April 2, 2019

Mr. Vincent Mammano
Division Administrator
Federal Highway Administration
650 Capitol Mall, Suite 4-100
Sacramento, CA 95814

Attention: Ms. Tashia Clemons

Mr. Edward Carranza, Jr.
Regional Administrator
Federal Transit Administration, TRO-9
90 Seventh Street, Suite 15-300
San Francisco, CA 94103-6701

Attention: Mr. Ted Matley

Dear Ms. Clemons and Mr. Matley:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Southern California Association of Governments’ (SCAG) 2018/19-2023/24 Federal Transportation Improvement Program (FTIP):

<table>
<thead>
<tr>
<th>No.</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>6</td>
<td>Transit Transportation System</td>
</tr>
<tr>
<td></td>
<td>• This amendment modifies a project description from the San Bernardino County. This project is funded from the Federal Transit Administration (FTA) 5307, 5309 and 5339 programs.</td>
</tr>
</tbody>
</table>

See enclosure.

SCAG has certified that the amendment is consistent with the Regional Transportation Plan, is financially constrained, is consistent with the regional emission analysis, does not affect timely implementation of the transportation control measures, and meets the requirements of public involvement procedures adopted by SCAG.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SCAG’s Amendment Number 6. I also recommend that the Federal Highway Administration and FTA approve this FTIP amendment for inclusion into California’s 2019 Federal Statewide Transportation Improvement Program (FSTIP). Approval of this amendment does not constitute an eligibility determination of the project for federal funding.

“Provide a safe, sustainable, integrated and efficient transportation system to enhance California’s economy and livability”
Please address any questions on this FSTIP approval request to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

[Signature]

BRUCE DE TERRA
Chief
Division of Transportation Programming
