Attention: Mr. Ted Matley

Dear Ms. Clemons and Mr. Ted Matley,

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Southern California Association of Governments' (SCAG) 2018/19 – 2023/24 Federal Transportation Improvement Program (FTIP):

<table>

<td><strong>Local, State, and Transportation Systems</strong></td>

<td>- This amendment adds and modifies projects that include funding from the Highway Bridge Program, Congestion Mitigation and Air Quality Improvement Program, State Highway Operation and Protection Program, Highway Maintenance Program, Surface Transportation Program, Active Transportation Program, State Transportation Improvement Program, Federal Earmarks, and various Federal Transit Administration (FTA) programs.</td>

See enclosure.

SCAG has certified that the amendment is consistent with the Regional Transportation Plan, is financially constrained, is consistent with the regional emission analysis, does not affect timely implementation of the transportation control measures, and meets the requirements of public involvement procedures adopted by SCAG.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SCAG's Amendment Number 13. I also recommend that the Federal Highway Administration and FTA approve this FTIP amendment for inclusion into California's 2019 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP, in fiscal years beyond the four-year cycle of the current FSTIP, are not approved as

"Provide a safe, sustainable, integrated and efficient transportation system to enhance California's economy and livability"
part of this FTIP amendment and are for information only. Approval of this amendment
does not constitute an eligibility determination of projects for federal funding.

Please address any questions on this FSTIP approval request to Abhijit Bagde of my staff,
at (916) 654-3638.

Sincerely,

BRUCE DE TERRA
Chief
Division of Transportation Programming
