**CALL TO ORDER**
The meeting was called to order by the Chair, Hon. Clint Lorimore, at approximately 8:30 a.m. A quorum was confirmed and roll-call was taken.

**PUBLIC COMMENT PERIOD**
There were no public comments presented.

**REVIEW AND PRIORITIZE AGENDA ITEMS**
There was no reprioritization of the Agenda.

**CONSENT CALENDAR**

1. Minutes of April 18, 2017 Meeting

As part of the Consent Calendar, the minutes of April 18, 2017, pertaining to Item #6, SB 150 (Allen), Jeff Dunn requested that a provision for future steps be included in the ‘Oppose’ motion. With this amendment, a MOTION (Viegas-Walker) was made to APPROVE the Consent Calendar. The MOTION was SECONDED (Finlay) and APPROVED by a majority vote. A roll-call vote was taken and recorded as follows:

**AYES:** Clark, Finlay, Lorimore, Martinez, Murray, Pettis, Viegas-Walker, Wapner

**NOES:** None

**ABSTAIN:** None
ACTION ITEMS

2. SCAG Membership

Darin Chidsey, Chief Operating Officer, provided a brief overview of the membership, Los Angeles County Business Federation (BizFed) - $5,000.

A MOTION was made (Finlay) to APPROVE the membership as presented. The MOTION was SECONDED (Murray) and APPROVED by a majority vote. A roll-call vote was taken and recorded as follows:

AYES: Clark, Finlay, Lorimore, Murray, Pettis, Viegas-Walker, Wapner

NOES: None

ABSTAIN: None

3. AB 805 (Gonzalez Fletcher) – County of San Diego: Transportation Agencies

Darin Chidsey, Chief Operating Officer, stated that AB 805 would change the governance and financing authority of the San Diego Association of Governments (SANDAG), the San Diego Metropolitan Transit System (MTS), and the North County Transit District (NCTD), and add requirements to SANDAG’s regional comprehensive plan. The bill also adds an audit committee to the list of standing policy advisory committees within SANDAG and prescribes numerous duties and authorities to the committee. Staff recommends an oppose position.

A MOTION was made (Murray) to oppose AB 805 (Gonzales Fletcher) – County of San Diego: Transportation Agencies. The MOTION was SECONDED (Viegas-Walker) and APPROVED by a majority vote. A roll-call vote was taken and recorded as follows:

AYES: Clark, Finlay, Lorimore, Martinez, Murray, Pettis, Viegas-Walker, Wapner

NOES: None

ABSTAIN: None

4. AB 686 (Santiago) – Housing Discrimination: Affirmatively Further Fair Housing

Darin Chidsey, Chief Operating Officer, stated that AB 686 would require a public agency to administer its programs and activities relating to housing and community development in a manner that affirmatively furthers fair housing consistent with this obligation under federal law. The bill would make it unlawful under the California Fair Employment and Housing Act for a public agency to fail to meet its obligation to affirmatively further fair housing and would provide that failure would constitute housing discrimination under the act. The bill would authorize the Director of Fair Employment and Housing to investigate or bring a civil action based on an alleged violation of these provisions. Staff recommends an oppose position.

Jeff Dunn, Senior Legislative Analyst, stated that the bill gives a cause of action to bring challenge against any kind of project that would arguably have affordable housing or any existing state
Legislative/Communications & Membership Committee Minutes

program that might be part of developing affordable housing. Mr. Dunn further stated that as a matter of policy in this era of extreme need for additional housing, SCAG should oppose any bill that could potentially bring further cause of action against affordable housing.

A MOTION was made (Finlay) to oppose AB 686 (Santiago) – Housing Discrimination: Affirmatively Further Fair Housing. The MOTION was SECONDED (Viegas-Walker) and APPROVED by a majority vote. A roll-call vote was taken and recorded as follows:

AYES: Clark, Finlay, Lorimore, Martinez, Murray, Pettis, Viegas-Walker, Wapner

NOES: None

ABSTAIN: None

5. SB 768 (Allen) – Transportation Projects: Public Private Partnerships (P3s)

Darin Chidsey, Chief Operating Officer, stated that SB 768 would indefinitely extend authorization of the Department of Transportation and regional transportation agencies to enter into comprehensive development lease agreements with public and private entities for certain transportation projects that may charge users for those project tolls and user fees subject to various terms and requirements. These arrangements are commonly known as public-private partnerships. Under existing law that authority was sunset on January 1, 2017. Mr. Chidsey stated that staff recommends a support position to extend these P3 provisions.

A MOTION was made (Clark) to support SB 768 (Allen) – Transportation Projects: Public Private Partnerships (P3s). The MOTION was SECONDED (Finlay) and APPROVED by a majority vote. A roll-call vote was taken and recorded as follows:

AYES: Clark, Finlay, Lorimore, Martinez, Murray, Pettis, Viegas-Walker, Wapner

NOES: None

ABSTAIN: None

6. SB 268 (Mendoza) – Los Angeles County Metropolitan Transportation Authority

Darin Chidsey, Chief Operating Officer, stated that SB 268 would reduce the number of members of the Los Angeles County Metropolitan Transportation Authority (LA Metro) board of directors from five (5) to two (2) of those members that are county supervisors, and would require that one supervisor represent the largest population in the unincorporated area of Los Angeles County. The bill would delete the appointment of the current two (2) public members and require the Mayor of the City of Los Angeles to appoint five (5) members of the Los Angeles City Council who represents contiguous clusters of three (3) council districts. The bill would require the city council to determine contiguity. The bill would require every appointee to serve a 4-year term without limitation or until the expiration of the term of his or her elected office. Staff recommends an oppose position.
A MOTION was made (Murray) to oppose SB 268 (Mendoza) – Los Angeles County Metropolitan Transportation Authority. The MOTION was SECONDED (Finlay) and APPROVED by a majority vote. A roll-call vote was taken and recorded as follows:

AYES: Clark, Finlay, Lorimore, Martinez, Murray, Pettis, Viegas-Walker, Wapner

NOES: None

ABSTAIN: None

INFORMATION ITEMS

7. AB 871 (Santiago) – Office of Emergency Services: Disaster Programs

Darin Chidsey, Chief Operating Officer, stated that AB 871 would appropriate $3M from the General Fund (GF) to the Governor’s Office of Emergency Services (CalOES) to fund current disaster preparedness, resiliency, and response programs in vulnerable underserved neighborhoods and communities that may be subject to disasters. CalOES must distribute the funds on or before June 30, 2018, to a qualified charitable organization.

8. SB 775 (Wieckowsky) – California Global Warming Solutions Act of 2006: Market-Based Compliance Mechanisms

Darin Chidsey, Chief Operating Officer, stated that SB 775 requires the California Air Resources Board (CARB), when administering a market-based compliance mechanism (commonly referred to as ‘Cap-and-Trade’), to assist the state in meeting its mandated greenhouse gas (GHG) emissions reduction goals to set an initial minimum reserve price of $20 per allowance, and an initial auction offer price of $30 per allowance. The bill would require the program to increase the minimum reserve price and the auction offer price each quarter, as specified, to achieve greater certainty and predictability of auction revenues over time. The bill also contains provisions related to free allowances, offsets, and other provisions. Mr. Chidsey further stated over the last several years, staff and members of this Committee have been talking about the effectiveness of the Cap-and-Trade program; particularly, how the program is distributing its funds. On Wednesday, May 17, 2017, Hasan Ikhrata, SCAG’s Executive Director, and Mr. Chidsey will attend a joint session at the capitol in Sacramento to discuss the future of the program and allocation of the funds. Mr. Chidsey noted that the SCAG region has received less than 30% of the funds to date from the program. Staff is not recommending a position until the bill has been fully vetted by its various stakeholders.

9. AB 302 (Gipson) – South Coast Air Quality Management District: Fleets

Darin Chidsey, Chief Operating Officer, stated that AB 302 would grant new authority to the South Coast Air Quality Management District (SCAQMD) to impose accelerated purchase requirements of near-zero and zero-emission vehicles by public and private fleets within South Coast. The bill is sponsored by the Natural Gas Vehicle Coalition. SCAQMD has not yet taken a position on this bill. It is currently being evaluated by SCAG’s partner agencies throughout the region. Staff will continue to monitor the bill.
10. Federal Budget

Darin Chidsey, Chief Operating Officer, stated that as the federal government moved forward with the budget for the remainder of the fiscal year, there were concerns how that might affect transportation. When the President unveiled his initial budget, there were drastic changes to transportation funding. However, none of those changes came to fruition in the extension of the current fiscal budget. The federal government maintained status quo funding, which means all the usual programs in transportation will move forward in the extension of the budget. Mr. Chidsey noted that staff is anticipating the trillion dollar Trump investment plan, and is working with its transportation partners throughout the region to prepare for the program’s release.

11. Bills of Interest

There were no additional bills addressed.

FUTURE AGENDA ITEMS

Hon. Clint Lorimore requested that AB 1250, which addresses city contracts, be added to the next LCMC agenda.

Hon. Glen Becerra noted there are referendums being filed against SB 1, and requested that this issue be addressed at the next LCMC meeting.

Hon. Cheryl Viegas-Walker suggested scheduling time at a future meeting to discuss a more holistic approach to solving the issues of affordable housing. Hon. Viegas-Walker also requested that staff provide an outline of legislative trips forthcoming in the fall of 2017.

ANNOUNCEMENTS

There were no announcements presented.

ADJOURNMENT

Chair Clint Lorimore adjourned the meeting at 9:20 a.m. The next regular meeting of the Legislative/Communications & Membership Committee is scheduled for 8:30 a.m. – 10:00 a.m., Tuesday, June 20, 2017.

**CALL TO ORDER**
The meeting was called to order by the Chair, Hon. Clint Lorimore, at approximately 8:30 a.m. After roll-call was taken, it was determined that a quorum of eleven (11), which was believed to be required for a majority vote for a membership of nineteen (19), was not achieved. The Chair stated the meeting would continue, but only Information Items would be addressed.

For the record, it was later determined and confirmed by SCAG’s General Counsel, Joe Silvey, that only ten (10) members are needed to meet the a quorum requirement for a majority vote with a membership of nineteen (19).

Action postponed.

**ACTION ITEMS**

2. **SCAG Sponsorships**

   - Southern California Leadership Network - $14,500
   - Sustainable Freight Think Tank Symposium - $6,500.

As the two sponsorships were time sensitive, staff recommended moving the sponsorships forward to the EAC and RC without a recommendation from the LCMC committee.

**INFORMATION ITEMS**

3. **SB 1 Implementation**

Darin Chidsey, Chief Operating Officer, stated that SB 1, The Road Repair and Accountability Act of 2017, provides the first significant, ongoing increase in state transportation funding in more than two decades. In providing this funding, the Legislature has provided additional funding for transportation infrastructure, increased the role of the California Transportation Commission (CTC), and created new transportation funding programs for freight, corridor congestion, and transportation planning. SCAG is working very closely with its stakeholders and the CTC to ensure that the SCAG region receives its fair share of these new funding opportunities. These funds are critically needed at the local level and the quicker those funds are available, the sooner we will see the benefits of the gas tax increase and the effect it will have on the region. There was an inquiry from Hon. Glen Becerra regarding a recall of SB 1 or a repeal of the gas tax. In response, Mr. Chidsey noted there are some efforts in this regard to raise funds and signatures to bring that issue to a 2018 ballot. Staff will continue to monitor the situation and keep the Committee updated.

4. **2017-18 State Budget**

Jeff Dunn, Senior Legislative Analyst, stated that the 2017-18 budget is generally robust and regarded as prudent and a good base for the coming year.

5. **Bills of Interest**

Jeff Dunn, Senior Legislative Analyst, provided an overview of various legislative bills, which this Committee has recommended a position. Mr. Dunn also provided an update on legislation with potential impact to our region. Staff will continue to monitor these bills and inform the Committee of any relevant actions taken.

6. **Legislative Tracking Report**

Jeff Dunn, Senior Legislative Analyst, reminded the Committee that the most current Legislative Tracking report is available on SCAG’s website under the Legislative section.

7. **Policy & Public Affairs Department Update**
Legislative/Communications & Membership Committee Minutes

Darin Chidsey, Chief Operating Officer, announced that after ten years of leading SCAG’s legislative efforts, Jeff Dunn will be leaving to pursue an opportunity at LAUSD, as their Director of Government Relations and Legislative Affairs. Mr. Chidsey congratulated Mr. Dunn on his new position and expressed his gratitude for Mr. Dunn’s commitment and dedication to the SCAG team and to LCMC.

Other LCMC members expressed their regard and appreciation for Mr. Dunn and his allegiance to SCAG over the last decade.

Art Yoon, Director of Policy and Public Affairs, provided an update on Cap-and-Trade stating that it is anticipated the Governor will request an extension to the program. SCAG has advocated for a regional equity which is resonating with the caucus. Mr. Yoon further stated that August and September will be critical months to ensure that SCAG’s regional equity concerns continue to be heard. President Finlay will be seeking volunteers to serve on Sacramento strike teams to assist in presenting our case directly to the legislators. Also, staff is monitoring the federal infrastructure proposals and it may be necessary to initiate similar DC strike teams for this effort.

FUTURE AGENDA ITEMS
There were no future agenda items presented.

ANNOUNCEMENTS
Darin Chidsey, Chief Operating Officer, stated that since the Regional Council is dark in August, staff recommends that LCMC cancel its July meeting and then reconvene in August to prepare for the September Regional Council meeting.

ADJOURNMENT
Chair Lorimore adjourned the meeting at 9:10 a.m. The next regular meeting of the Legislative/Communications & Membership Committee is scheduled for 8:30 a.m. – 10:00 a.m., Tuesday, August 15, 2017.

Approve

EXECUTIVE SUMMARY:
The Legislative/Communications & Membership Committee (LCMC) is asked to approve up to $20,000 in sponsorships for the UCLA Lewis Center and Institute of Transportation Studies 27th Annual Lake Arrowhead Symposium (October 15-17, 2017).

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation Infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:

UCLA Lewis Center and Institute of Transportation Studies 27th Annual Lake Arrowhead Symposium (October 15-17, 2017) – $20,000

Each year, the UCLA Lewis Center and Institute of Transportation Studies Program holds a symposium dealing with regional and public policy issues. This year’s Symposium—Global Climate Change, Local Growing Pains—will take place from October 15-17, 2017 at the UCLA Lake Arrowhead Conference Center and convenes a diverse and intimate group of influential policy-makers, private sector stakeholders, public sector analysts, consultants, advocates, and researchers to delve into the pressing public policy challenges related to the transportation - land use – environment connection. SCAG has been a sustaining co-sponsor of this program, which enables SCAG to maintain membership on the 2017-2018 Arrowhead Steering Committee and directly help plan and evaluate the event, including suggesting topics and speakers and nominating experts to attend the Symposium consistent with SCAG goals. The sponsorship also provides the following:

- Six (6) complimentary registrations;
- Four (4) registrations at fifty (50) percent off;
- Ten (10) invitations for Symposium attendees;
- Opportunity to nominate speaker for UCLA’s review;
- Exclusive display of promotional materials during early evening reception;
- Recognition as the sponsor of one of the days of the Symposium (Day 1, Day 2, or Day 3);
- Exclusive display of promotional materials in meeting room on the day sponsored;
- Arrangements for a two (2) hour private breakout meeting for the organization;
- Highlighted recognition on the Symposium website and online materials;
- Highlighted recognition as Diamond sponsor from the podium on the day sponsored;
- Display of promotional materials at the registration area;
- Logo placement on printed Symposium materials; and
- Opportunity to network with speakers, faculty, and prominent public officials.

SCAG staff is recommending a “Diamond” level sponsorship in the amount of $20,000. SCAG Board members and Executive staff will attend the Symposium.

**FISCAL IMPACT:**
$20,000 for sponsorships is included in the approved FY 17-18 General Fund budget.

SUBJECT: SB 35 (Wiener) – Planning and Zoning: Affordable Housing: Streamlined Approval Process – SUPPORT

RECOMMENDED ACTION:
Support

EXECUTIVE SUMMARY:

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation Infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:
SB 35 was introduced by Senator Scott Weiner (D-San Francisco), principally co-authored by Senator Toni Atkins (D-San Diego), and co-authored by Senators Benjamin Allen (D-Santa Monica) and Andy Vidak (R-Hanford) and Assembly Members Anna Caballero (D-Salinas), Brian Dahle (R-Bieber), Todd Gloria (D-San Diego), Timothy Grayson (D-Concord), Miguel Santiago (D-Los Angeles), Joaquin Arambula (Kingsburg), Rob Bonta (D-Oakland), and Mike Gipson (D-Carson). It modifies the Planning and Zoning Law by requiring the housing element portion of the annual report to be prepared through the use of standards, forms, and definitions adopted by the department, not pursuant to the Administrative Procedure Act.

The current Planning and Zoning Law states that after adoption of the general plan, planning agencies are required to submit an annual report to the legislative body, the Office of Planning and Research (OPR), and the Department of Housing and Community Development (HCD). SB 35 requires the following information to also be included in the annual report: number of net new units of housing (both rental housing and housing designated for homeownership), that have been issued an entitlement, a building permit, or a certificate of occupancy, thus far in the housing element cycle, and the income category, by area median income category, that each unit of housing (including both rental housing and housing designated for homeownership), satisfies. It also requires the annual report to, for each income category, distinguish between the number of rental housing units that satisfy each income category and the number of units that are housing designated for home ownership that satisfy each income category. SB 35 also requires the annual report to include a unique site identifier, such as an address, ZIP Code, of assessor’s parcel number, for each entitlement, building permit, or certificate of occupancy.
SB 35 creates a more streamlined, ministerial approval process for development proponents of multi-family housing if the development meets certain requirements and the local government in which the developments is located has not permitted enough housing units to meet its share of the regional housing needs assessment (RHNA).

SB 35’s streamline mechanism is applicable to development proponents who satisfy certain planning standards, some of which include: the development is a multifamily housing that contains two or more residential units; the development is located on a site that is both an urban infill site and a site zoned for residential use or residential mixed-use development with at least two-thirds of the square footage for residential use; the development is not located on a site that is a coastal zone, prime farmland, wetlands, high fire severity zone, hazardous waste site, earthquake fault zone, flood plain, floodway, lands identified for conservation, occupied habitats, and lands under conservation easement; the development is not located on a site where it would require the demolition of affordable housing or the demolition of a historic structure that was placed on a national, state, or local historic register.

SB 35 also prohibits a local government from imposing parking standards for approved streamlined developments in cases in which the development is located within one-half mile of public transit, the development is located within an architecturally and historically significant historic district, when on-street parking permits are required but not offered to the occupants, or when there is a car share vehicle located within one block of the development.

DISCUSSION

California is facing a statewide housing crisis due to a combination of both a housing shortage and a lack of affordability, and the problem is not limited to housing for low-income families. Over the last decade and a half, the median rent in California increased by twenty-eight percent (28%) while the median household income dropped by eight percent (8%). The median home price in California is over $460,000 and is over two and a half times the national average. Low-income families are particularly hard hit and more than sixty percent (60%) of very low-income families spend over half their income on housing costs.

The high cost of housing is also having significant impacts upon California’s economy. The Bay Area Council, LA Area Chamber of Commerce, LA Business Council, Orange County Business Council, and Silicon Valley Leadership Group agree that less affordable housing impedes California businesses from attracting and retaining workers.

The Regional Council has recognized the State and region’s housing crisis and has adopted principles to address the issue, in addition to adopting among its legislative priorities support of measures to enhance funding for and development of increased housing and affordable housing development. Besides funding, zoning laws can often prove cumbersome to development projects. SB 35 allows for more efficient approval of much needed housing in California.

SB 35 passed out of the Senate (25-12) to the Assembly on June 1, 2017. It recently passed out of the Assembly Committee on Housing and Community Development (5-1) on July 12, 2017 and was referred to the Assembly Committee on Rules. The bill was read a second time and amended on July 14, 2017 and subsequently referred back to the Assembly Committee on Rules. No hearing has been scheduled.

SUBJECT: Cap-and-Trade Update

RECOMMENDED ACTION:
For Information Only – No Action Required

EXECUTIVE SUMMARY:
In late July 2017, California’s legislature successfully passed legislation, which Governor Jerry Brown signed, to extend the cap-and-trade program. The report below provides summaries of the key pieces of legislation that were passed and signed to extend the program.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:
In late July 2017, California’s legislature successfully passed legislation, which Governor Jerry Brown signed, to extend the cap-and-trade program. AB 398 by Assemblyman Eduardo Garcia (D-Coachella) extends the state's cap-and-trade program to ensure California continues to meet its ambitious climate change goals while AB 617, by Assemblywoman Cristina Garcia (D-Bell Gardens), establishes a program to measure and combat air pollution at the neighborhood level. A third measure, ACA 1 by Assembly Minority Leader Chad Mayes (R-Yucca Valley), is a proposed constitutional amendment that, if passed by the voters, would require a two-thirds (2/3) vote of both chambers of the legislature to appropriate revenues from the cap-and-trade program.

Extending California's cap-and-trade program ensures that billions of dollars in cap-and-trade auction proceeds will continue to flow to communities across California. While the three pieces of legislation passed with support from both Democrat and Republican lawmakers and enjoyed support from a broad cross-section of interest groups, the legislation, however, does not include any requirement that the proceeds be appropriated on an equal basis in terms of geographic location or population.

AB 398 (Eduardo Garcia) – California Global Warming Solutions Act of 2006: market-based compliance mechanisms: fire prevention fees: sales and use tax manufacturing exemption
AB 398 makes numerous and substantive changes to the California Global Warming Solutions Act of 2006. Principally, AB 398 extends the California Air Resources Board's (ARB) authority to establish and utilize, through regulations, a market-based mechanism, specifically cap-and-trade, through 2030. It requires ARB to establish price ceilings on greenhouse gas (GHG) emission allowances, price
containment points, offset credit compliance limits, and industry assistance factors for allowance allocation as part of the regulation.

It prohibits an air district from adopting or implementing an emission reduction rule for carbon dioxide from stationary sources that are also subject to the cap and trade regulation, and make other related changes.

The legislation also suspends the State Responsibility Area fire prevention fee from July 1, 2017 to January 1, 2031, and sunsets the SRA fee thereafter. AB 398 extends and expands the existing manufacturer's partial sales and use tax exemption from July 1, 2022 to July 1, 2030.

**AB 617 (Cristina García) – Non-vehicular air pollution: criteria air pollutants and toxic air contaminants**

This bill requires the California Air Resources Board to develop a process to measure and address criteria air pollutants in communities with a high burden by creating an annual emission reporting requirement, requiring the development of and strategies to reduce criterial pollutants, requiring air districts to speed up retrofits for industrial emission sources, and increasing fines for violators of air pollution laws.

More specifically, AB 617 requires CARB to develop a uniform statewide system of annual reporting of emissions of criteria air pollutants and toxic air contaminants to be used by certain emitters. This bill would require those stationary sources to report their annual emissions of criteria air pollutants and toxic air contaminants to CARB. In addition, AB 617 requires CARB to prepare a plan for monitoring criteria air pollutants and toxic air contaminants and deploy community air monitoring systems. This bill also authorizes some on-site monitoring of stationary sources. This bill requires a district that is in nonattainment for one or more air pollutants to adopt an expedited schedule for the implementation of best available retrofit control technology. This bill would require the schedule to apply to each industrial source that, as of January 1, 2017, was subject to a specified market-based compliance mechanism and give highest priority to those permitted units that have not modified emissions-related permit conditions for the greatest period of time. This bill would require the state board to establish and maintain a statewide clearinghouse that identifies the best available control technology and retrofit control technologies. Finally, AB 617 increases the maximum penalties for violations of this law from $1,000 to $5,000, and would adjust these penalties based upon the California Consumer Price Index.

**ACA 1 (Chad Mayes)**

This measure is a proposed California constitutional amendment that would create a new Greenhouse Gas Reduction Reserve Fund that would require a two-thirds vote in both houses of the state legislature before funds from the Greenhouse Gas Reduction Reserve Fund could be appropriated. All new moneys collected as part of a market-based compliance mechanism (cap-and-trade) after January 1, 2024 would be deposited into this fund. As a constitutional amendment, this measure will appear before the voters at the next general election in 2018.

SCAG staff will continue to monitor, and be a part of, discussions pertaining to implementation of the cap-and-trade program to ensure that the regional equity issue is satisfactorily addressed in the future.

RECOMMENDED ACTION:
For Information Only – No Action Required

EXECUTIVE SUMMARY:
With housing and affordable housing as one of the agency’s legislative priorities, and as part of its post-Housing Summit initiatives and housing program, SCAG is monitoring housing-related legislation and has summarized several of them in this report. SB 2 (Atkins), SB 3 (Beall), AB 71 (Chiu), ACA 4 (Curry), and ACA 11 (Caballero) pertain to permanent sources of funding for housing construction or mechanisms to provide such funding. SB 540 (Roth), AB 72 (Santiago), and AB 1505 (Bloom) pertain to local zoning and land use regulations to increase affordable housing supply.

STRATEGIC PLAN:
This item supports SCAG’s Strategic Plan: Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; and Goal 2: Obtain Regional Transportation infrastructure Funding and Promote Legislative Solutions for Regional Planning Priorities.

BACKGROUND:

Funding

SB 2 (Atkins) – Building Homes and Jobs Act
This bill, also known as the Building Homes and Jobs Act, would impose a fee (except as provided) of $75 to be paid at the time of the recording of every real estate instrument, paper, or notice required or permitted by law to be recorded, per each single transaction per single parcel of real property, not to exceed $225. The bill would require that a county recorder send revenues (quarterly) from this fee, after deduction of any actual and necessary administrative costs incurred by the county recorder, to the Controller for deposit in the Building Homes and Jobs Fund, which the bill would create within the State Treasury. The bill would, upon appropriation by the Legislature, require that twenty percent (20%) of the moneys in the fund be expended for affordable owner-occupied workforce housing and ten percent (10%) of the moneys for housing purposes related to agricultural workers and their families, and would authorize the remainder of the moneys in the fund to be expended to support affordable housing, home ownership opportunities, and other housing-related programs. The bill would also establish the Building Homes and Jobs Trust Fund Governing Board that would, among other things, review and approve recommendations made by the Department of Housing and Community Development for the distribution of moneys from the fund.
SB 2 passed out of the Senate (27-12) to the Assembly on July 6, 2017. It recently passed out of the Assembly Committee on Housing and Community Development (5-2) on July 12, 2017 and was referred to the Assembly Committee on Rules. No hearing has been scheduled.

**SB 3 (Beall) – Affordable Housing Bond Act of 2018**
This bill would enact the Affordable Housing Bond Act, which if adopted by California voters at the November 6, 2018 general election, would authorize the issuance of bonds in the amount of $3 billion that would be used to finance various existing housing programs, as well as infill infrastructure financing and affordable housing matching grant programs. Bond funds would be expended for the:
- Construction, rehabilitation, and preservation of permanent and transitional rental housing for persons with incomes of up to sixty percent (60%) of the area median income;
- New construction and rehabilitation of infrastructure that supports high-density affordable and mixed-income housing in locations designated as infill;
- Allocation of funds for farmworker housing; and
- Allocation of funds for other housing programs.

SB 3 passed out of the Senate (30-9) to the Assembly on June 1, 2017. It recently passed out of the Assembly Committee on Housing and Community Development (5-1) on July 12, 2017 and was referred to the Assembly Committee on Rules. No hearing has been scheduled.

**AB 71 (Chiu) - Income taxes: credits: low-income housing: farmworker housing**
This bill eliminates mortgage interest paid on a qualified second home as a deduction taxpayers can take against their state income tax. It would also increase the allocation of state Low-Income Housing Tax Credit (LIHTC) by an additional $300 million beginning in 2018 and adjusts that amount for inflation each year thereafter beginning in 2019. Beginning in 2018, it would also increase the amount of low-income housing tax credits set-aside for farmworker housing from $500,000 to $25 million. In addition, it provides that any low-income housing tax credits set-aside for farmworker housing developments that go unused of the $25 million will be available for qualified non-farmworker housing projects.

AB 71 passed out of the Assembly Committee on Appropriations (10-6) on May 26, 2017. On May 30, 2017, it was ordered to a third reading on the Assembly floor.

**ACA 4 (Curry) – Local government financing: affordable housing and public infrastructure: voter approval**
ACA 4 is a proposed amendment to the Constitution of the State to require a fifty-five percent (55%) vote threshold for infrastructure and affordable housing bonds. Currently, a two-thirds (2/3) majority is required for these bonds to pass. At the local level, this amendment could help initiatives aimed to build and preserve housing and associated infrastructure.

ACA 4 was referred to both the Assembly Committee on Local Government and Assembly Committee on Appropriations on April 24, 2017. No hearing has been scheduled.

**ACA 11 (Caballero) - California Middle Class Affordable Housing and Homeless Shelter: funding**
ACA 11 is a proposed amendment to the Constitution that would impose a quarter (1/4) cent statewide sales tax to support local and state programs that assist in the development or acquisition of affordable
housing, support first-time home buyer programs, and support housing programs that assist homeless individuals. The measure would require the funding to be distributed throughout the state in an equitable fashion for housing acquisition and development projects in local jurisdictions in proportion to the local jurisdiction’s share of the regional housing need incorporated into the housing element of the local jurisdiction’s general plan. The measure would authorize the distribution of these revenues in the form of loans, grants, tax credits, revenue bonds, and other financing options to acquire or construct additional affordable housing stock, as specified. The measure would prohibit these revenues from being used for any other purposes except as specified.

ACA 11 was referred to both the Assembly Committee on Housing and Community Development and Assembly Committee on Revenue and Taxation on July 3, 2017. No hearing has been scheduled.

Zoning and Land Use Regulations

SB 540 (Roth) – Workforce Housing Opportunity Zone
This bill would authorize a city or county to establish a Workforce Housing Opportunity Zone (WHOZ) by preparing an environmental impact report (EIR) pursuant to the California Environmental Quality Act (CEQA) and by adopting a specific plan. Once a WHOZ is established, and for a five year period thereafter, a lead agency is not required to prepare an EIR or negative declaration under CEQA for a housing development that satisfies specific criteria and the local government would be required to approve the housing development proposed within the WHOZ—as long as it is consistent with the plan and satisfies the specific criteria—within 60 days of the date the application is deemed complete pursuant to the Permit Streamlining Act. The bill would require at least fifty percent (50%) of total housing units within a WHOZ to be affordable to persons or families at or below moderate income. It would also require each development project to include at least ten percent (10%) of the units affordable for lower income households, unless the city or county has adopted an ordinance requiring a higher percentage.

SB 540 passed out of the Senate (33-7) to the Assembly on June 1, 2017. It recently passed out of the Assembly Committee on Natural Resources (9-0) on July 11, 2017 and was referred to the Assembly Committee on Appropriations. The bill was amended on July 14, 2017 and re-referred to the Assembly Committee on Rules. No hearing has been scheduled.

AB 72 (Santiago) – Housing
This bill requires the Department of Housing and Community Development (HCD) to review any action or inaction by a locality that it determines is inconsistent with an adopted housing element, permits HCD to find a locality’s housing element out of substantial compliance, and permits HCD to notify the Attorney General of violations of the law.

The League of California Cities, writing in opposition to a prior version of the bill, asserts that this bill allows HCD to second-guess any action taken by a city or county that it determines is inconsistent with a state approved housing element, the Housing Accountability Act, or a number of other housing related laws, which could slow down construction. Additionally, there is concern over HCD’s right to review “any action or failure to act by the city, county, or city and county that it determines inconsistent with an adopted housing element” as there is uncertainty as to how HCD is supposed to determine that an action is inconsistent with the law in the first place.
AB 72 passed out of the Assembly (58-19) to the Senate on June 1, 2017. It recently passed out of the Senate Committee on Appropriations (5-2) on July 17, 2017. On July 18, 2017, it was ordered to a third reading on the Senate floor.

**AB 1505 (Bloom) – Land use: zoning regulations**

This bill would authorize the legislative body of any city, county, or city and county to adopt ordinances to require, as a condition of development of residential rental units, that the development include a certain percentage of affordable residential rental units affordable to, and occupied by, moderate-income, lower income, very low income, or extremely low income households (also known as "inclusionary zoning"). Currently jurisdictions can adopt such an ordinance for rental units, but due to prior State court decisions that a time and resource-intensive nexus study must be conducted. This bill would clarify a jurisdiction's ability to adopt inclusionary housing requirements for new market-rate rental development.

AB 1505 passed out of the Assembly (47-24) to the Senate on May 4, 2017. It recently passed out of the Senate Committee on Transportation and Housing (7-4) on June 6, 2017. On July 11, 2017, it was ordered to a third reading on the Senate floor.

Governor Jerry Brown has indicated that addressing the state’s housing crisis will be one of the primary issues he will focus on after the California legislature reconvenes on August 21, 2017 at the conclusion of its summer recess. SCAG staff will continue to monitor housing legislation and work with the Governor and leaders in the legislature. The LCMC will be kept apprised of any updates on these matters.

Current federal law requires the United States Secretary of Transportation to carry out a surface transportation project delivery pilot program, under which the participating states assume certain responsibilities for environmental review and clearance of transportation projects that would otherwise be the responsibility of the federal government. Current law, until January 1, 2017, provided that the State of California consents to the jurisdiction of the federal courts with regard to the compliance, discharge, or enforcement of the responsibilities it assumed as a participant in the pilot program. This bill would reinstate the operation of the latter provision. The bill would repeal that provision on January 1, 2020. This bill would declare that it is to take effect immediately as an urgency statute.

Summary:
CEQA requires that an action or proceeding to attack, review, set aside, void or annul a determination, finding, or decision of a public agency, as provided, on the grounds of noncompliance with its provisions be brought in accordance with specified law governing administrative mandamus. CEQA requires a court to make specified orders if it finds that any determination, finding, or decision of a public agency has been made without compliance with CEQA, but prohibits a court from enjoining certain projects unless the court makes specified findings. This bill would similarly prohibit a court from enjoining a qualified strip mall conversion housing projects, as defined, unless the court makes specified findings.

AB 53  (Steinorth R) Personal income taxes: deduction: homeownership savings accounts.
Introduced: 12/5/2016
Last Amended: 5/15/2017
Status: 5/26/2017-In committee: Held under submission.
Location: 5/24/2017-A. APPR. SUSPENSE FILE

Summary:
Would, upon appropriation of specified funds by the Legislature, for taxable years beginning on and after January 1, 2017, and before January 1, 2019, would allow a deduction, not to exceed specified amounts, of the amount a qualified taxpayer, as defined, contributed in any taxable year to a homeownership savings account and would exclude from gross income any income earned on the moneys contributed to a homeownership savings account. The bill would provide that a qualified taxpayer may withdraw amounts from a homeownership savings account to pay for qualified homeownership savings expenses, defined as expenses paid or incurred in connection with the purchase of a principal residence in this state.

**Summary:**
Current law provides that the Department of Transportation has full possession and control of the state highway system and associated property. Current law authorizes the department to plan, design, and construct a system of safety roadside rests along state highways. Current law requires the department to design only those safety roadside rests that are reasonably economical and that will provide the motorist a place where he or she may stop for a short time during daytime and nighttime hours. This bill would make nonsubstantive changes to these provisions.

Summary:
Current law prescribes requirements for the preparation of the housing element, including a requirement that a planning agency submit a draft of the element or draft amendment to the element to the Department of Housing and Community Development prior to the adoption of the element or amendment to the element. Current law requires the department to review the draft and report its written findings, as specified. This bill would require the department to also review any action or failure to act by the city, county, or city and county that it determines is inconsistent with an adopted housing element or a specified provision and to issue written findings, as specified, whether the action or failure to act substantially complies with the housing element.

Summary:

Current law requires the Department of Motor Vehicles to adopt regulations no later than January 1, 2015, setting forth requirements for the submission of evidence of insurance, surety bond, or self-insurance, and for the submission and approval of an application to operate an autonomous vehicle. Under current law, it is unlawful and constitutes an infraction for any person to violate, or fail to comply with any provision of the Vehicle Code, unless otherwise specified. This bill would provide that violation of this section is not an infraction and would instead, among other things, require the department to revoke the registration of a vehicle that is being operated in violation of those provisions.

8/21/2017 10 a.m. - John L. Burton Hearing Room (4203) SENATE APPROPRIATIONS, LARA, Chair

**Summary:**

Under current law, the California Transportation Commission consists of 13 members, 9 of whom are to be appointed by the Governor in consultation with the Senate. Current law requires the Governor, in appointing members, to use every effort to ensure geographic balance of representation. This bill
would additionally require the Governor, in appointing members, to use every effort to ensure that the commission has a diverse membership with expertise in transportation issues, taking into consideration factors including, but not limited to, socioeconomic background and professional experience, which may include experience working in, or representing, disadvantaged communities.

AB 196 (Bigelow R) Greenhouse Gas Reduction Fund: water supply and wastewater systems.
Introduced: 1/19/2017
Last Amended: 3/6/2017
Status: 7/17/2017-In committee: Referred to APPR. suspense file.
Location: 7/17/2017-S. APPR. SUSPENSE FILE

Summary:
Current law requires moneys from the Greenhouse Gas Reduction Fund to be allocated for the purpose of reducing greenhouse gas emissions in this state and satisfying other purposes. Current law authorizes specified investments, including water use and supply, if the investment furthers the regulatory purposes of the California Global Warming Solutions Act of 2006 and is consistent with law. This bill would authorize the use of the moneys in the fund for electric pump efficiency, water and wastewater systems, pump and pump motor efficiency improvements, and drinking water transmission and distribution systems’ water loss if the investment furthers the regulatory purposes of the act and is consistent with law.

Summary:
Current law prohibits a person while having 0.08% or more, by weight, of alcohol in his or her blood from driving a vehicle and concurrently doing any act forbidden by law, or neglecting any duty imposed by law in driving the vehicle, when the act or neglect proximately causes bodily injury to a person other than the driver. This bill would, until January 1, 2022, authorize the court to order a person convicted of a crime described above to enroll and participate in, and successfully complete, a qualified “24/7 Sobriety program,” as defined, as a condition of probation, if the program is available and deemed appropriate, and the person committed the crime within 10 years of one or more separate crimes described above that resulted in a conviction.

**Calendar:**  
8/21/2017  10 a.m. - John L. Burton Hearing Room (4203)  SENATE APPROPRIATIONS, LARA, Chair

**Summary:**  
Current federal law authorizes, until September 30, 2019, a state to allow low emission and energy-efficient vehicles, as specified, to use lanes designated for high-occupancy vehicles (HOVs). Current federal law also authorizes, until September 30, 2025, a state to allow alternative fuel vehicles, as defined, and new qualified plug-in electric drive motor vehicles, as defined, to use those HOV lanes. This bill would extend the authority of drivers of specified vehicles to use HOV lanes until the date federal authorization expires, or until the Secretary of State receives a specified notice, whichever occurs first.

Summary:
The Planning and Zoning Law requires the housing element, in turn, to include, among other things, an assessment of housing needs and an inventory of resources and constraints relevant to the meeting of those needs. That law further requires the Department of Housing and Community Development, for the 4th and subsequent revisions of the housing element, to determine the existing and projected need for housing for each region, based upon population projections produced by the Department of Finance and regional population forecasts used in preparing regional transportation plans, in consultation with each council of governments. Current law includes a declaration of legislative intent regarding the allocation of regional housing need. This bill would make additional findings regarding the relationship between the shortage of housing and the state’s environmental policies.

Summary:
Current law requires funds in the Public Transportation Account to be allocated to various public transportation and transportation planning purposes, with specified revenues in the account to be
allocated by the Controller to specified local transportation agencies for public transportation purposes, pursuant to the State Transit Assistance (STA) Program. Current requires STA funds to be allocated by formulas based 50% on population and 50% on transit operator revenues. This bill would revise and recast the provisions governing the STA program. The bill would provide that only STA-eligible operators, as defined, are eligible to receive an allocation from the portion of program funds based on transit operator revenues.

**Summary:**

Current law authorizes the Riverside County Transportation Commission to impose a transactions and use tax for transportation purposes subject to approval of the voters, which, pursuant to the California Constitution, requires approval of 2/3 of the voters. Current law provides that the maximum tax rate that may be imposed by the commission is 1/2 of 1%, or any lesser percentage. This bill would authorize the commission to impose a maximum tax rate for transportation purposes of 1%, subject to voter approval. The bill would prohibit the commission from imposing a tax rate other than 1%, or 3/4, 1/2, or 1/4 of 1% unless specifically authorized by statute.

Summary:
Would establish specific standards for the use of personal services contracts by counties. Beginning January 1, 2018, the bill would allow a county or county agency to contract for personal services currently or customarily performed by employees, as applicable, when specified conditions are met. Among other things, the bill would require the county to clearly demonstrate that the proposed contract will result in actual overall cost savings to the county and also to show that the contract does not cause the displacement of county workers. The bill would require a contract entered into under these provisions to specify that it may be terminated upon material breach, if notice is provided, as specified.

Summary:
Current law authorizes a county board of supervisors, by ordinance, to establish a commission to negotiate an exclusive contract with the State Department of Health Care Services to provide, or arrange for the provision of, health care services under the Medi-Cal program. This system of services provided by or through a county under these provisions is known as a county organized health system. Current law requires the enabling ordinance to, among other things, specify the membership of the county commission, the qualifications for individual members, the manner of appointment, and how long they will serve. Pursuant to this authority, the County of Orange, by ordinance, established a commission to provide health care services under the Medi-Cal program. This bill would codify those provisions of the enabling ordinance that prescribe the membership composition, the qualifications for individual members, tenure of the members, and the procedure for removing a member of the governing body of the commission established in the County of Orange, known as the Orange County Health Authority.

**Summary:**  
The Planning and Zoning Law requires a planning agency, after a legislative body has adopted all or
part of a general plan, to provide an annual report to the legislative body, the Office of Planning and Research, and the Department of Housing and Community Development on the status of the general plan and progress in meeting the community’s share of regional housing needs. Current law requires the housing element portion of the annual report to be prepared through the use of forms and definitions adopted by the department pursuant to the Administrative Procedure Act. This bill would require the housing element portion of the annual report to be prepared through the use of standards, forms, and definitions adopted by the department.

**Summary:**

Beginning with the 2004–05 fiscal year and for each fiscal year thereafter, existing law requires that each city, county, and city and county receive additional property tax revenues in the form of a vehicle license fee adjustment amount, as defined, from a Vehicle License Fee Property Tax Compensation Fund.
that exists in each county treasury. Current law requires that these additional allocations be funded from ad valorem property tax revenues otherwise required to be allocated to educational entities. This bill would modify these reduction and transfer provisions for a city incorporating after January 1, 2004, and on or before January 1, 2012, for the 2017–18 fiscal year and for each fiscal year thereafter, by providing for a vehicle license fee adjustment amount calculated on the basis of changes in assessed valuation.

Summary:  
Current law authorizes the Department of Transportation and local authorities to designate certain highway lanes for the exclusive or preferential use of high-occupancy vehicles (HOVs), requires the department or local authorities to place signage advising motorists of the rules governing the use of those lanes, and prohibits the use of those lanes by motorists other than in conformity with the posted rules. Current law provides a limited exemption allowing motorcycles, mass transit vehicles, and
paratransit vehicles to use HOV lanes. This bill would provide an exemption to allow for blood transport vehicles, as defined, to use HOV lanes, regardless of the number of occupants.

Status: 7/17/2017-Read third time and amended. Ordered to third reading. (Amended 7/17/2017)
Location: 6/28/2017-A. THIRD READING

Summary:
Current law makes it a crime, punishable as an infraction or misdemeanor, as applicable, for a person to commit certain acts on or in a facility or vehicle of a public transportation system. Current law authorizes a public transportation agency to adopt and enforce an ordinance to impose and enforce civil administrative penalties for and other passenger misconduct on or in a transit facility vehicle in lieu of the criminal penalties otherwise applicable. Current law requires these administrative penalties to be deposited in the general fund of the county in which the citation is administered. This bill would instead require the administrative penalties to be deposited with the public transportation agency that issued the citation.

SB 768 (Allen D) Transportation projects: comprehensive development lease agreements.
Introduced: 2/17/2017
Last Amended: 3/27/2017
Status: 5/26/2017-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/25/2017)(May be acted upon Jan 2018)
Location: 5/26/2017-S. 2 YEAR

Summary:
Current law authorizes the Department of Transportation and regional transportation agencies to enter into comprehensive development lease agreements with public and private entities, or consortia of those entities, for certain transportation projects that may charge certain users of those projects tolls and user fees, subject to various terms and requirements. These arrangements are commonly known as public-private partnerships. Current law provides that a lease agreement may not be entered into under these provisions on or after January 1, 2017. This bill would extend this authorization indefinitely.

Summary:
The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The act authorizes the state board to include use of market-based compliance mechanisms. Current law prohibits a state agency from linking a market-based compliance mechanism with any other state, province, or country unless the state agency notifies the Governor. Current law requires the Governor to issue specified findings within 45 days of receiving that notice from a state agency and to provide those findings to the Legislature. This bill would add to the findings required to be issued by the Governor and provided to the Legislature in those circumstances.

SCA 6  (Wiener D) Local transportation measures: special taxes: voter approval.

Introduced: 2/13/2017
Last Amended: 5/1/2017
Status: 5/25/2017-May 25 hearing: Held in committee and under submission.
Location: 5/25/2017-S. APPR. SUSPENSE FILE

Summary:
Would require that the imposition, extension, or increase by a local government of a special tax as may otherwise be authorized by law, whether a sales or transactions and use tax, parcel tax, or other tax for the purpose of providing funding for transportation purposes be submitted to the electorate by
ordinance and approved by 55% of the voters voting on the proposition. The measure would authorize an ordinance submitted to the voters for approval under these provisions to provide, as otherwise authorized by law, for the issuance of bonds payable from the revenues from the special tax.
