCAG procured a marketing and advertising firm, One Eighteen Advertising, Inc., to assist in updating the logo and assist with the rollout of a new logo design. Their scope included researching and interviewing key staff, board members, and other stakeholders to provide insight on the SCAG brand and perceptions/reputation of the agency. The logo re-design effort was based on a thorough understanding of SCAG’s formation, its legacy, the role the agency plays today and what it will be in the future.

Information on the logo re-design and branding project was presented to the LCMC at its January 19, 2016 meeting. At the meeting, the Logo Re-Design Subcommittee, a subcommittee of the LCMC, was created to oversee the development of the new logo. Its members include: Hon. Pam O’Connor, Hon. Greg Pettis, and Hon. Margaret Clark. The subcommittee first met on February 16, 2016 to review the proposed research phase process and survey questions. On March 15, 2016, the subcommittee met to review the response data and the insights from the survey, as well as next steps. The subcommittee convened on April 18, 2016 to review the final logo designs and taglines.

**SCAG Brand Research Phase**

During the initial research phase, SCAG provided the consultant with a highly targeted list of 432 individuals comprised of Regional Council members, County Transportation Commission CEOs, GLUE Council members, federal/state agency partners, stakeholders and staff. The consultant team sent emails to the group, asking them to participate in a short survey and in some cases, offered one-on-one phone interviews. The survey’s objective was to better understand the external perceptions and reputation of SCAG and whether these perceptions were in alignment with the vision and goals of the organization. The feedback would inform the logo design and brand communications.

Approximately 114 people completed the survey and provided feedback. The respondents were fairly equally distributed in terms of staff, Regional Council members, and external stakeholders. There was also fairly equal dispersion in terms of years of engagement with SCAG – less than 5 years, between 5-10 years, and more than 10 years.

Some insights from the research survey include:

- The majority of respondents believe that SCAG does embody its mission statement and over 80% of respondents felt that SCAG’s mission statement is accurate.
- 92% of respondents refer to the agency as “SCAG” as opposed to “Southern California Association of Governments”
- When asked what values best represent SCAG, the top three answers were: “Collaboration” (88.4%), “Sustainability” (57.9%) and “Service” (53.7%). Respondents also viewed SCAG as a “Cooperative,” “Leading,” and “Positive” organization.
One critical value to SCAG’s brand that did not score as high as one might have expected was “Innovation” (27.5%). Because respondents did not believe this value best describes SCAG, innovation has been identified by staff as a definitive criteria for tagline development.

**Logo Design And Brand Development**

With the survey insights in mind, the consultant team developed approximately 12 initial logo designs. From the draft designs, staff selected four for further refinement and consideration. The four logo designs reflect the consistent themes that emerged from the research phase around SCAG’s brand values and the agency’s strength – regional collaboration.

These four designs were shared with executive staff, who provided feedback and recommended two final designs. Executive staff also reviewed many potential taglines that would strengthen SCAG’s brand, and better align the brand with the mission and goals of the agency. Per their direction, the consultant team and staff further refined the tagline messaging to better highlight the core value of “Innovation.”

During an agency-wide staff meeting on April 13, 2016, a presentation was given to solicit their input on a final logo and tagline recommendation. Their input was collected and was shared with the Logo Re-Design Subcommittee at its meeting on April 18, 2016, which saw the subcommittee vote unanimously to move forward with a final design and tagline recommendation. After discussion on April 19, 2016, the LCMC approved the logo and tagline recommendations for adoption by the Regional Council.

**Input From Regional Council**

At the Regional Council meeting on May 5, 2016, the logo and tagline were presented as recommended by the LCMC. After much discussion, the agenda item was tabled. On May 24, 2016, members of the Logo Re-Design Subcommittee met with Carl Morehouse and Dan Medina to gain additional input. The Logo Re-Design Subcommittee subsequently requested staff to modify the LCMC-recommended logo with an alternate color palette and more prominent “SCAG” lettering, based on board member feedback.

**Next Steps**

In consideration of the findings from the research study and feedback from board members, staff is presenting three logo options and is seeking a logo recommendation from LCMC to advance to the Regional Council. Staff recommends the following list of options for the LCMC’s consideration:

1. Adopt the LCMC-recommended logo and tagline as-is;
2. Adopt the modified logo based on Board member feedback; or
3. Return to using the SCAG “bow tie” logo.

SUBJECT: 2016 General Assembly Survey Results

RECOMMENDED ACTION:
For Information Only – No Action Required

EXECUTIVE SUMMARY:
SCAG’s 2016 Regional Conference & General Assembly was a great success, drawing capacity-testing attendance and exceeding sponsorship goals. At the conclusion of the event, staff sent an online evaluation to attendees and sponsors. The majority of the responses were very positive and consistent with the favorable verbal feedback staff received during and after the event from Regional Council and Policy Committee Members, general attendees and sponsors. This report outlines key evaluation findings and recommends next steps for the 2017 conference.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies.

BACKGROUND:
In SCAG’s continuing effort to provide quality programming and valuable networking opportunities for attendees and sponsors of the annual Regional Conference & General Assembly, SCAG staff prepared online surveys – one for conference attendees, the other for event sponsors – to obtain feedback on their experiences at the 2016 Regional Conference & General Assembly held at the La Quinta Resort & Spa in La Quinta May 5 – 6, 2016.

A link to the appropriate survey was emailed to conference attendees and sponsors immediately after the conference adjourned on May 6. The survey was open and available for two weeks, closing on May 20. The survey results have been tabulated and key findings are as follows:

Key Findings – Attendee Survey:

- A large majority, 92%, heard about the conference by “Email” or “Word of Mouth”
- The top two reasons attendees cited for attending the conference were “Support of SCAG” 66%; and “Networking Opportunities,” 60%
- Two-thirds of attendee respondents, 66%, identified themselves as repeat attendees of SCAG’s conference.
- When asked to rate all the different conference sessions, at least 83% of respondents reported finding each session either “Excellent” or “Good,” with one exception. The “Disaster Resilience” panel was
rated “Excellent” or “Good” by 73% of respondents, and had the lowest percentage of “Excellent” ratings, at 19%. The two highest-rated sessions were “Waste Not, Want Not” (97% “Excellent” or “Good”) and the “Beyond the Sharing Economy” (93% “Excellent” or “Good”).

- A total of 95% of respondents said the conference met (73%) or exceeded (22%) their expectations.
- In response to the question, “What conference activities should be discontinued?” respondents most often mentioned that the presentations during meals were distracting or poorly timed because of the audience’s noise and talking, and that they would prefer to be able to network more freely over meals without competing with a speaker. Respondents also stated they would like to see future conferences being held at other locations across the region.
- In response to the question “What conference activities should SCAG continue to include?” Many cited the reception and other networking opportunities as features they would like to see continued and even expanded at future conferences.
- A full 98% of respondents consider themselves either likely or highly likely to attend future SCAG conferences.

**Key Findings – Sponsor Survey:**

- 100% of sponsors said that SCAG staff were responsive to their needs.
- 93% said the hotel staff was responsive to their needs.
- 100% cited their sponsorship space as “sufficient.”
- 73% said they are “Very likely” to sponsor a SCAG event in the future, and the remaining 27% said they are “Somewhat likely” to do so.
- Most sponsors cited “Relationship building with SCAG/Regional Council” as the primary motivating factor for sponsorship, and many also cited “Ability to interact with regional partners” and “Increased regional presence/recognition.”
- In response to the question “What was the most satisfactory aspect of your sponsorship?” respondents most often cited the ability to interact with SCAG elected officials and other partners, substantial networking opportunities and high attendance.

**Conclusion and Next Steps**

The conference programming as a whole was very well-received. Attendees’ constructive suggestions for future conferences include using a more compact conference space for less walking time between sessions, seeking out more diversity in panel speakers to differentiate more from previous years’ conference sessions and ensure political balance, and paying closer attention to the timing of individual presentations to keep the program from running behind. For future conference topics, many respondents voiced an interest in addressing water issues and stormwater management and financial topics like balancing budgets and getting more done with less money. Sponsors would like to see SCAG continue to provide visibility to sponsors. Several sponsors made particular mention of wanting the nametag design in future years to more clearly present not just the name but the affiliation of attendees, and perhaps also printing a name on both sides of the name tag for readability in the event the name badge gets turned around. Staff will take all of these into consideration once planning commences for the 2017 Regional Conference & General Assembly.

Summary:
The California Global Warming Solutions Act of 2006 authorizes the State Air Resources Board to include the use of market-based compliance mechanisms. Current state board regulations require specified entities to comply with a market-based compliance mechanism beginning January 1, 2013, and require additional specified entities to comply with that market-based compliance mechanism beginning January 1, 2015. This bill would instead exempt those categories of persons or entities that did not have a compliance obligation, as defined, under a market-based compliance mechanism beginning January 1, 2013, from being subject to that market-based compliance mechanism through December 31, 2020.

**Summary:**
The State Aeronautics Act authorizes the Department of Transportation to evaluate the need for an airport, owned or operated by the United States in this state that ceases to be so owned or operated, in the state’s public-use airport system, as specified. The act requires the department, before finalizing the evaluation, to submit a copy of its report to the California Transportation Commission for review and comment and requires the commission to complete its review and comment, as specified, not later than 45 days after receiving the evaluation. This bill would instead require the commission to complete its review and comment not later than 50 days after receiving the evaluation.

Current law requires the State Energy Resources Conservation and Development Commission to implement the Alternative and Renewable Fuel Vehicle Technology Program to provide financial assistance to develop and deploy innovative technologies that transform California’s fuel and vehicle types to help attain the state’s climate change policies. Current law includes within the program alternative and renewable fuel infrastructure, fueling stations, and equipment. This bill would specify that alternative and renewable fuel infrastructure includes electric vehicle charging infrastructure in disadvantaged communities.

Summary:
Would, with certain exceptions, authorize a state agency, when preparing the economic impact assessment, to use a consolidated definition of small business to determine the number of small businesses within the economy, a specific industry sector, or geographic region, and would define "small business" for that purpose as a business that is independently owned and operated, not dominant in its field of operation, and has fewer than 100 employees.

**Summary:**  
Would authorize each Member of the Legislature to nominate one project within his or her respective district each year, and the Governor to designate those projects as priority projects if the projects meet specified requirements. The bill would require the Governor to provide a notice of the designation to the appropriate lead agency and to the Office of Planning and Research. The bill would require the lead agency to notify the public and interested stakeholders of the designation, as specified, thereby imposing a state-mandated local program.

**Summary:**  
Would add a definition of "alternative fuel" and would provide that it is the policy of the state to help accelerate the adoption of vehicles using alternative fuels throughout the state by increasing the amount of charging and refueling options needed to facilitate electric, hydrogen, and natural gas vehicles traveling along all passenger and goods movement corridors on federal and state highways. The bill would require the State Energy Resources Conservation and Development Commission to conduct an assessment and develop an integrated strategy to maximize the benefits and scope of an alternative refueling infrastructure, as defined, to help the state achieve its climate change, air quality, and economic goals and this newly stated policy.

Last Amended: 3/26/2015
Status: 1/15/2016-Failed Deadline pursuant to Rule 61(b)(1). (Last location was 2 YEAR on 5/1/2015)
Location: 1/15/2016-A. DEAD

Summary:
Current law requires a congestion management program to be developed, adopted, and updated biennially by a designated agency for every county that includes an urbanized area. This bill would delete the traffic level of service standards as an element of a congestion management program and would delete related requirements, including the requirement that a city or county prepare a deficiency plan when highway or roadway level of service standards are not maintained. This bill contains other related provisions and other existing laws.

(Cooper D)  Theft: firearms.

Introduced: 2/27/2015
Last Amended: 5/4/2016
Location: 5/19/2016-A. ASSEMBLY

Summary:
The current Safe Neighborhoods and Schools Act, enacted as an initiative statute by Proposition 47, as approved by the electors at the November 4, 2014, statewide general election, makes the theft of property that does not exceed $950 in value petty theft, and makes that crime punishable as a misdemeanor, with certain exceptions. This bill would amend that initiative statute by making the theft of a firearm grand theft in all cases and punishable by imprisonment in the state prison for 16 months, or 2 or 3 years. This bill contains other related provisions and other current laws.

Location: 1/22/2016-A. DEAD

Summary:
Current law authorizes the Department of Transportation and regional transportation agencies, as defined, to enter into comprehensive development lease agreements with public and private entities, or consortia of those entities, for certain transportation projects that may charge certain users of those projects tolls and user fees, subject to various terms and requirements. These arrangements are commonly known as public-private partnerships. This bill would provide that a lease agreement shall not be entered into under these provisions on or after January 1, 2030, and would delete obsolete cross-references and make technical changes to these provisions.

Summary:
Current law vests the California Transportation Commission with specified powers, duties, and functions relative to transportation matters. Current law requires the commission to retain independent authority to perform the duties and functions prescribed to it under any provision of law. This bill would exclude the California Transportation Commission from the Transportation Agency and establish it as an entity in the state government. The bill would also make conforming changes.

Location: 1/31/2016-A. DEAD

Summary:
Current law, the Motor Vehicle Fuel Tax Law, imposes a tax upon the privilege of distributing motor fuel and defines the term "gasohol" for purposes of that law. Gasohol is defined as all blends of gasoline and alcohol containing more than 15% gasoline. This bill would redefine gasohol to instead mean all blends of gasoline and alcohol containing more than 21% or a percentage determined by regulations adopted by the State Board of Equalization, as specified. This bill contains other related provisions and other current laws.

**Summary:**
Would create the Advanced Mitigation Program in the Department of Transportation to implement environmental mitigation measures in advance of future transportation projects. The bill, by February 1, 2017, would require the department to establish a steering committee to advise the department in that regard.

AB 1943  (Linder R)  Parking: county transportation commissions.
Introduced: 2/12/2016
Last Amended: 6/8/2016
Status: 6/16/2016-Action From SECOND READING: Read second time.To CONSENT CALENDAR.
Location: 6/16/2016-S. CONSENT CALENDAR

Summary:
Current law establishes county transportation commissions in Los Angeles, Orange, Riverside, San Bernardino, and Ventura counties for the coordination of public transportation services and the performance of various transportation planning activities. Existing law authorizes each commission to make contracts of any nature whatsoever, including to employ labor. This bill would authorize the Riverside County Transportation Commission to enter into contracts with private vendors for the enforcement of parking regulations and the removal of vehicles parked in violation of parking regulations adopted by the commission.

Last Amended: 3/17/2016
Status: 5/5/2016-Referred to Com. on T. & H.
Location: 5/5/2016-S. T. & H.

Summary:
Current law, until January 1, 2017, provides that the State of California consents to the jurisdiction of the federal courts with regard to the compliance, discharge, or enforcement of the responsibilities the Department of Transportation assumed as a participant in the surface transportation project delivery program. This bill would delete the January 1, 2017, repeal date and thereby extend these provisions indefinitely.

Status: 6/9/2016-Referred to Coms. on T. & H. and E.Q.
Location: 6/9/2016-S. T. & H.

Summary:
Current law continuously appropriates specified portions of the annual proceeds in the Greenhouse Gas Reduction Fund to various programs, including 5% for the Low Carbon Transit Operations Program, which provides operating and capital assistance for transit agencies to reduce greenhouse gas emissions and improve mobility, with a priority on serving disadvantaged communities. This bill would additionally authorize moneys appropriated to the program to be expended to support the operation of existing bus or rail service if the governing board of the requesting transit agency declares a fiscal emergency and other criteria are met, thereby expanding the scope of an existing continuous appropriation.

**Summary:**  
The Planning and Zoning Law, requires a city or county to adopt a comprehensive, long-term general plan for the physical development of the city or the county and of any land outside its boundaries that bears relation to its planning. This bill would revise the definition of land suitable for residential development to include above sites owned or leased by a city, county, or city and county. By imposing new duties upon local agencies with respect to the housing element of the general plan, this bill would impose a state-mandated local program.

Summary:
Would establish the Transit Pass Program to be administered by the Department of Transportation with moneys from the Greenhouse Gas Reduction Fund, upon appropriation, to support transit pass programs that provide free or reduced-fare transit passes to specified pupils and students. The bill would require the department, in coordination with the state board, to develop guidelines that describe the criteria that eligible transit providers are required to use to make available free or reduced-fare transit passes to eligible participants and the methodologies that eligible participants would use to demonstrate that the proposed expenditures will reduce greenhouse gas emissions.

Location:  6/15/2016-S. APPR.

Summary:
Current law requires the Department of Transportation to prepare a state highway operation and protection program for the expenditure of transportation funds for major capital improvements that are necessary to preserve and protect the state highway system and that include capital projects relative to maintenance, safety, and rehabilitation of state highways and bridges that do not add a new traffic lane to the system. This bill would add to the program capital projects relative to the operation of
those state highways and bridges.

**Summary:**

Would expand the authority of the California Infrastructure and Economic Development Bank by adding affordable housing, as defined, to the types of projects to which the bank is authorized to provide financial assistance. By expanding the bank’s authority to expend funds in a continuously appropriated fund, the bill would make an appropriation. This bill would also make conforming, nonsubstantive changes to cross-references to this provision.

**Summary:**  
Current law requires certain miscellaneous revenues deposited in the State Highway Account that are not restricted as to expenditure by Article XIX of the California Constitution to be transferred to the Transportation Debt Service Fund in the State Transportation Fund, as specified, and requires the Controller to transfer from the fund to the General Fund an amount of those revenues necessary to offset the current year debt service made from the General Fund on general obligation transportation bonds issued pursuant to Proposition 116 of 1990. This bill would, on July 1, 2017, delete the transfer of these miscellaneous revenues to the Transportation Debt Service Fund, thereby eliminating the offsetting transfer to the General Fund for debt service on general obligation transportation bonds issued pursuant to Proposition 116 of 1990.

Summary:
Current law generally requires contracts by the state for the acquisition of goods and services be awarded pursuant to various procedures and requirements. Current law exempts specified projects and types of contracts from those procedures and requirements. The California Council on Science and Technology is a nonpartisan, impartial, not-for-profit corporation, created in 1988 by legislative resolution. This bill would authorize state entities, as defined, to enter into contracts with the council for the council's assistance in translating scientific studies to inform public policy.

**Summary:**
Current law authorizes the Department of Transportation and regional transportation agencies, as defined, to enter into comprehensive development lease agreements with public and private entities, or consortia of those entities, for certain transportation projects that may charge certain users of those projects tolls and user fees, subject to various terms and requirements. These arrangements are commonly known as public-private partnerships. Current law prohibits a lease agreement from being entered into under these provisions on or after January 1, 2017. This bill would allow a lease agreement to be entered into under these provisions until January 1, 2030.

**Summary:**
Current law creates the Active Transportation Program in the Department of Transportation for the purpose of encouraging increased use of active modes of transportation. Current law requires the California Transportation Commission to award 50% and 10% of available funds to projects statewide and to projects in small urban and rural regions, respectively, with the remaining 40% of available funds to be awarded to projects by metropolitan planning organizations, with the funds available for distribution by each metropolitan planning organization based on its relative population. This bill would require a minimum of 5% of available funds in each of the 3 distribution categories to be awarded for planning and community engagement for active transportation in disadvantaged communities and a minimum of 10% of all available Active Transportation Program funds to be programmed for noninfrastructure purposes, except as provided.

Summary:
The California Global Warming Solutions Act of 2006 authorizes the State Air Resources Board to include the use of market-based compliance mechanisms. Current state board regulations require specified entities to comply with a market-based compliance mechanism beginning January 1, 2013, and require additional specified entities to comply with that market-based compliance mechanism beginning January 1, 2015. This bill instead would exempt categories of persons or entities that did not have a
compliance obligation, as defined, under a market-based compliance mechanism beginning January 1, 2013, from being subject to that market-based compliance mechanism.

Calendar:  
6/16/2016 #59 SENATE SEN UNFINISHED BUSINESS  

Summary:  
Would, for the 2016-17 fiscal year and each fiscal year thereafter, require the State Board of Equalization on March 1 of the fiscal year immediately preceding the applicable fiscal year, as specified, to adjust the rate in a manner as to generate an amount of revenue equal to the amount of revenue loss attributable to the exemption, based on estimates made by the board that reflect the combined average of the actual fuel price over the previous 4 fiscal years and the estimated fuel price for the current fiscal year, and continuing to take into account adjustments required by existing law to maintain revenue neutrality for each year. This bill contains other existing laws.

**Summary:**
Current law defines the boundaries of 3 intercity rail corridors, and requires the preparation of an annual business plan for the corridor by each participating joint powers board. This bill, at any time after an interagency transfer agreement between the department and a joint powers board has been entered into, would authorize the amendment of the agreement to provide for the extension of the affected rail corridor to provide intercity rail service beyond the defined boundaries of the corridor. The bill would require a proposed extension to first be recommended and justified in the business plan adopted by the joint powers board, and then would require the approval of the Secretary of Transportation.

SB 1387 (De León D) Nonvehicular air pollution: market-based incentive programs: South Coast Air Quality Management District board.

Introduce: 2/19/2016
Last Amended: 4/7/2016
Status: 6/13/2016-Referred to Com. on NAT. RES.
Location: 6/13/2016-A. NAT. RES.

Calendar:
6/27/2016 2:30 p.m. - State Capitol, Room 447 ASSEMBLY NATURAL RESOURCES, WILLIAMS, Chair

Summary:
Would require a district board to submit to the State Air Resources Board for review and approval the district's plan for attainment or a revision to that plan, as specified. The bill also would require a district board to submit to the state board for review and approval the district's market-based incentive program and any revisions to that program, as specified. The bill would prescribe specified actions for the state board to take if the state board determines that a plan for attainment, a revision of a plan for attainment, a market-based incentive program, or a revision to a market-based incentive program do not comply with law.

Summary:
Current law creates the Los Angeles County Metropolitan Transportation Authority with specified powers and duties relative to transportation planning, programming, and operations in the County of Los Angeles. This bill would expand the board of directors to 22 members by adding 2 members that reside in the County of Los Angeles, one member appointed by the Speaker of the Assembly and one member appointed by the Senate Committee Rules, selected from a list of candidates submitted by the Los Angeles County City Selection Committee, and would prohibit these members from residing in the same city as another member of the authority, as specified.
