SUBJECT: ADMINISTRATIVE MODIFICATION #21-30 TO THE 2021 FEDERAL
TRANSPORTATION IMPROVEMENT PROGRAM (FTIP)

Dear Mr. Bagde:

The Southern California Association of Governments (SCAG) is transmitting Administrative Modification #21-30 for projects in the counties of Los Angeles, Orange, Riverside, and San Bernardino. Included in this administrative modification package are narratives describing the projects being amended and project listing reports. The projects meet the administrative modification criteria provided by the funding agencies in their letter dated December 18, 2019.

SCAG certifies that the projects in this administrative modification are not included in any other amendment that is currently open for public review. This administrative modification includes \$53 million in programming capacity.

The projects included in this administrative modification have demonstrated they satisfy the requirements of 40 CFR 93.118 and 93.119 without a new regional emissions analysis in accordance with the provisions of 40 CFR 93.122(e)(2)(ii). Therefore, SCAG through its function as the designated Metropolitan Planning Organization (MPO) has found the attached projects conform to the applicable State Implementation Plan and are consistent with the 2020 Regional Transportation Plan/Sustainable Communities Strategies (RTP/SCS). The update of these projects does not impact the conformity analysis of the financial constraints of the FY 2021 FTIP.
