Vision Statement Feedback

Transformational has too many syllables.

"Transformational leader..." sounds like ego.

I really like the use of the word pioneer.

I don't like the use of the word transformational.

Use of "resilient" is valuable.

Empowerment is one of those words that sound good but actually says nothing of substance.

I don't think we should describe ourselves...I think we should state what we do for So. Cal. - Enrich, Transform, etc.
Vision Statement Next Step

- Fine tuning language
- Ensure aspirational tone
- Based on additional feedback:
  - “foster innovative solutions that realize the potential of a thriving Southern California.”

Next Step: Mission Statement

“Action” Statement Examples - What SCAG does...

- **Expand** transportation choices
- **Strengthen** the economy
- **Promote** healthy living
- **Conserve** essential resources
- **Convene** stakeholders
- **Collaborate** and solve problems
