

# Transportation Demand Management Training Sessions

## What is Transportation Demand Management (TDM)?

**Now is your chance to find out!**

Join SCAG for a 2-hour online TDM 101 Training session. During this training you will learn:

- What TDM is
- The benefits of TDM
- How to build a TDM program

These trainings are open to government employees, local jurisdictions, non-profits, employers, transit agencies, and the general public.

## Find your county and RSVP Now!

Each session is open to all, but will focus on a specific Southern California county.
